This is a summary of benefits drafted in plain language to assist you in understanding what benefits are offered and does not constitute a policy. Detailed provisions are contained in each provider’s plan document. If there is a discrepancy between what is presented here and the official plan documents, the plan documents will govern.
Dear City Colleague,

The City and County of Denver’s remarkably resilient workforce—all of you—remain steadfast in continuing to provide essential services for all Denver residents, as well as your fellow colleagues. Whether it’s from your frontline workstation, remote workstation or a hybrid of both, you continue to excel and keep Denver moving forward. We commend you for being an important and integral part of the city that you love!

Open Enrollment is your annual opportunity to reassess which benefit plans you and your family will need in the new year. We encourage you to actively participate in this year’s Open Enrollment period:

» October 11-October 29, 2021 by 11:59 p.m.

Submit your 2022 benefit selections in Workday by Friday, October 29, 2021. You will not be able to make changes to most of your 2022 benefit plans without a qualified life event in 2022 after this Open Enrollment period closes.

This guide is a starting point for learning what benefit plans are available to you and your dependents, and how to compare which plans will work best for you and your family. Visit DenverHub.org to get benefit plan information.

**What’s new in 2022?**

Not much will be changing with Denver employee benefits from 2021 to 2022. However, Denver’s dental plans will have some changes in 2022. See details below.

» Denver’s medical and vision plans all remain the same in 2022—including premiums paid for these plans!

» Delta Dental benefit plan enhancements include:
  
  » Implants will be covered under the PPO High and PPO Low plans with one implant per tooth in a 60-month period (increased from one implant in a 60-month period).
  
  » PPO High plan offers an increased lifetime orthodontic maximum of $2000 (up from $1000).
  
  » PPO High and PPO Low plans’ diagnostic and preventive services no longer count towards these plans’ annual maximum benefit ($1250/person in the Low & $2000/person in the High).
  
  » PPO High plan premiums see a slight increase in 2022, but both the PPO Low and EPO plan premiums see slight decreases in 2022.
  
  » EPO copay schedule sees increased costs for some services.

Log into Workday to access all 2022 Denver employee benefit plans through the Open Enrollment action in your Workday inbox. Confirm each plan is: selected/waived, applicable dependents are enrolled, 2022 spending and/or savings accounts have 2022 contribution pledges and beneficiaries for your Standard Insurance life insurance plan(s) have been designated before you submit. Print or save a copy of the confirmation form once you have submitted your 2022 elections.

Your OHR Benefits & Wellness team are ready to assist you with any questions. Contact us at benefits@denvergov.org or 720-913-5697.

Sincerely,

OHR Benefits & Wellness
### WHO IS ELIGIBLE FOR BENEFITS?

As a full-time (30-40 hours per week) or half-time (20-29 hours per week) unlimited, limited or Sheriff employee, you are eligible for City and County of Denver employee benefits. If you are an on-call/seasonal employee, you may become eligible for medical coverage under the Affordable Care Act. You will be notified by the OHR Benefits & Wellness team when you become eligible.

### WHAT IF I'M MARRIED TO, OR A PARENT/CHILD OF, ANOTHER CITY AND COUNTY OF DENVER EMPLOYEE?

You can enroll in medical and dental coverage as an employee or as a dependent only. You and your dependents cannot have dual coverage as both an employee and a dependent under the City and County of Denver’s employee benefit plans.

### WHAT DEPENDENTS ARE ELIGIBLE FOR HEALTH CARE COVERAGE?

Your eligible dependents include:

- Your spouse (including legally married and common-law) or your Colorado State Civil Union spouse (premiums are paid on an after-tax basis)
- Your children to age 26 (including a stepchild and adopted child)
- Your dependent children of any age who are physically or mentally unable to care for themselves

When adding dependents, supporting documents must be provided. A list of acceptable dependent documents can be found on DenverHub.org.

(1) Includes spouse life, dependent children life and accidental death and dismemberment.
(2) If you enroll in the high-deductible health plan (HDHP), the city will match contributions to your health savings account up to $300 for individual coverage, and $900 for all other coverage tiers.
(3) Employees hired prior to January 1, 2010, who remained on the sick and vacation leave plan can elect short-term disability and pay the entire cost.
## When can I enroll or change my benefit elections?

### AT OPEN ENROLLMENT

During Open Enrollment you are choosing your plans for the upcoming calendar year (January 1-December 31).

All your benefit plan elections/changes are processed through Workday. For Open Enrollment, the benefit election event is automatically generated and waiting in your Workday inbox ready for you to take action choosing plans and submitting your elections. You can find the link for Workday on the OHR Benefits & Wellness webpage at [denvergov.org/benefits](http://denvergov.org/benefits).

If you do not have Workday access, contact OHR Benefits & Wellness prior to the October 29, 2021 open enrollment deadline.

### AS A NEW HIRE OR REHIRE

When newly hired into a benefit-eligible position you will have 30 days from your hire date to choose your plans for the remainder of the calendar year in which you are hired.

All your benefit plan elections/changes are processed through Workday. For new hire or rehire, the benefit election event is automatically generated and waiting in your Workday inbox ready for you to take action choosing plans and submitting your elections. You can find the link for Workday on the OHR Benefits & Wellness webpage at [denvergov.org/benefits](http://denvergov.org/benefits).

### DURING THE YEAR

During the calendar year you may experience a qualified life event. You will have 30 days from the event date to submit your plan changes in Workday.

For qualified life events, you will have to create your own benefit election event in Workday, applicable to the type of event: marriage/divorce, gain/loss of other coverage, etc. Support documentation of the event will be required prior to approval of changes.

