BY AUTHORITY

ORDINANCE NO.__________  COUNCIL BILL NO. CB21-
SERIES OF 2021  COMMITTEE OF REFERENCE:
FINANCE AND GOVERNMENT

A BILL

For an ordinance relocating Denver’s medical marijuana code into Chapter 6 and
combining it with Denver’s retail marijuana code, renaming Chapter 6 to Alcohol
Beverages and Cannabis, providing for additional local license types authorized
by state law, and making conforming amendments to the Code pursuant to state
law.

BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:

Section 1. Amend the title of Chapter 6, D.R.M.C. by adding the language underlined and
deleting the language stricken, to read as follows:

Chapter 6 – ALCOHOL BEVERAGES AND RETAIL MARIJUANA CANNABIS

Section 2. Article V of Chapter 6 shall be repealed and reenacted to read as follows:

ARTICLE V. – DENVER MARIJUANA CODE

Sec. 6-200. – Purpose and legislative intent.

The purpose of this article V is to exercise the authority of the City and County of Denver to
allow state-licensed medical and retail marijuana businesses to exist in the city in accordance with
applicable state laws and regulations as well as the additional local licensing requirements set forth
herein. The intent of this article V is to align the local licensing of medical and retail marijuana
businesses with the licensing framework utilized by the state licensing authority and to provide
additional necessary local regulations including, but not limited to, reserving certain licenses for
social equity applicants and prescribing limitations related to proximity, location, and operation.

Sec. 6-201. – Local licensing authority.

The director is hereby designated as the local licensing authority for purposes of
administering the Colorado Marijuana Code and this article V. The director shall have the power to
determine the qualifications of applicants, set conditions for licensure, and determine whether
marijuana licenses should be issued, denied, renewed, suspended, fined, or revoked, pursuant to
the procedures and standards set forth in this article V and chapter 32 of this Code.

Sec. 6-202. - Relationship to Colorado Marijuana Code.

Except as otherwise specifically provided herein and in chapter 32 of this Code, this article
V incorporates the licensing requirements set forth in the Colorado Marijuana Code.
Sec. 6-203. - Effective date; no vested rights.

(a) Effect on existing licenses and pending applications. Upon the effective date of this article V, all marijuana business licenses previously issued by the Department shall be deemed to reflect the corresponding license type listed in section 6-205(b). All applications currently pending before the department will continue to be processed subject to provisions applicable at the time of application.

(b) No entitlement or vested right to licensing. No person shall be deemed to have any entitlement or vested right to local licensing under this article V by virtue of having applied for or having received any prior license or permit from the city or the state.

Sec. 6-204. – Defined terms.

Except as provided below, the definitions set forth in subsection 16(2) of article XVIII of the Colorado Constitution and the definitions set forth in the Colorado Marijuana Code, shall apply equally to this article V. In addition, the following terms shall have the meanings respectively assigned to them:

(1) Advertise, advertising, or advertisement means the act of drawing the public's attention to a medical or retail marijuana business in order to promote the sale of cannabis by a medical or retail marijuana business or consumption of marijuana in a marijuana business.

(2) Alcohol or drug treatment facility means any treatment facility, located within the city, licensed or approved by the state office of behavioral health in the department of human services, as provided in Articles 80, 81, and 82 of Title 27 of the Colorado Revised Statutes, as amended.

(3) Applicant means any person applying for a medical or retail marijuana business license, including a social equity applicant.

(4) Cannabis means regulated marijuana, industrial hemp, and industrial hemp product.

(5) Child care establishment means any child care establishment as defined by and regulated under chapter 11 of this Code.

(6) Colorado Marijuana Code means Article 10 of Title 44 of the Colorado Revised Statutes, as amended, and the rules and regulations adopted pursuant thereto.

(7) Common ownership means two or more licenses that share at least one person that holds an ownership interest in each license.

(8) Consumer goods means goods primarily used for personal, family, or household purposes, but does not include vehicles.
(9) **Continuous operation** means that the regular sale of medical marijuana has occurred at the subject location without interruption by a medical marijuana store. Continuous operations shall be deemed to have ceased if any of the following occur:

a. The sale of marijuana at the subject location has suspended or ceased for a period longer than ninety (90) consecutive days, unless the suspension or cessation was due to factors outside of the licensee's control as determined by the director; or

b. The subject location is owned, leased, or otherwise occupied for a use other than the sale of marijuana; or

c. The state or local medical marijuana center or store license issued for the subject location has expired, is not renewed, is surrendered, changes location, or is revoked.

