Office of Human Resources
Fire Alarm Technician - CJ3034
THIS IS A PUBLIC DOCUMENT

General Statement of Duties
Performs journey level skilled technical trades work to install, maintain, repair, inspect, and troubleshoot fire alarm systems for City facilities including fire alarms, fire suppression, and smoke detection systems.

Distinguishing Characteristics
This is a unique classification in the skilled trades and is distinguished from other trades classes due to the specialized training and experience required for each classification.

Essential Duties
Install, program, configure, commission, maintain, troubleshoot, perform diagnostics, and repair of fire alarm systems and fire suppression systems.

Ensure compliance with NFPA, including performing annual device testing for fire alarm systems and complete and maintain all records required by NFPA-72.

Performs basic programming for electronic components of fire alarm systems.

Assist in testing of fire systems including fire sprinkler valves, smoke control systems

Perform fire alarm system take offs and layout.

Maintain and rewire pressure and flow switches.

Responds to electrical service or trouble calls, troubleshoots various problems/issues, and provides problem resolution.

Prepares working sketches and works from blueprints, schematics, and written or verbal instructions.

Prioritizes daily work orders and repairs.

Estimates materials, labor, and equipment costs.

Maintains records and prepares daily activity reports and follow applicable building codes.

Assists in the maintenance and repair work in a variety of skilled trades areas.

By position, may be required to be on-call to address emergent needs.

By position, perform snow removal duties.

By position, responds to after hours calls or emergency calls outside of normal scheduled or business hours.

Performs other related duties as assigned.

Employees may be re-deployed to work in other capacities in their own agencies or in other City agencies to support core functions of the City during a City-wide emergency declared by the Mayor.
Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

**Competencies**

Attention of Detail – Is thorough when performing work and conscientious about attending to detail.

Customer Service – Works with customers to assess needs, provide assistance, resolves problems, and satisfy expectations, knows products and services, and is committed to providing quality products and services.

Oral Communication - Expresses information to individuals or groups effectively; taking into account the audience and nature of the information; makes clear and convincing oral presentations; listens to others, attends to nonverbal cues and responds appropriately.

Reading - Understands and interprets written material, including technical material, rules, regulations, instructions, reports, charts, graphs or tables; applies what is learned from written material to specific situations.

Technical Competence – Uses knowledge that is acquired though formal training and extensive on-the-job experience to perform one’s job, works with, understands, and evaluates technical information related to the job, and advises others on technical issues.

Technical Problem Solving – Troubleshoots, diagnoses, analyzes, and identifies system malfunctions to determine the source and cause of problems.

**Knowledge & Skills**

Knowledge of safety hazards and necessary safety precautions sufficient to be able to establish a safe work environment for self and others.

Knowledge of electrical equipment, components, instruments, and burglar and fire alarm systems including installation, testing, uses, repair, and maintenance.

Knowledge of machines and tools including their designs, installation, uses, repair, and maintenance.

Knowledge of electronic theory, circuits, components, and material properties (excluding computers).

**Level of Supervision Exercised**

By position, performs lead work.

**Education Requirement**

Graduation from high school or the possession of a GED, HiSET or TASC Certificate.

**Experience Requirement**

Five (5) years of experience in fire alarm or fire detection systems.

**Education & Experience Equivalency**

A combination of appropriate education and experience may be substituted for the minimum education and experience requirements.

**Licensure & Certification**

By position, requires a valid Driver's License at the time of application.
By position, requires a valid Commercial Driver's License (CDL "B") with appropriate endorsements prior to completion of probation period.

Must possess a Denver Fire Department Fire Alarm Installers License at time of application.

By position, requires a Mass Notifications System (MNS) License

Licenses and certifications must be kept current as a condition of employment.

