General Statement of Duties

Performs technical combination inspections in two of the following disciplines: construction, electrical, mechanical, and/or plumbing and enforces compliance with applicable codes, regulations, and ordinances associated with each trades area.

Distinguishing Characteristics

This class performs technical combination inspections in two trades areas. This class is distinguished from the Trades Inspector class that performs specialized inspections in one of the following disciplines: plumbing, electrical, mechanical, or construction and enforces compliance with applicable codes and regulations associated with each trades area. The Combination Inspector I class is also distinguished from the Combination Inspector II class that performs technical combination inspections in three of the following disciplines: construction, electrical, mechanical, and/or plumbing and enforces compliance with applicable codes, regulations, and ordinances associated with each trades area.

Essential Duties

Performs combination inspections in two trade areas which includes electrical, construction, mechanical, and/or plumbing and enforces compliance of applicable structural, electrical, mechanical, and/or plumbing codes and regulations.

Examines plans and specifications to determine compliance with applicable codes, regulations, and ordinances and checks and enforces field conformance to approved plans.

Determines compliance or non-compliance with code requirements and recommends appropriate corrections, enforcement, and/or compliance action to remedy the compliance issue(s).

Investigates complaints of code violations, recommends appropriate corrective and/or enforcement action which may include issuing “stop work” orders, summons, and/or canceling permits; and reinvestigates to verify code compliance.

Interprets and explains rules, regulations, ordinance, and standards to property owners, contractors, and the public.

Prepare written reports and maintains records of inspections performed.

Complies with standard safety rules and procedures common to the trade.

By position, may be required to be on-call to address emergent needs.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Conflict Management - Manages and resolves conflicts, grievances, confrontations, or disagreements in a constructive manner to minimize negative personal impact.
Decision Making - Specific goals and obstacles to achieving those goals, generates alternatives, considers risk, and evaluates and chooses the best alternative in order to make a determination, draw conclusions, or solve a problem.

Interpersonal Skills - Shows understanding, friendliness, courtesy, tact, empathy, cooperation, concern, and politeness to others and relates well to different people from varied backgrounds and different situations.

Reading - Understands and interprets written material, including technical material, rules, regulations, instructions, reports, charts, graphs or tables; applies what is learned from written material to specific situations.

Technical Competence – Uses knowledge that is acquired through formal training or extensive on-the-job experience to perform one’s job; works with, understands, and evaluates technical information related to the job; advises others on technical issues.

Written Communication – Composes, reviews, edits, and issues written materials for diverse audiences and communicates purpose in a succinct and organized manner that is appropriate for context, time, and place.

**Knowledge & Skills**

Knowledge of the principles and practices of inspection work sufficient to be able to monitor and enforce compliance. Refers to specialized knowledge that is acquired through formal training or extensive on-the-job experience.

Skill in conducting investigations to ensure compliance with applicable rules, regulations, standards, and codes.

**Level of Supervision Exercised**

None

**Education Requirement**

Graduation from high school or the possession of a GED, HiSET or TASC Certificate.