**WE ARE HERE TO HELP YOU ENROLL AND MAKE THE BENEFIT SELECTIONS THAT ARE RIGHT FOR YOU.**

**web:** [denvergov.org/benefits](http://denvergov.org/benefits)  
**phone:** 720-913-5697  
**email:** benefits@denvergov.org  
**text:** 720-515-6457
**Understanding your options.**

Before you can truly begin to evaluate the health care options available to you, here are some basic concepts and terms to get you started.

**Medical Plan Types**

The city offers three types of medical plans from three providers: a health maintenance organization (HMO), deductible HMO (DHMO) and high-deductible health plan (HDHP).

**HMO** option offers you a wide array of health care services all within a select network of Denver Health Medical Center doctors and hospitals with a set copay for services and no annual deductibles to be met.

A **DHMO** option offers you a wide array of health care services, all within a select network of local Colorado doctors and hospitals depending on the plan provider. It also offers set copays for some services, but can require an annual deductible be met and coinsurance payments after deductible for other services. The higher annual paycheck costs and higher out-of-pocket maximums make the DHMO options the most costly for you and your family.

**HDHP** option offers you the same wide array of health care services as an HMO or DHMO plan, but within a select network of local or national doctors and hospitals depending on the plan provider. And UnitedHealthcare can even offer out-of-network coverage.

HDHP enrollment also allows for health savings account (HSA) contributions. The lowest paycheck costs and lowest out-of-pocket maximums make HDHP less costly for you and your family. You can lower these costs even further by taking advantage of the HDHP contribution from the city through HSA matching.

**Network**

Your network is where you can go for covered services and insurance discounts.

- **In-network** includes doctors, hospitals and pharmacies you can visit to receive your insurance discount.
- **Closed network** means a limited and specific list of doctors, hospitals and pharmacies you can visit for covered services and insurance discounts. Denver Health Medical Plan and Kaiser Permanente plans are both closed networks.
- **Out-of-network** typically includes doctors, hospitals and pharmacies you might not be able to go to for covered service or insurance discounts. UnitedHealthcare's HDHP offers this coverage at higher costs to you.

To minimize your costs, try to utilize in-network services.

**Costs**

Costs include what you are paying for your insurance and any services throughout the year.

- **Premiums** are what you and the city pay for your health care plans. Premiums are what you see deducted from your paychecks for your benefit plans.
- **Copayment or copay** is a fixed dollar amount that you pay for a covered health service. In an HMO, all copays are set. In a DHMO, some copays are set for certain services. And in an HDHP, copays aren't set until the annual deductible is met.
- **Coinsurance** is your share of service costs after the annual deductible is met, typically a percentage.
- **A deductible** is the amount you must pay each calendar year for covered health services before the insurance plan will begin to pay.

**Tax Advantages**

The type of medical plan you choose also comes with different tax-advantaged spending accounts.

- A **Health Savings Account (HSA)** is a bank account that you can use to pay your HDHP out-of-pocket health care costs with pre-tax dollars from your paycheck or with employer contributions. Money deposited in an HSA stays with you, regardless of employer or health plan, and unused balances roll over year to year.

- A **Health Flexible Spending Account (FSA)** is a spending account that you can use to pay for health care costs (medical, dental and vision) with pre-tax dollars. Funds deposited into a health FSA will be forfeited if you do not use them by the IRS deadline. If you fund an HSA, you are not eligible to contribute to a traditional health FSA; however, you can fund a limited use FSA, which can only be used to pay for qualified dental and vision expense. Medical expenses are excluded.
Choose the right plan.

The city offers six medical plan options through three carriers: Denver Health Medical Plan, Kaiser Permanente and UnitedHealthcare. All three carriers offer a high-deductible health plan (HDHP). Kaiser Permanente and UnitedHealthcare also offer a deductible HMO (DHMO) plan, with UnitedHealthcare’s DHMO called the Colorado Doctors Plan. Denver Health Medical Plan offers an HMO plan.

**HIGH-DEDUCTIBLE HEALTH PLAN**
- Lowest premium paycheck cost
- Generally, you pay the full cost of all care until the annual deductible is reached
- Highest deductible
- After the annual deductible is reached, you will pay coinsurance or copay until the annual out-of-pocket maximum is reached
- Lowest out-of-pocket maximum
- You can budget for your out-of-pocket expenses by funding a health savings account (HSA) through Optum Bank®
- The city contributes to your HSA
- For every $1 you deposit into your HSA, the city will match $2 up to $300¹ per year for individual coverage, or up to $900¹ per year for all other coverage tiers

**DEDUCTIBLE HMO (DHMO) PLAN**
- Highest premium paycheck cost
- You will pay for some services in the form of a copay and the full cost of other services until the annual deductible is reached
- Lowest deductible
- After the annual deductible is reached, you will pay either copay or coinsurance until the annual out-of-pocket maximum is reached
- Highest out-of-pocket maximum
- You can budget for your out-of-pocket expenses by funding a health flexible spending account (FSA)
- No city contribution to your FSA

**HMO PLAN**
- Affordable premium paycheck cost
- You will pay for most services in the form of a copay
- No deductible
- High out-of-pocket maximum
- You can budget for your out-of-pocket expenses by funding a health flexible spending account (FSA)
- No city contribution to your FSA
- If you contribute to an FSA, your whole pledge amount for the plan year is available for use on qualified expenses on the day your plan starts
- If enrolled in the Denver Health Medical Plan HMO you must obtain all services from a Denver Health provider.

¹ HMO includes coinsurance for Emergency Care, Durable Medical Equipment, Home Health care, Skilled Nursing Facility, Outpatient Surgery/Physician services, all with no deductible to meet first and only up to out-of-pocket maximum.