### Working Environment

Atmospheric Conditions: conditions that affect the skin, eyes or respiratory system.
- Potential exposure to cement dust
- Potential exposure to chemicals, gas and low-level radiation
- Potential exposure to cold temperature, cold enough to cause bodily discomfort
- Potential exposure to cold weather conditions (indoor/outdoor)
- Potential exposure to conditions that affect the skin or respiratory system.
- Potential exposure to dust
- Potential exposure to extreme temperature changes
- Potential exposure to hazardous anesthetic agents, body fluids, and bio-wastes
- Potential exposure to hazardous conditions where there is a danger to life, body, and/or health
- Potential exposure to hazardous/toxic chemicals
- Potential exposure to hazards from electro/mechanical/power equipment.
- Potential exposure to hazards of steam and heat
- Potential exposure to heat temperatures, hot enough to cause bodily discomfort
- Potential exposure to hot and humid work environment
- Potential exposure to housekeeping/cleaning agents/chemicals.
- Potential exposure to humid conditions with high moisture content to cause bodily reactions
- Potential exposure to odorous chemicals
- Potential exposure to odors in animal areas
- Potential exposure to odors in kitchen and animal areas
- Potential exposure to temperature changes: variations in temperature from hot too cold
- Potential exposure to toxic chemicals.
- Potential exposure to unpleasant elements (accidents, injuries, and illness).
- Extreme cold conditions
- Handles emergency or crisis situations
- Noise sufficient to cause distraction or possible hearing loss
- Personal Safety: aware of surroundings, people, and events
- Pressure due to multiple calls and inquiries
- Subject to burns and cuts
- Subject to electrical and radiant energy hazards
- Subject to hazards of flammable or explosive gases
- Subject to injury from moving parts of equipment or vehicles
- Subject to precarious or high locations
- Subject to pressure for multiple calls, inquiries, and interruptions
- Subject to varying and unpredictable situations
- Subject to traffic, roadways, and pedestrians
- Subject to vibrations and strain on the body to cause bodily harm if endured daily
- Temperature Changes: variations in temperature from hot too cold.
- Temperature Changes: variations in temperatures from hot too cold when works in field
- Wet: frequent contact with water or other liquid.
- Wet: frequent contact with water, liquid, chemicals, or sanitary sewage
Works in confined, uncomfortable or awkward locations
Works in precarious or high locations.

**Level of Physical Demand**

4-Heavy (50-100 lbs.)

**Physical Demands**

(Physical Demands are a general guide and specific positions will vary based on working conditions, locations, and agency/department needs).

Agility: Ability to move quickly and easily.
Balancing: Maintaining equilibrium.
Carrying: Transporting or moving an object.
Climbing: Ascending or descending an object or ladder.
Color vision: Ability to distinguish and identify different colors.
Crawling: Moving about in a low or crouched position.
Crouching: Positioning body downward and forward.
Depth Perception: Ability to judge distances and space relationships.

Eye/Hand/Foot Coordination: Performing work through using two or more body parts or other devices.
Feeling: Perceiving attributes of objects by means of skin receptors, communication, or otherwise.
Field of Vision: Ability to sharply detect or perceive objects peripherally.
Fine Dexterity: Sufficient coordination to operate a vehicle and manipulate objects.
Fingering: Picking and pinching, through use of fingers or otherwise.
Handling: Seizing, holding, grasping, through use of hands, fingers, or other means.
Hazards: Conditions where there is danger to life, body and/or health.

Hearing: Perceiving and comprehending the nature and direction of sounds.
Hearing/Talking: Perceiving and comprehending the nature and direction of sounds/ability to communicate ideas.
Hiking: Moving about on uneven surfaces, and at high altitude.
Jogging: Ability to transport oneself over a two-mile distance at an efficient speed.
Kneeling: Assuming a lowered position.
Lifting: Moving objects weighing no more than 50 pounds from one level to another.

Neck Flexion: Perceiving objects located above or below.
Oral Comprehension: Ability to discern the meaning of oral speech.
Physical Strength: Exerts force to transport objects of 50 pounds or more.
Pulling: Exerting force upon an object so that it is moving to the person.
Pushing: Exerting force upon object so that it moves away from the person.
Reaching: Extending the hands and arms or other device in any direction.
Repetitive motions: Making frequent or continuous movements.
Running: Quickly traverse a distance of over 50 yards.
Running: Quickly traverse a distance of under 50 yards.
Running: Ability to quickly pursue an animal for 60 seconds.
Sitting: Remaining in a stationary position.
Stamina: Ability to work over long periods of time without tiring.
Standing: Remaining in a stationary position.
Stooping: Positioning oneself low to the ground.
Talking: Communicating ideas or exchanging information.
Vision: Ability to perceive animal behavior, comprehend signs, and detect color.
Vision Far Acuity: Ability to perceive or detect objects clearly at 20 feet or more.
Vision Near Acuity: Ability to perceive or detect objects at 20 inches or less.
Walking: Ability to move or traverse from one location to another.
Written Comprehension: Ability to discern the meaning of written words.