Potential exposure to cement dust
Potential exposure to cold temperature, cold enough to cause bodily discomfort
Potential exposure to cold weather conditions (indoor/outdoor)
Potential exposure to conditions that affect the skin or respiratory system.
Potential exposure to dust
Potential exposure to extreme temperature changes
Potential exposure to hazardous/toxic chemicals
Potential exposure to hazards from electro/mechanical/power equipment.
Potential exposure to hazards of steam and heat
Potential exposure to heat temperatures, hot enough to cause bodily discomfort
Potential exposure to heat, wetness, outdoors, odors
Potential exposure to hot and humid work environment
Potential exposure to housekeeping/cleaning agents/chemicals.
Potential exposure to humid conditions with high moisture content to cause bodily reactions
Potential exposure to noise from barking dogs
Potential exposure to odorous chemical and specimens
Potential exposure to odors in animal areas
Potential exposure to pesticides or fertilizers
Potential exposure to temperature changes: variations in temperature from hot to cold
Potential exposure to wet working conditions (cleaning kennels)
Potential exposure due to soil, plants, and insects
Extreme cold conditions
Handles absentee replacement on short notice
Handles emergency or crisis situations
Noise sufficient to cause distraction or possible hearing loss
Noise sufficient to cause distraction
Occasional pressure due to multiple calls
Personal Safety: aware of surroundings, people, and events
Subject to electrical and radiant energy hazards
Subject to hazards of flammable or explosive gases
Subject to injury from moving parts of equipment or vehicles
Subject to injury from moving parts of equipment.
Subject to long irregular hours
Subject to many interruptions
Subject to precarious or high locations
Subject to pressure for multiple calls, inquiries, and interruptions
Subject to varying and unpredictable situations
Subject to traffic, roadways, and pedestrians
Temperature Changes: variations in temperature from hot to cold.
Temperature Changes: variations in temperatures from hot to cold when works in field
Wet: frequent contact with water or other liquid.
Wet: frequent contact with water, liquid, chemicals, or sanitary sewage
Works in confined, uncomfortable or awkward locations
Works in precarious or high locations.
**Level of Physical Demand**

3-Medium (20-50 lbs.)

**Physical Demands**

(Physical Demands are a general guide and specific positions will vary based on working conditions, locations, and agency/department needs.):

- Agility: Ability to move quickly and easily.
- Balancing: Maintaining equilibrium.
- Carrying: Transporting or moving an object.
- Climbing/Balancing: Ascending walls, fences, and other obstacles and maintaining equilibrium.
- Climbing: Ascending or descending an object or ladder.
- Color vision: Ability to distinguish and identify different colors.
- Crawling: Moving about in a low or crouched position.
- Crouching: Positioning body downward and forward.
- Depth Perception: Ability to judge distances and space relationships.
- Eye/Hand/Foot Coordination: Performing work through using two or more body parts or other devices.
- Feeling: Perceiving attributes of objects by means of skin receptors, communication, or otherwise.
- Field of Vision: Ability to sharply detect or perceive objects peripherally.
- Fine Dexterity: Sufficient coordination to operate a vehicle and manipulate objects.
- Fingering: Picking and pinching, through use of fingers or otherwise.
- Handling: Seizing, holding, grasping, through use of hands, fingers, or other means.
- Hazards: Conditions where there is danger to life, body and/or health.
- Hearing/Talking: Perceiving and comprehending the nature and direction of sounds/ability to communicate ideas.
- Hearing: Perceiving and comprehending the nature and direction of sounds.
- Kneeling/Crouching: Ability to locate and capture animals from a lowered position.
- Kneeling: Assuming a lowered position.
- Lifting: Moving objects weighing no more than 50 pounds from one level to another.
- Neck Flexion: Perceiving objects located above or below.
- Oral Comprehension: Ability to discern the meaning of oral speech.
- Physical Strength: Exerts force to transport objects of 50 pounds or more.
- Pulling: Exerting force upon an object so that it is moving to the person.
- Pushing: Exerting force upon an object so that it moves away from the person.
- Reaching: Extending the hands and arms or other device in any direction.
- Repetitive motions: Making frequent or continuous movements.
- Sitting: Remaining in a stationary position.
- Stamina: Ability to work over long periods of time without tiring.
- Standing: Remaining in a stationary position.
- Stooping: Positioning oneself low to the ground.
- Talking: Communicating ideas or exchanging information.
- Vision Far Acuity: Ability to perceive or detect objects clearly at 20 feet or more.
- Vision Near Acuity: Ability to perceive or detect objects at 20 inches or less.
- Vision: Ability to perceive animal behavior, comprehend signs, and detect color.
- Walking: Ability to move or traverse from one location to another.
- Written Comprehension: Ability to discern the meaning of written words.

**Background Check Requirement**

- Criminal Check
- Employment Verification
- By position, Motor Vehicle Record
- Licenses/Certification
Assessment Requirement

None

Probation Period

Six (6) months.