² Services must be provided by Columbine Chiropractic in order to be covered.

**DENVER HEALTH MEDICAL PLAN**

Both Denver Health Medical Plans (HDHP and HMO) are limited to only Denver Health facilities. Denver Health members can use the Cofinity network for outpatient behavioral health services only.

## Choose the Right Doctor for You

The Kaiser Permanente plans provide in-network coverage only (except in the case of a medical emergency). If you enroll in the Kaiser Permanente HDHP or DHMO, you must select a primary care physician who is responsible for overseeing your health care. With Kaiser Permanente medical offices across the front range area, it can be easy to find a doctor who is close to your home or workplace. Most Kaiser Permanente medical offices house primary care, laboratory, X-ray and pharmacy services under one roof, which means you can visit your physician and manage many of your other needs in a single trip.

## Call the Appointment and Advice Line

If you have an illness or injury and you're not sure what kind of care you need, Kaiser Permanente advice nurses can help. With access to your electronic health record, they can assess your situation and direct you to the appropriate facility, or even help you handle the problem at home until your next appointment. For advice, call 303-338-4545, 24 hours a day, seven days a week. For appointment services, call Monday through Friday, 7:00 a.m. - 6:00 p.m.

To learn more about Kaiser Permanente, visit my.kp.org/denvergov or call 303-338-4545.

(1) Out-of-network services reimbursed at the Centers for Medicare and Medicaid Services (CMS) rates and CMS rate applies to deductible and out-of-pocket max, not billed cost. (2) The annual deductible and the 20% coinsurance apply for procedures performed during copay office and urgent care visits. (3) Prior authorization required for certain services.

**UNITEDHEALTHCARE COLORADO DOCTORS PLAN DHMO (CDP)**

If you enroll in the UnitedHealthcare CDP, you must:

- See Centura Health or New West Physicians doctors, specialists and hospitals.
- Choose a PCP within Centura Health or New West Physicians network.
- Go to whyuhc.com/denver to select a PCP. Click Benefits, then Find a Doctor or Facility and then Colorado Doctors Plan. Once you find a PCP, email their 14-digit Physician ID number to CCDenrollment@uhc.com. You do not need a referral before seeing another network PCP or specialist.

**UNITEDHEALTHCARE HDHP**

The UnitedHealthcare HDHP provides in- and out-of-network coverage, allowing you the freedom to choose any provider nationwide. However, you will pay less out of your pocket when you choose a UnitedHealthcare in-network provider.

To learn more about UnitedHealthcare, visit whyuhc.com/denver or call 855-828-7715 (CDP members) or 800-842-5520 (HDHP members).
Mental health benefits

Denver’s medical carriers all provide exceptional mental health care benefits. See how to access below. Copays, deductibles, coinsurance will apply. Refer to page 18 to learn more about Denver’s Employee Assistance Program, which also offers professional counseling at no charge for up to six sessions per issue.

DENVER HEALTH MEDICAL PLAN

You can obtain mental health and substance use disorder services from any in-network provider, no referral necessary. Members can self-refer in-network. Individual and group sessions are covered. Find a provider at denverhealthmedicalplan.org/find-doctor.

KAISER PERMANENTE

Kaiser Permanente offers a spectrum of mental health services. The online, self-directed, therapy program myStrength is available to all members for no-cost. Members can also access free wellness coaching by calling 1-866-862-4295 or going to kp.org/wellnesscoach. For specialty care, members can contact the Behavioral Health Access Center at 303-471-7700. Members can also always use the online Chat with a Doctor or email their primary care doctor through kp.org for mental health advice.

UNITEDHEALTHCARE

UnitedHealthcare offers its members multiple options to access mental health care. Members can access a self-directed therapy app, Sanvello, with guided tools for reducing stress, anxiety and depression. Members also have access to tele-mental health through Talkspace Online Therapy or may set up appointments with an in-person in-network mental health specialist by calling customer service at 800-842-5520, or going online to myUHC.com and looking for a health provider. UnitedHealthcare also offers its members a substance use disorder helpline at 855-780-5955.

ON-DEMAND HEALTH CARE - DISPATCHHEALTH: BRINGING THE HOUSE CALL BACK TO YOUR HEALTH CARE

City and County of Denver employees and dependents in any of the city medical plans can avoid unnecessary expenses and trips to the ER by using DispatchHealth. DispatchHealth is covered as an urgent care visit and can treat pains, sprains, cuts, wounds, high fevers, upper respiratory infections and much more. Their medical teams are equipped with all the tools necessary to provide advanced medical care in the comfort of your home, workplace or location of need. DispatchHealth is open seven days a week, 8:00 a.m.-10:00 p.m., including holidays. Service areas include Castle Rock to Boulder/Longmont, Denver and Colorado Springs.

For every house call, DispatchHealth sends a physician assistant or nurse practitioner along with a medical technician. An on-call physician is also available at all times via phone to treat:

Health savings account vs. health flexible spending account.

HEALTH SAVINGS ACCOUNT
A health savings account (HSA) is an individually-owned bank account that allows you to pay for eligible medical, dental and vision expenses with pre-tax dollars. You own your HSA, and there are no “use it or lose it” restrictions like with flexible spending accounts. Your contributions to this account (including the City and County of Denver contributions) cannot exceed the IRS annual contribution limits. In order to open and fund an HSA in 2022, you must have depleted your previous year’s health FSA by December 31, 2021.

