

Office of Human Resources
Internal Audit Manager AO - CV3305

THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Manages audits and supervises teams of professional auditors employed by the Auditor's Office engaged in conducting citywide internal audits, including performance, financial, IT and compliance audits. Implements work plans based on annual goals and the annual audit plan and prepares reports in accordance with Generally Accepted Government Auditing Standards (GAGAS) to ensure compliance with rules and policies, and measures performance for efficiencies.

Distinguishing Characteristics

The Internal Audit Manager AO oversees a team or several teams within the division and is generally responsible for supervising all auditor job classifications.

The Internal Audit Manager AO is distinguished from the Internal Auditor Lead, which manages the day-to-day responsibilities of an audit which does not encompass full performance level supervisory responsibilities.

The Internal Audit Manager AO is distinguished from the Internal Auditor Director AO, which is a mid-level management class. An Internal Audit Director AO manages a division and is generally responsible for supervising/directing managers, supervisors, and/or individual contributors. An Internal Audit Director AO position is operationally and/or functionally focused as well as strategically focused.

Essential Duties

Manages/supervises internal auditors engaged in conducting performance, financial, compliance, and contract audits and evaluations of city organizations and programs that include, but are not limited to effectiveness, efficiency, public policy assessment, governance, and internal control and compliance objectives. Required by City Charter and statute to audit under professional GAGAS.

Works with Audit Services leadership to make initial assessment of audit subjects by researching best practices, trends, and historical and current data, along with related laws, policies, procedures, methods and/or practices, identifying risks, defining the scope of work, developing the methodology for the collection of relevant data, and assembling and designating data into meaningful formats.

Manages and coordinates auditing functions and activities to improve processes, performance, and facilitates studies and projects supporting the Audit Directors. Monitors the evaluation of organizational operations and program recommendations for potential areas of improvement.

Reviews and interprets new legislation and statutes, determines impacts to business operations, and implements changes to ensure compliance as part of managing the audit process.

Subject matter expert in the area of performance and/or financial auditing and related activities, guiding management with decision making, and acts as a liaison in guiding agencies and departments in matters of operational performance and compliance.

Reviews, develops, or modifies work plans, methods and procedures, determines work priorities, and develops work schedules to provide adequate staff coverage. Provides work instruction and assists employees with difficult or unusual assignments. Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Oversees and facilitates the audit process for all assignments and conducts quality assurance activities throughout all phases of the audit.

Oversees and facilitates all aspects of monitoring third-party contractors conducting financial, compliance and performance assessments, audits, and evaluations including planning, reviewing findings and recommendations, reviewing reports, and participating in the development of Requests for Proposals and contractor selection.

Conducts hiring interviews and assists with selection of candidates for job openings.

Resolves problems and mediates conflicts encountered during daily operations, and determines appropriate solutions, while promoting teamwork. Encourages regular communication and informs staff of relevant business issues and their impact on the organization.

For each audit, develops individual goals, documents performance, provides performance feedback, and formally evaluates the work of the employee on that audit. Provides guidance to staff throughout each phase of the engagement and coordinates with Audit Directors as needed to address assignment issues or concerns.

Presents audits, findings, and recommendations to the City's Audit Committee, which is televised to the public. Communicates well in writing and verbally with internal and external stakeholders.

For assigned direct reports, develops individual goals, summarizes performance from throughout the year, participates in division calibration meetings, updates management regularly, and provides annual performance feedback; coaches and mentors administrative direct reports; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Develops and implements training plans and programs under the Audit Directors' guidance.

Documents causes for disciplinary action, initiates letters of reprimand, and makes formal recommendations for disciplinary action. Responds to formal and informal employee grievances and prepares written responses.

Fosters an atmosphere of innovation in order to challenge the organization to think creatively, especially as it relates to value added in the recommendations and presentations provided to auditees and residents of Denver.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Administration and Management – Knowledge of business and management principles involved in strategic planning, resource allocation, leadership technique, production methods, and coordination of people and resources.

Coaching - Provides others with clear direction, motivates, and empowers. Recruits staff of a high caliber and provides staff with development opportunities and coaching.

Critical Thinking — Uses logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems.

Decision Making – Makes sound, well informed, and objective decisions, perceives the impact and implications of decisions, commits to action, even in uncertain situations, to accomplish organizational goals, causes change.

Integrity/Honesty - Displays a high standard of ethical conduct and understands the impact of violating these standards on an organization, self and others; chooses an ethical course of action; is trustworthy.

Influencing - Collaborates with, persuades and influences others.

Interpersonal Skills - Shows understanding, friendliness, courtesy, tact, empathy, cooperation, concern, and politeness to others and relates well to different people from varied backgrounds and different situations.

Manages and Organizes Information – Identifies a need; gathers, organizes, and maintains information; determines its importance and accuracy, and communicates it by a variety of methods.
