THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs specific fiscal activities or projects within a specialized functional area with department-wide impacts, which requires a thorough foundation in the principles and practices of the functional area in order to maintain and improve the efficiency and effectiveness of the functional area, and provides administrative direction to department leaders with regard to strategic planning associated with the functional area.

Distinguishing Characteristics

The Fiscal Administrator I has division level responsibilities and may have some departmental responsibilities within a defined scope. This classification typically reports to a manager or a Fiscal Administrator II.

The Fiscal Administrator II has department level responsibilities and may have some citywide responsibilities within a defined scope. This classification typically reports to a director or a Fiscal Administrator III.

The Fiscal Administrator III has citywide responsibilities or department-wide responsibilities with citywide impacts or implications. This classification typically reports to an executive level position.

Administrator Definition:

The administrator serves as a technical expert with regard to fiscal matters and is a resource within the specialized functional areas of accounting, budgeting, or finance, resolves complex and technical issues, designs business systems and processes, and creates policies and procedures in alignment with fiscal rules and regulations that directly impact the day-to-day operations within the specialized functional area.

Additionally, administrators are focused on functional area activities and projects and not the supervision or management of staff. An administrator may perform supervision or lead work; however, these duties are not the primary focus of the position. The primary focus of the position is subject matter expertise within a specialized functional area.
