

Office of Human Resources
Assistant Superintendent Golf Course - CJ2739
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Supervises a crew involved in the operation, maintenance and repair of municipal golf course grounds, facilities and equipment.

Distinguishing Characteristics

The Assistant Golf Course Superintendent is a working supervisor specifically assigned to supervising crews working at municipal golf courses. This class is distinguished from the Golf Course Superintendent that performs supervisory duties over working supervisory and non-supervisory employees involved operation, maintenance and repair of municipal golf course grounds, facilities and equipment.

Essential Duties

Supervises and works in a crew involved in the operation, maintenance and repair of municipal golf course grounds, facilities and equipment.

Trains employees in day to day procedures and safety standards and ensures compliance.

Supervises and performs application of chemicals such as fertilizers, pesticides, and insecticides to treat the course and the grounds. Independently calibrates application equipment, determines product rates based on label requirements, mixes and loads products, and keeps records required by division standards.

Operates and oversees operation of equipment. Directs employees to operate and maintain turf grass equipment.

Independently monitors and makes repairs to irrigation system.

Prepares work records and reports.

Serves in the Golf Course Superintendent's capacity during his/her absence.

Reviews, develops, and/or modifies work plans, methods, and procedures, determines work priorities, and develops work schedules to provide adequate staff coverage. Provides work instruction, assists employees with difficult and/or unusual assignments, and encourages innovation. Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Participates in conducting hiring interviews and makes recommendations for selecting candidate(s) for job opening(s).

Resolves problems, mediates conflicts encountered during daily operations, determines appropriate solutions, and promotes teamwork. Encourages regular communication and informs staff of relevant business issues and their impact on the organization.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Receives formal and informal grievances and conducts preliminary discussions for settlement when necessary.

Supervises and works in a crew involved in snow removal and winter maintenance operations.

By position, may be required to be on-call to address emergent needs.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Decision Making – Specifies goals and obstacles to achieving those goals, generates alternatives, considers risks, and evaluates and chooses the best alternative in order to make a determination, draw conclusions, or solve a problem.
