

Office of Human Resources
Internal Auditor Associate - CV3044
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Performs intermediate level professional auditing work, conducting internal audits, including performance, financial, IT and compliance audits, preparing reports in accordance with Generally Accepted Government Auditing Standards to ensure compliance with rules and policies, and measures performance for efficiencies.

Distinguishing Characteristics

The Associate Internal Auditor is distinguished from the Staff Internal Auditor, which performs entry-level auditing work while in training and under close supervision; and, is distinguished from the Senior Internal Auditor, which performs full performance level auditing work and assignments.

Essential Duties

Assists with conducting performance, financial, compliance, and contract audits and evaluations of city organizations and programs that include, but are not limited to effectiveness, efficiency, public policy assessment, governance, and internal control and compliance objectives as defined by Generally Accepted Government Auditing Standards.

Researches best practices, performance benchmarks, industry trends, applicable laws, policies, procedures, and methods, and academic literature in order to measure program and organizational activities, and develop a working knowledge of processes, in order to decrease time, streamline processes and services, and ensure compliance with rules and policies.

Assists with designing audit procedural plans, which includes developing overall purpose, timeline, and criteria standards, defining scope of work and objectives, and determining fieldwork activities.

Assists with the development of a wide range of qualitative and quantitative procedures and methodologies to review and evaluate business practices, operations, and records.

Assists with the development of surveys and questionnaires, and conducts fieldwork (interviews and investigations) to gather information, work samples, evidence, and gain an understanding of business operations and procedures.

Applies audit procedures, methodologies, and generally accepted auditing standards in examining records and documents, evaluating operational efficiencies, effectiveness, and internal controls to ensure transactions are properly recorded and in compliance of policies and procedures.

Statistically analyzes data, information, and records, in order to assemble and configure findings into meaningful formats in supporting conclusions and recommendations.

Assists with the preparation and presentation of final audit reports to stakeholders and client organizations, which includes identifying and developing audit findings and supporting conclusions, determining efficiency and effectiveness of processes, summarizing areas of concern or risk, and recommending courses of action for compliance.

Ensures performance audits are conducted in compliance with generally accepted auditing standards and associated city rules and policies, and collaborates with internal review processes.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
