

Office of Human Resources
Administrative Support Assistant IV - LC1504
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs specialized and/or technical office support work that requires detailed knowledge of the specialized/technical area.

Distinguishing Characteristics

This is the fourth class of a seven level series. This class performs specialized and/or technical office support work. This class is distinguished from the Administrative Support Assistant V class that performs permanently assigned lead work in office support duties on a different shift or in a different location from the work unit supervisor or in a work unit where the first line supervisor's span of control is ten or more employees and performs the job responsibilities of the work unit or function. The Administrative Support Assistant IV class is distinguished from the Supervisor of Administrative Support I class that performs supervisory duties over employees who perform office support work and establishes unit and staff work goals and objectives. Additionally, the Administrative Support Assistant IV class is distinguished from the Administrative Support Assistant III class that performs a variety of full performance level office support work.

Definition of Specialized/Technical Office Support Work:

Possess a detailed working knowledge of complex procedures, regulatory guidelines, codes, ordinances, and/or other technical/legal requirements. Requires a comprehensive knowledge of office practices and procedures and a specialized knowledge of the policies, procedures, and practices applicable to the assigned area. Interprets and applies regulatory guidelines, laws, and/or procedures to specific situations. Considerable independent judgment is required to determine and evaluate facts and make decisions without the benefit of direct guidance or supervisory review where the cost of correcting errors could be substantial in either time or money. Responds to sensitive inquiries and problems related to the specialized/technical area and resolves problems by making reliable decisions.

Essential Duties

Interprets, applies, and explains regulations, policies, standards, and/or procedures to internal/external customers based on extensive knowledge of a specialized area within a defined scope.

Reviews and evaluates forms, applications, computations, documents, and/or other information to determine accuracy, completeness, acceptability, or compliance based on extensive knowledge of a specialized area or legal requirements.

Determines and evaluates facts and makes decisions without the benefit of direct guidance or supervisory review where the cost of correcting errors could be substantial in either time or money.

Prepares and processes documents and other forms in accordance with legal precedents or other specialized/technical procedures.

Recommends improvements or solutions to problems within a range of specified, acceptable, and/or standard alternatives and technical practices.

Provides specialized information, identifies problems within a defined scope and has the authority to resolve discrepancies, and follows up on requests or complaints.

Responds to sensitive inquiries and problems related to the specialized/technical area and resolves problems by making reliable decisions.

Examines, checks, and approves/rejects information and determines appropriate services within a defined scope.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies
