

Office of Human Resources
Facilities Management Manager - CA3314
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Manages a functional and/or operational section of a facilities or building management division that include implementing work plans based on annual goals and the strategic plan; resolves citizen, operational, and management issues; and achieves goals while ensuring resources are utilized appropriately.

Distinguishing Characteristics

This class is part of the Facilities Management leadership series. There are two general management classes, Facilities Management Manager and Facilities Management Director and specific individual management classes. These classifications typically have lower level supervisors or superintendents reporting to them.

The Facilities Management Manager is a first level management class. A Manager oversees work groups/areas within a division or agency and is responsible for supervising first or second line supervisors and/or individual contributors. A Manager position is operationally and/or functionally focused.

The Facilities Management Director is a mid-level management class. A Director manages a division or agency and is responsible for supervising managers, supervisors, and individual contributors. A Director position is operationally and/or functionally focused as well as strategically focused.

Essential Duties

Manages a facilities management section which is responsible for a comprehensive building maintenance and repair program, alteration of city owned facilities, and custodial contracts. Represents the section's positions, initiatives, and interests with a focus on the delivery of superior customer service; ensures staff is sufficiently knowledgeable and dynamic regarding customer service protocols and performance expectations.

Manages the activities of trades workers within a section, including mechanical, electrical, life safety, plumbing or custodial work in support of efficient operations and maintenance of city facilities and diverse municipal buildings.

Manages a systematic preventative maintenance program that strives to prevent equipment and systems failures, determines building work order priorities, forecasts, and plans facility improvements, and prepares emergency procedures.

Prepares specifications for custodial services and ensures work is monitored and inspected for conformance of contract terms.

Manages section operations in conformance with environmental laws and regulations regarding the storage and disposal of hazardous materials and associated permitting requirements.

Tracks and monitors maintenance trends. Identifies patterns and initiates corrective actions, utilizes benchmarking, and revises procedures to improve effectiveness and eliminate deficiencies. Prepares and presents data to management team.

Manages section safety and environmental compliance programs. Ensures compliance to standards and coordinates inspections. Responds to and evaluates safety concerns and remediation plans.

Implements initiatives, and achieves goals, objectives, and key performance indicators (KPIs) for the section. Optimizes performance of the section by meeting or exceeding the established KPI performance benchmarks.

Organizes and applies section's standards, procedures, systems, and guidelines.

Implements policies, programs, operating procedures, and practices for the section and effectively manages operating costs. Ensures all budgets remain at or below established targets.

Coaches, mentors, and challenges staff. Champions continuous improvement, including devising new strategies and new opportunities. Leads staff development initiatives that include training, development, and succession planning.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Fosters an atmosphere of innovation in order to challenge the organization to think creatively, especially as it relates to positive citizen and customer experience opportunities.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