(10) **Department** means the Denver Department of Excise and Licenses.

(11) **Director** means the director of the Denver Department of Excise and Licenses.

(12) **Licensee or Permittee** means any person holding a valid medical or retail marijuana business license or permit issued by the department.

(13) **Location** means a structure(s) or building(s) identified by a distinct street address assigned by the city in accordance with article IV of chapter 49 of this Code. To the extent the structure(s) or building(s) consists of separately described "units," "suites," "rooms," "buildings," or other similar subdivisions, the structure(s) or building(s) shall nevertheless be counted as one (1) location.

(14) **Neighborhood of undue concentration of cultivation facility locations** means the five (5) statistical neighborhoods where the highest number of licensed medical and retail marijuana cultivation facility locations exist, as calculated no more than 90 days after the effective date of this article V for 2021, and by December 31 of each year thereafter. To the extent there is a tie between two (2) or more statistical neighborhoods with the statistical neighborhood having the fifth most licensed locations, then all such neighborhoods shall be treated as neighborhoods of undue concentration of cultivation facility locations.

(15) **Neighborhood of undue concentration of marijuana store locations** means the five (5) statistical neighborhoods where the highest number of licensed medical and retail marijuana store locations exist, as calculated no more than 90 days after the effective date of this article V for 2021, and by December 31 of each year thereafter. To the extent there is a tie between two (2) or more statistical neighborhoods with the statistical neighborhood having the fifth most licensed locations, then all such neighborhoods shall be treated as neighborhoods of undue concentration of marijuana store locations.
(16) *Party in interest* means any of the following:

a. The applicant;
b. An adult resident of the neighborhood under consideration;
c. The owner or manager of a business located in the neighborhood under consideration;
d. An authorized representative of a registered neighborhood organization that encompasses all or part of the neighborhood under consideration; or
e. Any member of city council elected from a district that encompasses all or any part of the neighborhood under consideration.

(17) *Person* means any firm, corporation, association, or other organization acting as a group or unit as well as a natural person. It shall also include an executor, administrator, trustee, receiver, or other representative appointed according to law.

(18) *Private residence* includes, but is not limited to, a private premise where a person lives such as a private dwelling, a place of habitation, a house, a multi-dwelling unit for residential occupants, or an apartment unit. Private residence does not include any premises located at a school, on the campus of an institution of higher education, public property, alcohol or drug treatment facility, or any commercial property unit including, but not limited to, offices or retail space.

(19) *Safe* means a metal box capable of being locked securely, constructed in a manner to prevent opening by human or mechanical force, or through the use of common tools, including but not limited to hammers, bolt cutters, crow bars or pry bars.

(20) *School* means a public or private preschool, elementary school, middle school, junior high school, or high school.

(21) *Social equity applicant* means a person applying for a new marijuana business license, or being transferred a marijuana business license, who is or has one or more beneficial owners who hold, or collectively hold, an ownership percentage of at least fifty-one percent, each of whom satisfy the following criteria:

a. Is a Colorado resident;
b. Has not been the beneficial owner of a license subject to disciplinary or legal action from the state licensing authority or the department resulting in the revocation of any marijuana business license issued by the department or the state licensing authority;
c. Has demonstrated at least one of the following:

i. The applicant has resided for at least fifteen (15) years between the years 1980 and 2010 in a census tract designated by the Colorado Office of Economic Development.
and International Trade as an opportunity zone or designated by the state licensing authority as a disproportionate impacted area;

   ii. The applicant or the applicant’s parent, legal guardian, sibling, spouse, child, or minor in their guardianship was arrested for a marijuana offense, convicted of a marijuana offense, or was subject to civil asset forfeiture related to a marijuana investigation; or
   iii. The applicant’s household income in the year prior to application did not exceed an amount determined by the state licensing authority rule governing social equity license qualifications.

(22) Statistical neighborhood means the geographical neighborhood boundaries established by the City and County of Denver in 1970 in conjunction with the Community Renewal Program.