The City and County of Denver will help you by matching your contributions up to the following amounts to your HSA in 2022:

| Individual coverage: | $300 |
| All other coverage tiers: | $900 |

HEALTH FLEXIBLE SPENDING ACCOUNT
A health flexible spending account (FSA) is an account that allows you to pay for eligible health care expenses with pre-tax dollars. If you fund an HSA, you cannot fund a health FSA.

| 2022 PLAN YEAR MAXIMUM FSA CONTRIBUTION: | $2,750 (REGARDLESS OF COVERAGE LEVEL) |

YOUR HSA THROUGH OPTUM BANK

If you enroll in a city high-deductible health plan (HDHP), you may be eligible to open and fund an HSA. You must open your HSA through Optum Bank® at optumbank.com in order to begin contributing to your HSA. If you have an Optum Bank® HSA, contact OHR Benefits & Wellness to have your HSA set up for city payroll contributions.

In 2022, you must make HSA contributions through payroll deductions to receive city HSA funds. For every $1 you contribute to your HSA, the city will contribute $2, up to the following amounts:

<table>
<thead>
<tr>
<th>City HSA Match</th>
<th>Maximum city HSA contribution</th>
<th>Required employee HSA contribution for full city match</th>

<td>$37.50 per paycheck (up to $900 in 2022)</td>
<td>$18.75 per paycheck (at least $450 in 2022)</td>
</tr>
</tbody>
</table>

Total contributions to an HSA cannot exceed the annual IRS contribution maximums (below).

2022 IRS HSA contribution maximums

» Individual coverage: $3,650
» All other tiers: $7,300
» Catch-up contribution (if age 55+): $1,000

You are allowed to contribute the difference between the city contributions (city match and Wellness Incentive) and the IRS maximum.

MAXIMIZE YOUR TAX SAVINGS

» Contributions to an HSA are tax free and can be made through payroll deduction on a pre-tax basis when you open an HSA through Optum Bank®
» The money in your HSA (including interest and investment earnings) grows tax free
» As long as you use the funds to pay for qualified expenses, the money is spent tax free

USE YOUR HSA TO PAY FOR YOUR QUALIFIED HEALTH EXPENSES

» Use your HSA money to pay for eligible expenses now or in the future
» Funds in your HSA can be used for your expenses and those of your spouse and eligible dependents, even if they are not covered by the city HDHP
» Eligible expenses include deductibles, doctor’s office visits, dental expenses, eye exams, prescription expenses and LASIK eye surgery
» Refer to IRS Publication at irs.gov/publications/p969#en_US_2020_publink1000204083 for a complete list of eligible expenses

THREE WAYS TO ACCESS YOUR HSA MONEY

» Debit card—Draws directly from your HSA and can be used to pay for eligible expenses at your doctor’s office, pharmacy or other locations where you purchase health-related items or services
» Pay bills online—Send payments directly to your health care providers, pharmacy or other payees for eligible expenses you paid out of your pocket
» Reimburse yourself—Request a check or schedule an electronic account transfer to pay yourself back for eligible expenses you paid out of your pocket

Important!

You must have qualifying coverage as defined by the IRS in order to contribute to an HSA or risk adverse tax consequences. If you are enrolled in another plan that is not considered qualifying under IRS guidelines, you are not eligible. This includes, but is not limited to, Medicare, Medicaid, TRICARE for Life or any non high-deductible health plan. For additional information, refer to IRS Publication 969 at irs.gov/uac/About-Publication-969.
Flexible spending accounts (FSA)

With a flexible spending account (FSA), you can set aside money on a pre-tax basis from your paycheck to cover health care (medical, dental and vision), dependent day care and/or qualified parking expenses.

The city offers these flexible spending accounts through Alerus Retirement and Benefits, whose services include:

» Client service center at 800-433-1685
» Access to account info at Alerusrb.com
» Online claim submission
» Automatic direct deposit in your bank or savings account
» Complimentary debit card to all participants, with immediate access to certain locations such as King Soopers, Safeway, Walgreens, Walmart, etc.

Health FSA

If you enroll in the health FSA, you can use the FSA to pay for eligible health care expenses, including medical, dental and vision expenses with pre-tax dollars.

2022 health FSA minimum and maximum contributions:

» Minimum of $120 annually
» Maximum of $2,750 annually

Another advantage of enrolling in the health FSA is that your whole pledge amount for the plan year is available for use on qualified expenses on the day your plan starts, even though your contributions towards the pledge are spread over the calendar year.

You can submit claims for your qualifying 2022 expenses through March 31, 2023. Your expenses must be incurred no later than March 15, 2023, to be reimbursed from your FSA. Due to IRS rules, you’ll forfeit any unused funds.

If you are funding an HSA in 2022, all 2021 health FSA dollars must be spent by December 31, 2021.

Limited Use FSA

» If you fund an HSA, you are not eligible to fund a health FSA. However, you can fund a limited use FSA. A limited use FSA can only be used to reimburse dental and vision expenses.

2022 limited use FSA minimum and maximum contributions:

» Minimum of $120 annually
» Maximum of $2,750 annually

You can submit claims for your qualifying 2022 expenses through March 31, 2023. Your expenses must be incurred no later than March 15, 2023, to be reimbursed from your FSA. Due to IRS rules, you’ll forfeit any unused funds.

Dependent Day Care FSA

If you have child care expenses for a child age 12 and under, consider taking advantage of the dependent day care FSA. In the same way that the health FSA lets you set aside pre-tax dollars for eligible health care expenses, you can set aside pre-tax dollars for dependent day care while you work.

