Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by changing the pay grade of Fraud Claims Adjuster from a NE-11 to NE-13.

The Fraud Claims Investigator (FCI) classification is utilized only by Denver Human Services (DHS). These positions are tasked with reviewing the work products of the Eligibility teams in the Family and Adult Assistance Division (FAAD), to detect and address fraud. This requires experience with the systems, clients, and daily work of the highest levels of Eligibility work. With the recent grade increases to the Eligibility Technician Specialist and Lead classifications, a grade increase is needed for the FCI classification, and historically, the FCI has been at a higher grade than the Eligibility Technician series.
