

Office of Human Resources
Buyer Associate - CA0670
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs standard level, professional purchasing work obtaining goods and services of all types by applying professional public purchasing standards and applicable City laws, policies and procedures.

Distinguishing Characteristics

The Associate Buyer is standard level professional purchasing work that performs routine procurement work. This class is distinguished from the Staff Buyer which is entry level in training in the application of professional standards to coordinate procurement of goods, and is distinguished from the Senior Buyer which performs full performance professional level purchasing work in the procurement of goods and services.

Essential Duties

Evaluates and reviews purchasing specifications for one-time and term bids to determine the method of procurement; consult with internal customers; and select a list of qualified bidders.

Works with vendors to verify price quotations and obtain product information. Confirms proper bonding, liquidated damages and insurance provisions.

Verifies with supervisor that non-discriminatory and non-proprietary bid and contract terms are in place and that bonding, licensure, insurance, specific performance and other bid terms and conditions are maintained for the life of the contract.

Recommends solutions concerning agency and vendor disputes, facilitates timely vendor payments and prepares notices of vendor default and termination.

Awards purchase orders, one-time specialty bids and annual requirement contracts, and authorize emergency procurements.

Analyzes sole-source, professional preference and other bidding exception requests and recommends approval or disapproval.

Explains the procurement process to agency staff, including approval of specifications and introduction of new vendors and products.

Conducts vendor site visits and evaluates vendor capability and references.

Communicates procurement status to agencies and vendors and utilizes bidder and commodity databases and other sources of relevant information.

Represents the Purchasing Department to individual groups affected by their unique contacts with the procurement process.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Attention to Detail - Is thorough when performing work and conscientious about attending to detail.

Customer Service - Interacts with customers in a friendly and professional manner, works to resolve issues quickly and effectively, and is knowledgeable about products and services.

Information Management - Identifies a need for and knows where or how to gather information; organizes and maintains information or information management systems.

Oral Communication - Expresses information to individuals or groups effectively; taking into account the audience and nature of the information; makes clear and convincing oral presentations; listens to others, attends to nonverbal cues and responds appropriately.

Problem Solving - Identifies problems; determines accuracy and relevance of information; uses sound judgment to generate and evaluate alternatives, and to make recommendations.

Reading - Understands and interprets written material, including technical material, rules, regulations, instructions, reports, charts, graphs, or tables; applies what is learned from written material to specific situations.

Writing - Writes in a clear, concise, organized, and convincing manner for the intended audience.