Sec. 6-205. - License or permit required; classes of licenses or permits authorized.

(a) License required. It shall be unlawful for any person, whether or not they are licensed in another jurisdiction, to engage in any form of business or commerce involving marijuana within the city without a valid local license or permit issued pursuant to this article V authorizing that business and a corresponding state license or permit issued pursuant to the Colorado Marijuana Code authorizing the same business.

(b) Classes of licenses or permits authorized. For the purpose of regulating the cultivation, manufacture, research and development, testing, transportation, storage, sale or distribution, offering for sale, and delivery of regulated marijuana, the director may issue a local license or permit of any of the following classes, subject to the provisions and restrictions provided in this article V and the Colorado Marijuana Code:

   (1) Medical marijuana store license;
   (2) Medical marijuana delivery permit;
   (3) Medical marijuana cultivation facility license;
   (4) Medical marijuana products manufacturer license;
   (5) Medical marijuana testing facility license;
   (6) Medical marijuana transporter license;
   (7) Medical marijuana off-premises storage facility permit;
   (8) Marijuana research and development license;
   (9) Retail marijuana store license;
   (10) Retail marijuana delivery permit;
   (11) Retail marijuana cultivation facility license;
(12) Retail marijuana products manufacturer license;
(13) Retail marijuana testing facility license;
(14) Retail marijuana transporter license; and
(15) Retail marijuana off-premises storage facility permit.

Sec. 6-206. – City-wide moratorium on certain medical marijuana business licenses; licenses reserved for social equity applications – sunset.

(a) Moratorium on certain new medical marijuana licenses.

(1) The director shall not accept any application for a new medical marijuana store.

(2) The director shall not accept any application for a new medical marijuana cultivation facility.

(b) Licenses to be reserved for social equity applicants – exceptions; sunset. The director may only accept applications for new medical marijuana products manufacturer, medical marijuana transporter, and retail marijuana business licenses from social equity applicants except that the director may accept applications for new retail or medical marijuana business licenses from any applicant in the following instances:

(1) The applicant is applying for a medical or retail marijuana testing facility license or a marijuana research and development license; or

(2) The applicant is applying for a retail marijuana business license that will be co-located with a medical marijuana business of the same type in compliance with this article V.

(c) Report to City Council. The director shall report in writing to city council by July 1, 2026 regarding the exclusive issuance of certain licenses to social equity applicants.

(d) Sunset of social equity exclusivity. Subsection (b) of this section 6-206 shall be repealed effective July 1, 2027.

Sec. 6-207. - Application requirements.

All applications for local licensing shall be made in the manner provided by the director. In addition to information required by chapter 32 of this Code, the applications shall contain the following information:

(1) A social impact plan containing the information required by the director, as well as the following:

a. The name, telephone number, and email address of the person affiliated with the applicant or licensee who is responsible for oversight and implementation of the social impact plan;

b. A description of the procedure(s) the applicant or licensee will use to timely
address concerns of residents, registered neighborhood organizations, and businesses within the neighborhood surrounding the licensed premises;

c. A list of all registered neighborhood organizations whose boundaries encompass the location of the licensed premises and a description of the applicant or licensee's plan to engage with each registered neighborhood association;

d. A description of the applicant or licensee's diversity and inclusion practices in hiring and employment, including any specific metrics to be used in measuring the success of its programs;

e. A description of the applicant or licensee's sustainability practices, including any specific metrics to be used in measuring the success of its programs;

f. A description of the applicant or licensee's plan to foster participation in the regulated marijuana industry by people from communities that have previously been disproportionately harmed by marijuana prohibition and enforcement in order to positively impact those communities, including any specific metrics to be used in measuring the success of its programs; and

g. A description of how members of the public can access the applicant's social impact plan;

(2) Documentation establishing that the applicant qualifies as a social equity applicant as defined in this article V, if applicable; and

(3) Any supplemental materials the director deems necessary to implement or enforce this article V and the Colorado Marijuana Code.

Sec. 6-208. Provisions applicable to all licenses.

(a) Inspections and permits. The director shall not issue a local license or approve any material and substantial modification of a licensed premises until the applicant has completed all required inspections and received all necessary permits, including, but not limited to right-of-way permits, zoning permits, and fire and building permits.

