

Office of Human Resources
Financial Executive - CV2794
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Directs financial functional and/or operational areas that include establishing a multi-year vision and strategic plan for the organization, optimizes resource allocations, and ensures the organization accomplishes annual goals and strategic initiatives.

Distinguishing Characteristics

There are four classes in the Financial Management Series (Financial Manager, Financial Director, Financial Executive, and City Controller). The Financial Manager is a first level management class. A Financial Manager oversees work groups/areas within a division or agency and is generally responsible for supervising first or second line supervisors and/or individual contributors. A Financial Manager position is operationally and/or functionally focused.

The Financial Director is a mid-level management class. A Financial Director manages a division or agency and is generally responsible for supervising managers, supervisors, and individual contributors. A Financial Director position is operationally and/or functionally focused as well as strategically focused.

The Financial Executive is the highest level of management class in the city other than appointees or elected officials. A Financial Executive directs multiple divisions and is generally responsible for supervising directors, managers, supervisors, and individual contributors. A Financial Executive position is strategically focused.

The City Controller is a one incumbent class. The City Controller directs multiple divisions and is generally responsible for supervising directors, managers, supervisors, and individual contributors. The City Controller position is strategically focused.

Essential Duties

Directs multiple divisions in a department or agency in such areas as Accounting, Budget, Assessment, Treasury, Cash Management, Debt, Investments, Real Estate, Internal Control and Compliance, and Risk Management.

Establishes the long-term vision and strategic plan for the organization in conjunction with the appointing authority and other executives, directors, and managers while integrating the perspectives of policy makers and elected officials into plans.

Manages the development and implementation of the organization's goals, objectives, policies, and priorities that enables employees and the organization to be successful now and in the future.

Creates overall organizational design and optimizes resource allocations based on the long-term vision of the organization and available financial resources.

Provides leadership and direction to directors, managers, and staff members to ensure the continued development and management of an efficient organization. Establishes effective decision-making processes that achieve goals and objectives.

Resolves complex issues with multiple internal and external stakeholders which add value to the overall management of the organization.

Represents the department in meetings with elected and/or appointed officials and other city entities. Serves as the city representative with a variety of public, business, and community organizations and fosters collaborative relationships to the benefit of the organization.

Ensures divisions/department accomplish annual work plans, strategic initiatives, and performance standards.

Creates and promotes a positive, inclusive work environment that supports consistency throughout the organization's strategic and operational methods.

Oversees the financial status of the organization including developing long and short-range financial plans. Monitors the budget to ensure sound financial controls are in place. Sets financial priorities to ensure the organization is operating in a manner that supports the city's financial goals.

Selects, trains, develops, and evaluates subordinate staff. Makes decisions on hiring, terminations, promotions, and disciplinary actions as required.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Performs other related duties as assigned.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Thinking Strategically - Thinks strategically and promotes best practices and leading-edge ideas.

Deciding and Initiating Action - Takes responsibility for actions, projects and people; makes quick, clear decisions which may include tough choices, after considering risks.

Delivering Results - Sets high standards for quality, quantity, and timelines. Focuses on customer needs and satisfaction. Consistently achieves project goals.

Persuading and Political Influence - Gains clear agreement and commitment from others by persuading, convincing and negotiating. Makes effective use of political processes to influence others.

Technical Competence - Uses knowledge that is acquired through formal training or extensive on-the-job experience to perform one's job; works with, understands, and evaluates technical information related to the job; advises others on technical issues.

Coaching - Provides others with clear direction, motivates, and empowers. Recruits staff of a high caliber and provides staff with development opportunities and coaching.
