

Office of Human Resources
Airside Operations Manager - CA2820
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Manages, coordinates, and controls activities within the Aircraft Operating Area at Denver International Airport. This includes implementing work plans based on annual goals and the strategic plan. Resolves citizen, operational, and management issues. Achieves goals while ensuring resources are utilized appropriately.

Distinguishing Characteristics

The Manager is a first level management class. A Manager oversees work groups/areas within a division or agency and is generally responsible for supervising first or second line supervisors and/or individual contributors. A Manager position is operationally and/or functionally focused.

The Manager of Airside Operations is the highest level day-to-day manager of airfield, ramp tower, communication center and terminal operations at Denver International Airport. The classification reports to the Airside Operations Director. It is distinguished from Airport Operations Supervisor who reports to and supports the Airside Operations Manager in the day-to-day management and control of airfield, ramp tower, and terminal operations of Denver International Airport.

Essential Duties

Manages, coordinates, and controls activities within the Aircraft Operating Area at Denver International Airport.

Manages the activities of Aircraft Operating Area to ensure compliance with federal aviation regulations, policies, procedures, and delivery of quality customer and operational services.

Makes immediate decisions necessary to ensure the continued safe operation of Denver International Airport with intent to eliminate or mitigate operational delays, and/or negative impacts to passengers, tenants and airlines.

Manages operational efforts in response to emergencies, significant weather events and other non-routine situations. Serves as the primary source of event status information to airport senior management and the media during these events.

Coordinates the activation of the Emergency Operations Center (EOC) during emergency and special events. Incorporates all aspects of airport communications for coordinated support of the EOC while providing maximum support in maintaining day-to-day operations.

Manages the enforcement of airport security requirements in the Aircraft Operating Area, Concourses and Terminal.

Performs investigations of accidents and incidents, co-author reports and presents findings to senior management.

Oversees the publication of all shift logs and reports, including the daily activity report.

Investigates and resolves complaints from operational stakeholders.

Assists in the enforcement of airport environmental policies, procedures and standards by performing field observations and inspections of airport activities. Notifies environmental management staff of potential negative environmental impacts.

Develops or modifies work plans, methods and procedures, determines work priorities and develops work schedules to provide adequate staff coverage. Provides work instruction and assists employees with difficult and/or unusual assignments; encourages innovation. Assigns and distributes work, reviews work for accuracy and completeness and returns assignments with recommendations for proper completion.

Conducts hiring interviews and selects candidates for job openings.

Resolves problems encountered during daily operations and determines appropriate solutions; promotes teamwork. Encourages regular communication, informs staff of relevant business issues and their impact on the organization.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Documents causes for disciplinary action and initiates letters of reprimand and makes formal recommendations for disciplinary action. Responds to formal and informal employee grievances and prepares written responses.

By position, participates in planning and managing budget systems; prepares and presents budget recommendations to higher management; adjusts work plans/activities as a result of budget changes.

Performs other duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Conflict Management - Manages and resolves conflicts, grievances, confrontations, or disagreements in a constructive manner to minimize negative personal impact.

Deciding and Initiating Action - Takes responsibility for actions, projects and people; makes quick, clear decisions which may include tough choices, after considering risks.

Delivering Results - Sets high standards for quality, quantity, and timelines. Focuses on customer needs and satisfaction. Consistently achieves project goals.

Influencing - Collaborates with, persuades and influences others.

Coaching - Provides others with clear direction, motivates, and empowers. Recruits staff of a high caliber and provides staff with development opportunities and coaching.