2022 dependent day care FSA minimum and maximum contributions:

» Minimum of $120 annually
» Maximum of $5,000 annually, per household

Examples of eligible dependent care expenses include:

» Day care and babysitter costs
» Nursery school
» Before- and after-school programs
» Summer day camps

The dependent day care FSA is subject to the same reimbursement rules as the health FSA, including the “use it or lose it” rule. Important tax rules also apply to the dependent day care FSA. You can’t be reimbursed from your FSA for any expense that is also covered by a tax credit on your federal tax return.

Important!

You must "use it or lose it." If you choose to use a health FSA and/or a limited use FSA, remember to plan your contributions carefully. You can submit claims for your qualifying 2022 expenses through March 31, 2023. Your expenses must be incurred no later than March 15, 2023 to be reimbursed from your FSA. Due to IRS rules, you’ll forfeit any unused funds.

Qualified Parking FSA

The qualified parking FSA allows you to claim up to $270 per month of pre-tax dollars to pay for parking expenses while you are at work. To qualify, the parking expenses cannot be associated with a city-owned facility.

2022 qualified parking FSA minimum and maximum contributions:

» Minimum of $60 annually
» Maximum of $3,240 annually

Like the dependent day care FSA, claims for reimbursement can be processed as your contributions accrue. Submit claims within 180 days of date of expense. Claims submitted after 180 days will not be reimbursed.
Proper dental care is important and taking care of your oral health is an investment in your overall well-being. The city continues to offer three dental plans through Delta Dental of Colorado: EPO plan, PPO Low and PPO High plans, but with new modernized copays for the EPO plan and plan enhancements to the PPO Low and High plans.

**PPO Low and PPO High Plans**
The Delta Dental PPO Low and PPO High plans cover a broad range of services with a deductible and coinsurance approach. You and covered members may visit any licensed dentist but get the greatest out-of-pocket savings with a PPO dentist. Review the coinsurance rates for **PPO High** and **PPO Low**. Ask your provider for a pre-determination estimate. Delta Dental will review and let your provider know your out-of-pocket cost prior to treatment.

**EPO Plan**
The EPO plan only offers a benefit when you and covered members see an in-network Delta Dental PPO dentist. There is no benefit for out-of-network services. See the EPO plan summary. Only services listed in the copayment schedule are covered. You are responsible for copayment at time of service.

**Find a Dentist**
Visit deltadentalco.com or call 800.610.0201 to find out if your provider is in the Delta Dental PPO Network.

**New in 2022**
- Two routine cleanings per calendar year (no longer in a 12-month period)
- Preventive/diagnostic services do not count toward PPO High/Low annual max benefit
- PPO High/Low now offer one implant per tooth in a 60-month period.
- PPO High orthodontics lifetime maximum increased to $2,000 per person

The City and County of Denver provides a voluntary employee health and well-being program to help employees lead healthier, more fulfilling lives and do their best work. The program takes a holistic approach, emphasizing the following four pillars of well-being:

**PHYSICAL WELL-BEING**
- Nutrition
- Preventive care
- Physical activity

**MENTAL WELL-BEING**
- Stress management
- Mindfulness
- Volunteer program

**FINANCIAL WELL-BEING**
- Debt management
- College savings
- Retirement planning

**PROFESSIONAL WELL-BEING**
- Career development
- Skill building
- Resiliency training

**VITALITY®**

The City and County of Denver offers employees the opportunity to engage in Vitality, a unique wellness program that provides employees with the tools and motivation to make healthy choices. Vitality’s personalized, interactive approach considers current overall health, lifestyle and health risk factors. Employees can choose from, engage in and be rewarded for a wide variety of healthy activities – online education, physical activity, preventive care and more – on their own personal pathway to better health.

Because the city wants employees to be the healthiest they can be – for themselves, their family and their friends – the city has incorporated the Vitality program into its benefits package to help educate, motivate and assist employees in realizing the limitless benefits of making healthy choices and adopting healthy behaviors. There’s something for everyone in Vitality with activities associated with each of the city’s four pillars of well-being. Are you ready to take your first step toward your healthiest life? Go to powerofvitality.com to get started!

**$600 WELLNESS INCENTIVE**

Earn the $600 Wellness Incentive! The annual Wellness Incentive is available to all employees enrolled as the primary account holder in a city-sponsored medical plan. Eligible employees who complete the requirements by December 31 will receive the $600 Wellness Incentive according to the type of health plan they are enrolled in:

- Employees enrolled in a high-deductible health plan (HDHP) will receive a one-time $600 deposit to their Optum health savings account (HSA) in January.
- Employees enrolled in a DHMO or HMO will receive a $25 health insurance premium reduction in the first two pay periods of each month, for a total of a $600 annual discount.

To view the list of requirements to earn the Wellness Incentive, visit the Wellness page on DenverHub.org or click on the Act Now, Employer Incentive button at powerofvitality.com.
EMPLOYEE ASSISTANCE PROGRAM

Personal issues, planning for life events or simply managing daily life can affect your work, health and family. The city provides a wide variety of resources through the GuidanceResources® Employee Assistance Program (EAP). BEHAVIORAL HEALTH RESOURCES

BEHAVIORAL HEALTH TOOLKIT FOR EMPLOYEES

This online guide is available to employees and their dependents. Here, you’ll find information about the Employee Assistance Program, substance use, leave and time off and behavioral health services offered through the city’s medical plans. Access these resources at DenverGov.org by typing “behavioral health” in the search field.

BEHAVIORAL HEALTH TOOLKIT FOR MANAGERS

This resource provides managers and supervisors with guidance to help prepare for and handle a crisis that may affect the team. This toolkit also offers tips for managing employee well-being and leveraging the Employee Assistance Program for help dealing with difficult issues as they arise. This resource can be found on DenverHub.org by typing “behavioral health” in the search field.
LIFE INSURANCE

The city offers several life insurance policy options through Standard Insurance Company. You are automatically enrolled in a basic life insurance policy and are eligible to voluntarily enroll in additional life policies.