(b) Corresponding state license. The director shall not issue a local license unless the applicant produces a valid corresponding license issued by the state licensing authority under the Colorado Marijuana Code, including an accelerator business license of the same type.

(c) Compliance with state law. In addition to the requirements set forth in this article V, all medical and retail marijuana business licenses shall comply with all applicable provisions in the Colorado Marijuana Code.

(d) Records. A licensee must provide on-demand access to on-premises records, including
records related to the inventory tracking system and video surveillance, following a request from
any law enforcement officer of the city, inspector of the city, or other city official, during normal
business hours or hours of apparent operation, and must provide access to off-premises records
within three (3) business days following a request.

(e) Background checks. Prior to the issuance of any local license, the director may make a
finding and determination as to the applicant’s compliance with section 44-10-307, C.R.S., as
amended. In so doing, the director may incorporate any findings previously made by the state
licensing authority and consider whether convictions, including marijuana convictions, pose a threat
to the regulation or control of marijuana. The director shall not be required to perform a criminal
background check if the state licensing authority has already performed a criminal background
check on the applicant.

(f) Shared premises of a medical and retail marijuana business. Medical and retail marijuana
businesses may only share the same licensed premises to the extent allowed by the Colorado
Marijuana Code.

(g) Social impact plan to be made public. Medical and retail marijuana businesses shall
ensure that social impact plans on file with the department are made publicly available.

Sec. 6-209. - Marijuana store licenses.

(a) Operational requirements. In addition to the provisions applicable to all licenses, all
medical and retail marijuana store licensees shall comply with the following provisions:

(1) Medical and retail marijuana stores shall not transfer, sell, or otherwise distribute
cannabis between the hours of 12:00 a.m. and 8:00 a.m. daily.

(2) Medical and retail marijuana stores shall not transfer, sell, or otherwise distribute
more regulated marijuana in a single transaction to a consumer than the lawful amounts related to
possession and sale set forth in state law. A single transaction includes multiple transfers, sales, or
distributions to the same consumer during the same business day where the medical or retail
marijuana store employee knows or reasonably should know that such transfer, sale, or distribution
would result in that consumer possessing or being sold more than the amounts set forth in state
law.

(3) Beginning January 1, 2022, medical and retail marijuana stores shall install and
use a safe in a limited access area, which shall be incorporated into the building structure or securely
attached thereto, for overnight storage of all processed cannabis and cash. For marijuana-infused
products that must be kept refrigerated or frozen, the establishment may lock the refrigerated
container or freezer, so long as the appliance is affixed to the building structure. Alternatively, a
business may utilize security devices such as vaults, strong rooms or other security features that are functionally equivalent to a safe as determined by Department rule.

(4) All walk-up, drive-up, or curbside pickup services must comply with any applicable zoning, public health, building and fire, transportation and infrastructure, or other local requirements; any additional safety, security, compliance procedures, or required signage established by Department rule; and, any other requirements established by the state licensing authority.

(b) Proximity Restrictions. No medical or retail marijuana store license shall be issued if the proposed location is within 1,000 feet of one or more of the following locations:

(1) Any school, with the distance computed by direct measurement in a straight line from the nearest legal parcel line of the land used for the school to the nearest external portion of the building in which the marijuana store is proposed to be located.

(2) Any child care establishment, with the distance computed by direct measurement in a straight line from the nearest legal parcel line of the land used for the child care establishment to the nearest external portion of the building in which the marijuana store is proposed to be located.

(3) Any other medical or retail marijuana store licensed pursuant to this article V, with the distance computed by direct measurement in a straight line from the nearest external portion of the building in which one (1) store is located to the nearest external portion of the building in which the other store is proposed to be located. In the event that the department receives two or more applications for a medical or retail marijuana store with proposed locations within one thousand (1,000) feet of each other, the director shall act upon only the first complete application received and shall not issue a license to subsequent applications proposing to be located within one thousand (1,000) feet, except as set forth in subsection (6).

(4) Any alcohol or drug treatment facility, with the distance computed by direct measurement in a straight line from the nearest external portion of the building in which the alcohol or drug treatment facility is located to the nearest external portion of the building in which the marijuana store is proposed to be located.

