

Office of Human Resources
Deputy Director Emergency Management - CA0772
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Administers the Office of Emergency Management in the absence of the Director, manages the City/County Emergency Operations Plan, and performs rotational duty officer functions and other supervisory duties as assigned.

Distinguishing Characteristics

The Deputy Director of Emergency Management administers the Office of Emergency Management in the absence of the Director, manages the City/County Emergency Operations Plan, and performs rotational duty officer functions and other supervisory duties as assigned. This class is distinguished from the Manager, who manages functional and/or operational area(s) that include implementing work plans based on annual goals and the strategic plan; resolves citizen, operational, and management issues; and achieves goals while ensuring resources are utilized appropriately. The Deputy Director of Emergency Management is responsible for these management duties only in the absence of the agency head although regularly assisting the agency head in determining the goals and objectives of the organization, and initiates proposals for change in organizational functions, resource allocations, procedures, and priorities.

Essential Duties

Performs the duties of the Director of the Office of Emergency Management as needed, including budget, personnel, and program responsibilities.

Assists in determining the goals and objectives of the organization, and initiates proposals for change in organizational functions, resource allocations, procedures, and priorities.

Devises strategies to deal with emergency and crisis situations and manages the City/County Emergency Operations Center.

Performs duty officer functions on a rotating basis, evaluates emergency/crisis incidents, and coordinates agency operations and city/county response. May perform operational duties at emergency/crisis location.

Provides expertise and assistance to city agencies developing emergency action plans and identifying hazards, and assists private sector organizations as requested.

Makes presentations and participates in emergency preparedness activities involving community groups, city/county agencies, and other governmental entities, and serves as liaison/representative for the agency.

Reviews, develops or modifies work plans, methods, and procedures, determines work priorities and develops work schedules to provide adequate staff coverage. Provides work instruction and assists employees with difficult and/or unusual assignments; encourages innovation. Assigns and distributes work, reviews work for accuracy and completeness and returns assignments with recommendations for proper completion.

Conducts hiring interviews and selects candidate(s) for job opening(s).

Resolves problems and mediates conflicts encountered during daily operations and determines appropriate solutions; promotes teamwork. Encourages regular communication, informs staff of relevant business issues and their impact on the organization.

Develops the performance enhancement plan, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Develops and implements training and development plans and opportunities for subordinate staff.

Encourages and guides others toward goals.

Ensures quality, effectiveness, and efficiency of unit activities and safety measures.

Documents causes for disciplinary action and initiates letters of reprimand and makes formal recommendations for disciplinary action. Responds to formal and informal employee grievances and prepares written responses.

By position, participates in planning and managing budget systems; prepares and presents budget recommendations to higher management; operates within budget parameters; adjusts work plans/activities as a result of budget changes.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Delivering Results - Sets high standards for quality, quantity, and timelines. Focuses on customer needs and satisfaction. Consistently achieves project goals.

Influencing - Collaborates with, persuades and influences others.

Planning and Evaluating - Organizes work, sets priorities, and determines resource requirements; determines short- or long-term goals and strategies to achieve them; coordinates with other organizations or parts of the organization to accomplish goals; monitors progress and evaluates outcomes.

Technical Competence - Uses knowledge that is acquired through formal training or extensive on-the-job experience to perform one's job; works with, understands, and evaluates technical information related to the job; advises others on technical issues.
