

Office of Human Resources
311 Customer Service Agent Lead - CC2547
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs regularly assigned lead work responsibilities and provides comprehensive customer service, in a contact center environment, by responding to a variety of customer requests for information while providing thorough, complex, and accurate information regarding services and procedures in the City and County of Denver.

Distinguishing Characteristics

The Lead Customer Service Agent is distinguished from the 311 Customer Service Agent I and 311 Customer Service Agent II classifications, which provides comprehensive customer service, in a contact center environment, by responding to a variety of customer requests for information while providing thorough, complex, and accurate information regarding services and procedures in the City and County of Denver.

The Lead Customer Service Agent is distinguished from the 311 Customer Service Specialist, which, in addition to providing comprehensive customer service by responding to a variety of customer inquiries for information, also performs duties that assist the continuous improvement of 311 Call Center services, maintenance of a high level of customer service, and the further development of 311 Call Center capabilities.

Essential Duties

Monitors and documents contact center metrics (e.g. call length or number of calls in queue) and agent statistics, including amount of time spent taking calls; determines work priorities and develops or modifies work schedules to provide adequate staff coverage.

Ensures established performance standards are met or exceeded by conducting quality assurance sessions with staff and working to correct any deficiencies observed; provides work instruction and guidance towards a common team goal.

Acts as a liaison between the customer and department or agency staff by following up on escalated customer requests or complaints and solving problems related to service issues; provides operational and emergency updates to both internal staff and partner department and agency staff.

Resolves problems encountered during daily operations and determines appropriate solutions.

Identifies and recommends process improvement changes that will effectively and efficiently enhance customer service delivery; assists with the training and development of staff, when necessary.

Contributes to the development of performance goals, documents performance, provides performance feedback, and provides information to inform the formal performance evaluation.

Responds orally to informal grievances and relays information to the supervisor.

Documents situations which may be cause for disciplinary action and provides this information to the supervisor.

Assists customers with inquiries or problems related to city or department procedures and services, by conducting research and explaining applicable regulations, policies, procedures or standards based on a comprehensive knowledge of city or department procedures and services.

Creates or accesses cases in the Customer Relationship Management (CRM) module of PeopleSoft to enter information on customer inquiries or problems and to provide updates on previously created cases; enters resolutions provided to customers and assigns cases or creates service orders for various partner departments and agencies.

Provides complete and accurate information to customers, which may involve explaining applicable regulations, policies, procedures or standards based on a comprehensive knowledge of city or department procedures and services.

By position, performs work on special projects that support the goals and objectives of the 311 operations.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Customer Service - Interacts with customers in a friendly and professional manner, works to resolve issues quickly and effectively, and is knowledgeable about products and services.

Information Management - Identifies a need for and knows where or how to gather information; organizes and maintains information or information management systems.