(5) Any location where, within the two (2) years preceding the date of the application, the director denied an application for a medical or retail marijuana store license because the reasonable requirements of the neighborhood and the desires of the adult inhabitants were satisfied by the existing outlets or the adult inhabitants did not otherwise need or desire an additional medical or retail marijuana store license.

(6) The proximity restrictions in paragraphs (2), (3) and (4) shall not apply to any application for a retail marijuana store that proposes to share a location with a licensed medical
marijuana store that has existed in continuous operation and can demonstrate common ownership
with that same medical marijuana store license.

(c) Location restrictions. No medical or retail marijuana store shall be issued at the following
locations:

(1) Within any residential zone district as defined by the Denver Zoning Code or
Former Chapter 59, in any MS-2, MS-2x, MX-2, MX-2A or MX-2x zone district as defined by the
Denver Zoning Code or Former Chapter 59, or in any location where retail sales are prohibited by
the Denver Zoning Code, Former Chapter 59, or by any ordinance governing a planned unit
development.

(2) Within any location within a neighborhood of undue concentration of marijuana
store locations at the time of the application. This location restriction shall not apply to an application
submitted to change location of a medical or retail marijuana store license within a neighborhood of
undue concentration of marijuana store locations changing to a location within the same
neighborhood of undue concentration of store locations.

(3) Within any location where, within the one (1) year preceding the date of the
application, the director scheduled a public hearing for an application for a medical or retail
marijuana store license and the application was subsequently withdrawn prior to final action by the
director on the application.

(4) The restrictions in paragraphs (1) and (2) shall not apply to any application for a
retail marijuana store that proposes to share a location with a licensed medical marijuana store that
has existed in continuous operation and can demonstrate common ownership with that same
medical marijuana store license.

(d) Public hearing. A public hearing shall be required prior to the issuance of a medical or
retail marijuana store license. All such public hearings shall be subject to the following provisions:

(1) Upon receipt of an application for a medical or retail marijuana store license, the
director shall schedule a public hearing no less than thirty (30) days after the date the application is
received by the department. The applicant shall have the burden of proving by a preponderance of
the evidence its qualifications for the license.

(2) No less than ten (10) days prior to the public hearing, the department shall post
public notice of the hearing by posting a sign on the proposed premises in a manner that is
conspicuous and plainly visible to the general public and by publication in a newspaper of general
circulation. Public notice by posting must include a sign of suitable material, not less than twenty-
two (22) inches wide and twenty-six (26) inches high, composed of letters not less than one (1) inch
in height and stating the type of license applied for, the date of the application, the date of the hearing, the name and address of the applicant, the names and addresses of the officers, directors, or manager of the facility to be licensed, and such other information as may be required to fully apprise the public of the nature of the application. Notice given by publication shall contain the same information as that required for signs.

(3) No less than ten (10) days prior to the public hearing, the director shall designate the neighborhood being affected by such application. The designation of the geographical extent and boundaries of such neighborhood shall be determined according to Department policy.

(4) Not less than five (5) days prior to the date of hearing, the director shall make known the director’s findings based on the director’s initial investigation of the application documents in writing to the applicant and other interested parties. The failure of the director to make these findings known five (5) days prior to the date of the public hearing shall not preclude the director from later determining that the application should be approved or denied.

(5) At the public hearing, any party in interest shall be allowed to present evidence and to cross-examine witnesses.

(6) Before entering any decision approving or denying the application, the director may consider the facts and evidence adduced as a result of their investigation and the public hearing required by this section and any other pertinent matters affecting the qualifications of the applicant, including:

a. The number and availability of licenses of the same type in or near the neighborhood;

b. Whether the issuance of the license would create a neighborhood of undue concentration of marijuana store locations;

c. The reasonable requirements of the neighborhood and the desires of the adult inhabitants therein as evidenced by petitions, remonstrances, or otherwise; and

d. The provisions of this article V and chapter 32 of this Code, or any rules and regulations adopted pursuant thereto.

