

Office of Human Resources
Building Construction Inspector - CJ2501
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs inspections on construction or building sites including new construction, alterations, and roofing construction to ensure compliance with the Denver Building Code and Amendments related to the International Building Code and International Residential Building Code.

Distinguishing Characteristics

This class is distinguished from other trades inspector classes (that inspect other specific, licensed and/or certification trades areas).

Essential Duties

Performs complex on-site inspections on new construction, alterations, and roofing construction on all types of residential, commercial, and industrial buildings to ensure and enforce compliance with the Denver Building Code and Amendments related to the International Building Code and International Residential Building Code.

Determines compliance or non-compliance with code requirements and recommends appropriate corrections, enforcement, and/or compliance.

Investigates complaints of code violations, recommends appropriate corrective and/or enforcement action which may include issuing "stop work" orders, summons, and/or canceling permits; and reinvestigates to verify code compliance.

Interprets and explains rules, regulations, ordinance, and standards to property owners, contractors, and the public.

Prepare written reports and maintains records of inspections performed.

Complies with standard safety rules and procedures common to the trade.

By position, may be required to be on-call to address emergent needs.

Performs other related duties as assigned or requested.

Any one position may not include all the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