BASIC LIFE INSURANCE

The city pays for your basic life insurance benefit equal to two times your annual salary, up to a maximum of $400,000. You are automatically enrolled and this policy is effective upon hire.

ADDITIONAL AND DEPENDENT LIFE INSURANCE

Additional life policies for you and your dependents are optional benefits and are paid for entirely by you in after-tax deductions. The premium rates are based upon set rates determined by age and tobacco use (except for the children policies mentioned below). View rates in Workday or denvergov.org/benefits.

In addition to your basic life insurance, you may apply to purchase additional life insurance for yourself in increments of $5,000 up to a maximum of $300,000. Within 30 days of your hire or rehire date, you can elect up to $200,000 without providing a medical history statement.

You can apply to purchase additional life coverage for your spouse in increments of $5,000 up to a maximum of $300,000, but cannot exceed 100 percent of your combined basic and additional life coverage. Within 30 days of your hire or rehire date, you can elect spousal life up to $30,000 without providing a medical history statement.

You may also purchase additional life coverage for your eligible children in the amounts of $5,000 at a cost of $0.75 monthly or $10,000 at a cost of $1.50 monthly.

Standard Insurance Company requires completion and submission of a medical history statement for any voluntary additional life and spouse life policies when requested more than 30 days from hire or rehire date. Child life and AD&D policies are exempt from the medical history requirement.

ACCIDENTAL DEATH AND DISMEMBERMENT

You can purchase accidental death and dismemberment (AD&D) coverage. This coverage pays a benefit if you or your eligible dependents die or suffer serious injury as a result of a covered accident. You can buy AD&D coverage in increments of $10,000 and to a maximum of $500,000. Amounts in excess of $250,000 cannot exceed 10 times your annual earnings. If you are enrolled in AD&D coverage, you may also elect to insure your eligible dependents. The amount of insurance for each dependent is determined as follows:

- Spouse only – 60% of your amount
- Child only – 15% of your amount, not to exceed $25,000 per child
- Spouse and child – 50% of your amount for spouse and 10% of your amount per child

LIFE INSURANCE BENEFICIARIES

Be sure to designate beneficiaries for your life insurance through Workday. Find the Workday icon on your desktop or the link to Workday on the OHR Benefits & Wellness webpage at denvergov.org/benefits.

Only during the annual Open Enrollment period, if you currently have a voluntary additional life insurance policy or spouse life policy, you can increase these policies by up to $20,000 per policy, provided the increase(s) do not result in policies that exceed the guaranteed issue amounts of $200,000 in additional life or $30,000 in spouse life, and you have not been denied life insurance coverage in the past by Standard Insurance Company.
DISABILITY INSURANCE

To help protect your income if unable to work due to injury or illness, the city offers you short-term and long-term disability benefits. All disability plans are offered through Standard Insurance Company.

SHORT-TERM DISABILITY - HIRED AFTER JANUARY 1, 2010

If you were hired or rehired after January 1, 2010, or converted to the paid time off (PTO) plan, the city pays the full cost of the premiums for your short-term disability insurance. You are automatically enrolled into this benefit and it is effective first of the month following hire. After 14 consecutive calendar days of total disability (called the waiting period), your short-term disability payments will begin. The benefit pays 70% of your weekly pre-disability earnings to a weekly maximum of $1,500.

SHORT-TERM DISABILITY - HIRED PRIOR TO JANUARY 1, 2010 AND REMAIN ON THE SICK AND VACATION LEAVE PLANS

For those hired by the city prior to January 1, 2010, and remain on the sick and vacation leave plans, the short-term disability benefit is optional and may be elected during open enrollment. If elected, it’s paid for entirely by the employee. This voluntary benefit has two plan levels both pay 70% of your weekly pre-disability earnings to a weekly maximum of $1,500.

LONG-TERM DISABILITY

The city pays the full cost of your long-term disability insurance. You are automatically enrolled in this benefit and it is effective first of the month following hire. If you are partially or totally disabled for more than 180 days, the benefit pays 60% of your monthly pre-disability earnings to a monthly maximum of $6,000.

WORKPLACE POSSIBILITIES, STAY-AT-WORK RESOURCES

The city is committed to providing the resources you need to perform your job with the greatest overall wellness, productivity and comfort. To fulfill this commitment, the city has partnered with Standard Insurance Company disability insurance to provide assistance to covered employees who may be experiencing difficulties at work that could be related to a medical condition. The service is provided through Standard Insurance Company’s Workplace Possibilities Program (WPP).

The key objectives of the program are to:

- Remove barriers to employees’ comfort, safety and ability to perform their jobs effectively
- Assess work stations and implement solutions to ensure employees perform their jobs productively and safely
- Assist employees in resuming job duties after a leave of absence due to a medical condition
- Promote open communication among all parties, including the employee, medical providers, ADA coordinator and WPP consultants

While participation is encouraged, the WPP is completely voluntary and is provided at no cost to you. A WPP consultant will contact you to obtain your medical information only if you sign an Authorization to Obtain and Release Information form. The WPP consultant will not share your medical information with your management team, but the WPP consultant may speak with your management team about your work capacity, possible worksite modifications and/or your expected return-to-work date.

Participation in the WWP does not in any way replace or restrict your right to participate in the Interactive Process as prescribed in Americans with Disabilities Act as amended (ADAAA) and Career Service Rule 12.

If you have questions about ADA or would like a referral for WPP, contact the city’s ADA coordinator via email at cityfmlaandada@denvergov.org or call 720-913-5620.

