

Office of Human Resources
Budget Analyst Senior - LV2425
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs full performance level professional budget management and analysis work to oversee and monitor agency or department budget functions.

Distinguishing Characteristics

The Senior Budget Analyst may work within an agency or department performing various budget related functions or work within an organization that services multiple agencies and departments with regard to a specific area of budgeting.

The Senior Budget Analyst is distinguished from the Associate Budget Analyst, which performs intermediate-level professional budget management and analysis work that is considered routine and general in day-to-day activities and budget functions; and, is distinguished from the Budget Analyst Supervisor, which performs professional level supervision over professional budget analysts and support staff.

The following definitions are meant to assist in distinguishing between the three core concepts of accounting, budgeting, and finance, which are as follows:

- Accounting: Tracks, records, and reconciles financial transactions to ensure consistency and compliance with fiscal rules, and creates reports for historical records, audits, and the evaluation of financial processes and transactions.
- Budgeting: Tracks, monitors, and projects expenditures, allocates funds, oversees assets, and prepares justifications and reports with regard to a specific organizational budget and associated business needs.
- Finance: Researches, analyzes, calculates, and compiles financial data, prepares reports for business decision making, determines best use of financial resources, which includes determining interest rates, investments, and managing cash and debt.

Essential Duties

Manages and oversees the budget for an agency or department, works directly with management to develop and plan the budget, monitors and tracks all financial transactions, maintains financial systems, reconciles financial discrepancies, prepares decision packages, and presents budget recommendations at budget hearings.

Prepares the annual budget for an agency or department, works with management to plan and identify business and capital needs, forecasts expenditures, determines funding for projects and programs, and conducts feasibility studies.

Monitors and tracks financial transactions within specific budget accounts, which includes creating and entering journal vouchers, processing internal billing transfers and change orders, approving requisitions, allocating funds within budget accounts, and compiling and recording supporting documentation.

Manages and oversees contracts, which includes reviewing contractor requirements, terms, and rates to ensure compliance with fiscal rules and policies, and approves and allocates funds within budget accounts to pay for contractor goods and services.

Creates budget specific reports, spreadsheets, and financial statements, reviews and interprets complex financial information for management, creates reports to estimate and track budget functions, develops financial models, and queries financial information in support of the use of financial resources.

Oversees position justifications for a single or multiple client groups, approves or denies staff additions, maintains and tracks position totals, conducts workload analyses, and provides client groups with reports detailing personnel costs to manage organizational growth.

Supports and assists with special projects that impact organizational and citywide budgets, which includes analyzing business proposals, performing complex financial calculations, conducting feasibility studies, forecasting expenditures, and preparing reports and presentations recommending courses of action to manage fiscal accountability.

Works with stakeholders both internal and external to the City, responds to inquiries, provides specialized and complex information and assistance with regard to specific budgetary transactions, and works with client groups to resolve budgetary issues and guide budgetary decision making.

By position, develops and reviews business cases and proposals for client groups, which includes conducting feasibility studies, analyzing performance metrics, and building financial models for major projects and asset acquisitions.

By position, works with agencies and departments to manage grant awards, works directly with management to develop and plan grant budgets, approves grant proposals and contracts, and ensures compliance with grant reporting and documentation.

By position, assists with the development of the comprehensive annual budget for the City, which includes calculating and forecasting expenditures, creating reports and financial models, working directly with management to guide decision making, and preparing budget presentations for mayoral and council committees.

By position, works with multiple client groups to facilitate budget development and planning, provides consultative services, researches and analyzes budget proposals, monitors and tracks financial transactions and expenditures, and provide strategic direction.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
