

Office of Human Resources
City Inspector II – CN1825
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs intermediate level inspection work on routine projects while ensuring compliance with City standards and ordinances and investigates citizen complaints regarding violations.

Distinguishing Characteristics

The City Inspector II is the second class of a three-part series. The City Inspector II is distinguished from the City Inspector I which performs entry level inspection and enforcement work to ensure compliance with City standards, ordinances and investigates citizen complaints of violations. The City Inspector II is also distinguished from the City Inspector III that performs full performance level inspection and enforcement work on complex inspections, ensures and enforces compliance with City standards and ordinances, and investigates citizen complaints regarding violations.

Essential Duties

Performs moderately difficult inspection work to ensure compliance with City standards and ordinances and enforces compliance by monitoring and re-inspecting work or violations to ensure compliance with specific engineering standards or zoning ordinances through onsite audits, reviews, and inspections.

Investigates and resolves routine complaints regarding zoning, residential health and housing, solid waste, park permitted projects, vacant and derelict buildings, and other compliance issues, and presents information to citizens regarding code violations, and may issue citations, stop work orders, or summonses.

Interprets, adapts, and applies appropriate written guidelines, precedents, and standardized work practices to a variety of problematic situations regarding zoning ordinances and engineering standards.

Prepares and maintains detailed inspection reports for assigned projects which includes taking photos and videos of violations and progress of project.

Makes recommendations to assist citizens and contractors with compliance issues and may order repair or replacement of substandard work.

Assesses and evaluates approved construction and improvement plans for conformance with City standards and guidelines and determines the proper course of action to ensure compliance.

Researches standards and ordinances, writes reports, and maintains records and documents for historical accounts associated with tracking permits, projects, legal actions, and compliance issues.

Approves and signs off on Certificates of Occupancy once work is completed within engineering standards or zoning ordinances.

May present testimony and historical facts regarding code violations in a hearing or court setting on specific cases.

By position, ensures that parks are restored to a minimum of 90% of the preexisting conditions that existed prior to beginning of work being performed.

Performs other related duties as assigned.

Any one position may not include all the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
