

Office of Human Resources
Director Emergency Communication Center - CA2767
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Directs the Department of Safety's Emergency Communications Center which includes developing annual and multi-year work plans and strategies, ensures resources are available to achieve work plans, resolves complex business issues, and establishes management practices and processes that ensure the accomplishment of performance standards.

Distinguishing Characteristics

There are three general management classes (Manager, Director, and Executive) and specific individual management classes. The Manager is a first level management class. A Manager oversees work groups/areas within a division or agency and is generally responsible for supervising first or second line supervisors and/or individual contributors. A Manager position is operationally and/or functionally focused.

The Director is a mid-level management class. A Director manages a division or agency and is generally responsible for supervising managers, supervisors, and individual contributors. A Director position is operationally and/or functionally focused as well as strategically focused.

The Executive is the highest level of management class in the city other than appointees or elected officials. An Executive directs multiple divisions and is generally responsible for supervising directors, managers, supervisors, and individual contributors. An Executive position is strategically focused.

Essential Duties

Directs the operations of the 911 Emergency Communications Dispatch Center which is comprised of 911 intake operations, Denver Police Department dispatch, Denver Fire Department Dispatch, and Denver Health Authority Emergency Medical Services.

Develops annual and multi-year work plans and strategies to meet business needs. Develops and directs the implementation of goals, objectives, policies, procedures, and work standards to ensure success.

Manages, prioritizes, and coordinates through managers and shift supervisors the day-to-day operations of the Emergency Communications Center including the effective functioning of the Center and adequate staffing and ensures work quality and adherence to established rules, policies, and procedures.

Collaborates with leaders in the Manager of Safety Office and other public safety leaders to establish and affect changes in call-handling and dispatching protocols to ensure life safety for community members.

Oversees the development of instructional materials for public education to neighborhood and civic groups regarding how to handle emergency situations and how to contact 911 during an emergency.

Participates with Technology Services in selecting technology used in the Center, determines when upgrades or changes are needed, monitors the technology maintenance schedules, and plans for future system procurements based on business requirements, technology changes, and service needs.

Ensures all dispatchers, call-takers, lead workers, supervisors, administrative team members, and managers receive job related training and meet training requirements established by the city and state.

Communicates business and work area plans and goals to managers and supervisors to secure buy-in. Reviews, approves, and implements recommended changes to plans and leads the development of process and/or operational improvements.

Prioritizes and allocates resources to achieve strategies. Utilizes resources to develop or expand services and/or operation. Ensures resources are utilized appropriately and do not exceed the established budget without approval.

Creates and administers policies and integrates work group procedures across work areas for consistency. Resolves sensitive, controversial issues by making decisions that are inclusive of multiple perspectives.

Represents the division/department in meetings with elected and/or appointed officials and other city entities. Serves as the city representative with a variety of public, business, and community organizations. Fosters collaborative relationships to the benefit of the organization.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Resolves escalated employee or citizen complaints including long-term resolutions in problem areas.

Selects, trains, develops, and evaluates subordinate staff. Makes decisions on hiring, terminations, promotions, and disciplinary actions as required.

Develops and monitors the budget and oversees financial well-being by analyzing cost effectiveness. Directs cost control activities.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Analyzing and Interpreting - Analyzes complex information and applies expertise to produce high quality work products.

Thinking Strategically - Thinks strategically and promotes best practices and leading-edge ideas.
