Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by creating a new classification of Right of Way Enforcement Dispatcher at pay grade NE-09.

Department of Transportation & Infrastructure (DOTI) requested a new classification to better describe dispatch duties used in the Right of Way Enforcement Division, called Right of Way Enforcement Dispatcher. These employees are currently classified as Administrative Support Assistant III’s which does not capture the dispatching portion of their roles. Because of this, they also have a difficult time attracting the appropriate candidates for the role. This classification provides customer service in a contact center environment, by responding to a variety of citizen concerns regarding the public right way and dispatches the appropriate staff to handle these complaints.