UltimateAdvisor® legal insurance from ARAG offers you affordable reliable counsel when something in life turns into a legal issue, like a dispute with a contractor, a traffic ticket or the need for estate planning including preparation of a trust. You’ll have the opportunity to voluntarily enroll in the legal plan within your first 30 days of hire, rehire or qualifying life event, and annually during the open enrollment period. For as little as $15.50 per month, you can enroll in the plan and have a place to turn to for help, with access to a nationwide network of attorneys who will:

- Work with you in person, over the phone or online to consult with you on legal issues
- Review or prepare documents
- Make follow-up calls or write letters on your behalf
- Represent you, if needed

With an UltimateAdvisor® legal insurance plan from ARAG®, you can count on a wide range of coverage and services, like the following examples - and many more - when you work with a network attorney to address the legal situations you may encounter in life.

**Consumer Protection**
- Auto repair
- Buy or sell a car
- Personal property disputes
- Consumer fraud
- Home improvement
- Small claims court

**Criminal Matters**
- Juvenile
- Parental responsibility

**Debt-Related Matters**
- Debt collection
- Garnishments
- Personal bankruptcy
- Student loan debt

**Driving Matters**
- License suspension/revocation
- Traffic tickets

**Tax Issues**
- IRS tax audit
- IRS tax collection

**Family**
- Adoption
- Guardianship/conservatorship
- Name change
- Pet-related matters

**Landlord/Tenant Issues**
- Contracts/Lease agreements
- Eviction
- Security deposit
- Disputes with a landlord

**Real Estate & Home Ownership**
- Buying a home
- Deeds
- Foreclosure
- Contractor issues
- Neighbor disputes
- Promissory notes
- Real estate disputes
- Transferring property
- Selling a home

**Wills & Estate Planning**
- Powers of attorney
- Wills
- Trusts

Attorney fees for most covered legal matters are 100% paid in full when you work with a network attorney, which means you’ll avoid paying high-cost attorney fees. It’s like having an attorney on retainer whenever you have a question or need guidance regarding a legal matter.

**How does legal insurance work?**
1. Call 800-247-4184 when you have a legal matter.
2. Customer care will walk you through your options and help you find the appropriate network attorney.
3. Meet with your network attorney over the phone or in person to begin resolving your legal issue.

**Why should you get legal insurance?**
- Receive 100 percent paid-in-full coverage for most covered legal matters when you work with a network attorney.
- Save an average of $2,100 per legal matter
- Access more than 13,000 attorneys within ARAG’s network with an average of 20 years of experience.
- Quickly address your covered legal situations with a network attorney who is only a phone call away for legal help and representation.
- Use DIY Docs to help you create any of 350+ legally valid documents, including state-specific templates.

For a complete list of exclusions or any other questions about the legal plan, call 800-247-4184 or visit ARAG’s website at ARAGLegalCenter.com.
Recruitment and Fitness Centers, Pet Adoption and Transportation

Recreation and Fitness Centers
Employees of the City and County of Denver and Denver Health & Hospital Authority who are eligible for benefits can get a 25% membership discount at any Denver recreation center. For more information, visit DenverHub.org or call 720-913-5687.

The employee fitness center features a full complement of fitness equipment, exercise classes and services for city employees. The center is located in the Webb Municipal Building and is open for early morning workouts, as well as after work hours and on Saturdays. Members of the Denver Employee Fitness Center also have full access to all Denver recreation centers. For more information about the fitness center, visit denvergov.org/wellness or call 720-913-5687.

Pet Adoption
As a City and County of Denver employee, you are awarded one free pet adoption at the Denver Animal Shelter with your city name badge or payslip. Visit denvergov.org/animalshelter for adoption requirements.

Transportation Programs
As a way to encourage alternative transportation, the city participates in the Regional Transportation District (RTD) EcoPass program for limited and unlimited employees and subsidizes the EcoPass. The $10 monthly cost allows you to use all of RTD’s bus, light-rail and train networks.

Enrollment advantages include:
» Ability to pay for commuting expenses with pre-tax dollars
» Avoiding parking challenges and cost

Contact OHR Benefits & Wellness at benefits@denvergov.org or call 720-913-5697 to enroll.
Retirement Planning

RETIREMENT PLANNING
All financial planning experts will agree, the earlier you begin investing in your future, the better. And having multiple options to invest in your future is even better!

As a city employee, you have already started investing through the pension and social security. In addition, the city offers many other opportunities to plan your retirement.

DENVER EMPLOYEES RETIREMENT PLAN (DERP)
Your DERP Pension Benefit is one of the most important benefits you receive as it is your foundation for a strong retirement future. Your DERP Pension Benefit provides a guaranteed, lifelong monthly pension for you, or your beneficiary, when you retire. Advantages of a DERP Pension Benefit are:

» It's guaranteed. Once you have five years of service credit, you are eligible to receive a lifetime, monthly DERP Pension Benefit.

» It's for life. You can't outlive your DERP Pension Benefit.

» It's professionally managed. As a member, your plan is maintenance free. You don't have to make investment decisions.

In addition to receiving the security of your DERP Pension Benefit, you are immediately eligible for DERP Plus Benefits that include disability retirement and active death retirement to ensure you and your loved ones are covered while you are employed.

To learn more about your DERP Pension Benefit, visit DERP.org. You'll find a wealth of information about your DERP Pension Benefit and the steps you should take at each stage of your retirement journey.

SOCIAL SECURITY
You and the city are also contributing to Social Security. The income from your DERP Pension Benefit and Social Security are a couple of the basic building blocks for providing you comfort and security in your retirement. Learn when you’re eligible to start collecting social security at ssa.gov.

