

Office of Human Resources
Field Superintendent - CJ1917
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs second level supervisory responsibilities over skilled trade supervisors, crew supervisors, and employees involved in City field operations such as the collection of solid waste and the maintenance of City parks and urban forests.

Distinguishing Characteristics

The Field Superintendent class performs second level supervisory duties. This class is distinguished from the Operations Supervisor class that supervises non-supervisory and/or working supervisory employees involved in the operation, construction, maintenance and/or repair of City facilities and infrastructure, the collection and disposal of solid waste, or the maintenance of City parks and urban forests. The Field Superintendent is also distinguished from the Facilities Superintendent, which performs second level supervisory responsibilities over skilled trades employees involved in the maintenance, repair, or construction of City facilities. The Field Superintendent is also distinguished from the Manager I classification, which manages an operational and/or functional area(s) and performs some elements of supervision by recommending and implementing plans, procedures, policies, programs, and projects.

Essential Duties

Directs and supervises subordinate supervisors and staff involved in the collection and disposal of solid waste, construction projects, field parking operations, and/or the maintenance of City parks and urban forests.

Develops and manages the budget for the division or work functions and allocates funds within the budget to accomplish objectives.

Develops and monitors work teams or units and assigns staff to efficiently and effectively accomplish the division's goals and objectives.

Implements and interprets policies and procedures developed by higher level managers for the assigned division and recommends establishment or modification of policies and procedures.

Researches, develops, recommends, and implements staff training and development programs that provide opportunities for individual employee growth, continuity of work flow during employee absences, and long range development of employees.

Researches and resolves operational and unforeseen procedural problems and addresses other concerns as directed or necessary.

Coordinates projects with other City agencies and/or departments, customers, and handles sensitive public relations problems.

Implements safety and security standards and develops procedures to ensure compliance, effectiveness, and efficiency of unit activities and safety standards.

Reviews, develops, and/or modifies work plans, methods, and procedures, determines work priorities, and develops work schedules to provide adequate staff coverage. Provides work instruction, assists employees with difficult and/or unusual assignments, and encourages innovation. Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Conducts hiring interviews and selects candidate(s) for job opening(s).

Resolves problems, mediates conflicts encountered during daily operations, determines appropriate solutions, and promotes teamwork. Encourages regular communication and informs staff of relevant business issues and their impact on the organization.

Develops the performance enhancement plan, documents performance, provides performance feedback, formally evaluates the work of the employee, and provides reward and recognition for proper and efficient performance. Develops and implements training and development plans and opportunities for subordinate staff.

Encourages and guides others toward goals.

Ensures quality, effectiveness, and efficiency of unit activities and safety measures.

Documents causes for disciplinary action, initiates letters of reprimand, and makes formal recommendations for disciplinary action. Responds to formal and informal employee grievances and prepares written responses.

By position, inspects and approves contract work in progress and upon completion ensures compliance with approved plans and specifications.

By position, ensures the agency's compliance with federal and state regulations and requirements.

By position, may be required to be on-call to address emergent needs.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Decision Making – Specifies goals and obstacles to achieving those goals, generates alternatives, considers risks, and evaluates and chooses the best alternative in order to make a determination, draw conclusions, or solve a problem.

Delivering Results - Sets high standards for quality, quantity, and timelines. Focuses on customer needs and satisfaction. Consistently achieves project goals.

Influencing - Collaborates with, persuades and influences others.

Reading - Understands and interprets written material including technical material, rules, regulations, instructions, reports, charts, graphs, or tables and applies what is learned from written material to specific situations.

Technical Competence – Uses knowledge that is acquired through formal training or extensive on-the-job experience to perform one's job; works with, understands, and evaluates technical information related to the job; advises others on technical issues.

Coaching - Provides others with clear direction, motivates, and empowers. Recruits staff of a high caliber and provides staff with development opportunities and coaching.

Written Communication – Composes, reviews, edits, and issues written materials for diverse audiences and communicates purpose in a succinct and organized manner that is appropriate for context, time, and place.

Knowledge & Skills