SUMMIT SAVINGS
You can also take advantage of Denver’s Summit Savings plan. The Summit Savings plan is a voluntary retirement plan similar to a 401(k), but known in Internal Revenue Code as a 457(b) for government employees. This plan is an employer-sponsored defined-contribution retirement account in which you can invest money for your retirement, typically in your choice of a variety of mutual funds. Your voluntary contributions can be made pre-tax (with tax deferred until later) or after-tax. There are no matching contributions from the city in this plan.

The city’s 457(b) program is administered by Nationwide. You can book a virtual account review with Nationwide’s local Denver financial planning representatives to discuss your Summit Savings account and get answers to your questions. You’ll also receive insights, guidance and educational tools to make the most of your account. Schedule your virtual account review and earn 50 Vitality points!

Already have a Summit Savings account? Check out Nationwide’s retirement planning tool, “My Interactive Retirement Planner” by logging into your account. This tool is programmed to include your DERP Pension Benefit and Social Security in addition to your Summit Savings balance and current contributions to determine your retirement readiness.

To learn more about Summit Savings, call 720-913-9308 or visit denvergov.org/457.

HEALTH SAVINGS ACCOUNT
Unlike DERP, Social Security and Summit Savings, you are not automatically eligible to contribute to a health savings account (HSA). To be eligible to contribute, you must be enrolled in a HDHP. If you can contribute to an HSA, the money you and the city contribute to your HSA (see page 13 for city HSA matching) is actually designated for your health care expenses, but we all know these expenses will never go away and, in fact, can tend to increase as you age. So, investing in your current and future health care now is like investing in a retirement plan. And even if you remain healthy and cannot use your HSA money, eventually you might instead use the HSA money for paying Medicare premiums, or you can pass the HSA money on to a beneficiary.

FINANCIAL PLANNING
If you need help figuring out how to plan financially for your retirement, talk to your money coach available through My Secure Advantage (see page 18). With 90 days of unlimited access to a money coach, you can review how you’re currently preparing for retirement or talk about how to get started.
Having an up-to-date beneficiary designation can make sure your assets go where you intended. This simple move can save your loved one’s time — and money. Review your beneficiaries whenever your situation changes.

**DENVER EMPLOYEES RETIREMENT PLAN (DERP)**

Your DERP Pension Benefit provides benefits to your survivors upon your death so, it’s important to designate a primary beneficiary. You should also designate a contingent beneficiary in the event you and your primary beneficiary pass away at the same time. DERP beneficiaries must be designated directly with DERP.

1. Log in to your MyDERP.org account.
2. Click the Beneficiary button and designate your primary and contingent beneficiaries.

**SUMMIT SAVINGS**

If you are a Summit Savings plan participant, beneficiary information for your Summit Savings account is tracked by Nationwide. You have access to update your beneficiary info by logging into your account at denver457.com.

**HEALTH SAVINGS ACCOUNT (HSA)**

If you have an Optum Bank HSA, your beneficiary information is tracked by Optum Bank. You have access to update your beneficiary information by logging into your account at optumbank.com and navigating to “Account Management.”

**LIFE INSURANCE**

Your life insurance beneficiary information is tracked in Workday. You can update your beneficiary information for your life insurance in Workday at any time, including basic life insurance paid by the city, and additional life insurance paid by you. The most recent beneficiary designations become the official beneficiaries if the need for a claim should arise. Be sure to keep your beneficiary information in Workday up to date! Search “Beneficiary Designation” in DenverHub.org for a helpful job aid.
Work-Life Balance

Paid time off to support work-life balance.

All employees hired or rehired after January 1, 2010 accrue paid time off (PTO). The amount of PTO you receive each year is based on the following chart taken from Career Service Rule 10: Paid Leave.

**Paid Volunteer Leave**

**Employee Volunteer Program**

#DenverGoodDeeds

Denver Good Deeds is a paid leave that employees can use to give back to their community. Employees can use one eight-hour day or two four-hour periods to volunteer through city-sponsored and approved volunteer projects as outlined in Career Service Rule 9: Pay Administration.
To determine the cost of each plan, you must consider the monthly premium, out-of-pocket expenses and the possible city contribution to a health savings account (HSA). The example below shows the maximum annual medical liability for Kaiser Permanente at each coverage level. Below the example is a worksheet to calculate the maximum annual medical liability for Denver Health Medical Plan and UnitedHealthcare.

Use this worksheet to calculate the maximum annual medical liability based on the carrier you choose and the coverage level you require. Find the monthly premium rates for Denver Health Medical Plan and UnitedHealthcare on the Benefit Plan Premiums page 11.

(1) Employees electing employee only HDHP will receive a city HSA match up to $300. Employees must contribute $6.25 per paycheck (twice per month) to receive a city match of $12.50 per paycheck (twice per month).

Employees electing employee with dependents HDHP will receive a city HSA match up to $900. Employees must contribute $18.75 per paycheck (twice per month) to receive a city match of $37.50 per paycheck (twice per month).

(2) Employees who complete the Wellness Incentive requirements by December 31, 2021 will receive a $600 incentive, distributed in 2022 as follows depending upon their 2022 medical plan election:

- DHMO and HMO participants will receive $50 per month premium reduction.
- HDHP participants will receive a one-time $600 health savings account (HSA) contribution.

(3) For every $1 an employee deposits into their HSA, the city will match $2 up to $25 per month for individual coverage, or up to $75 per month for all other coverage tiers. To receive the maximum city HSA match, you must deposit at least $6.25 per paycheck (twice per month) for individual coverage, or at least $12.50 per paycheck (twice per month) for all other coverage tiers.