(7) Unless additional time is necessary to fully investigate an application, any decision of the director approving or denying an application shall be in writing stating the reasons therefor, within thirty (30) days after the date of the public hearing, and a copy of such decision shall be sent by certified mail to the applicant at the address shown in the application. The failure of the director to issue a final decision within thirty (30) days after the date of the public hearing shall not preclude the director from later determining that the application should be approved or denied.
Sec. 6-210. – Marijuana delivery permits.

(a) Marijuana Delivery – authorized. Beginning July 1, 2021, local marijuana delivery permits may be issued to a medical or retail marijuana store or a medical or retail marijuana transporter in order to deliver regulated marijuana to private residences of customers and patients, subject to the provisions the Colorado Marijuana Code and the provisions of this section.

(b) Delivery permit restrictions. The following restrictions shall be placed on marijuana delivery permits issued pursuant to this article V:

(1) Prior to July 1, 2024, only medical or retail marijuana transporters who qualify as a social equity applicant as defined in this article and hold a valid license and a delivery permit issued pursuant to this article V may deliver regulated marijuana to private residences of customers and patients, subject to the provisions the Colorado Marijuana Code.

(2) On and after July 1, 2024, all medical and retail marijuana transporters and medical and retail marijuana stores holding a valid license and a delivery permit issued pursuant to this article V may deliver regulated marijuana to private residences of customers and patients, subject to the provisions the Colorado Marijuana Code.

(c) Operational requirements. In addition to the provisions applicable to all licenses, a medical marijuana store, retail marijuana store, medical marijuana transporter, or retail marijuana transporter holding a marijuana delivery permit shall comply with the following provisions:

(1) Marijuana delivery permittees shall not make or complete deliveries of cannabis between the hours of 12:00 a.m. and 8:00 a.m. daily.

(2) Marijuana delivery permittees shall use an electronic scanner to scan the ID of the person to whom regulated marijuana is being delivered at the point of transferring any regulated marijuana to the customer or patient.

(3) Marijuana delivery permittees shall retain a copy of the marijuana delivery permit in the delivery motor vehicle while conducting deliveries of regulated marijuana and exhibit the permit upon the request of any law enforcement official of the city, inspector of the city, or other city official.

(4) All persons in the delivery motor vehicle shall be required to hold and properly display an identification badge issued by the state licensing authority while conducting deliveries of regulated marijuana. Proper display of the identification badge shall consist of wearing the badge in a plainly visible manner, at or above the waist, and with the photo of the individual visible. The badge shall not be altered, obscured, damaged, or defaced in any manner.

(5) Marijuana delivery permittees shall keep a record of sale, such as a receipt, for all
cannabis contained in their vehicle. An enclosed delivery motor vehicle shall not contain more than $5,000 in retail value of cannabis. A delivery motor vehicle that is not enclosed shall not contain more than $2,000 in retail value of cannabis.

(7) Marijuana delivery permittees shall not deliver more regulated marijuana to a person than the amounts set forth in state law per day, nor shall the permittee deliver to a person or primary residence the permittee knows or reasonably should know that the person or primary residence has already received a delivery during the same business day. This does not prohibit delivery of regulated marijuana to another person at the residence at the same time.

(d) Report to City Council. The director shall report in writing to city council by July 1, 2023 regarding the operation of the delivery program.

Sec. 6-211. - Marijuana cultivation facility licenses.

(a) Operational requirements. In addition to the provisions applicable to all licenses, all medical and retail marijuana cultivation facility licensees shall comply with the following provisions:

(1) Medical and retail marijuana cultivation facilities may only plant, grow, harvest, store, dry, trim, or process marijuana inside of a completely enclosed structure within a limited access area. A marijuana cultivation facility may transport regulated marijuana in an outdoor portion of its limited access area only if the outdoor portion of the licensee’s limited access area complies with state and local laws and regulations applicable to outdoor limited access areas for medical and retail marijuana cultivation facilities.

(b) Proximity restrictions. No medical or retail marijuana cultivation facility license shall be issued within 1,000 feet of one or more of the following locations:

(1) Any school, with the distance computed by direct measurement in a straight line from the nearest legal parcel line of the land used for school to the nearest external portion of the building in which the medical or retail marijuana cultivation facility is proposed to be located.

(2) Any residential district as defined in the Denver Zoning Code or Former Chapter 59, with the distance computed by direct measurement in a straight line from the nearest legal parcel line of any property in the residential district to the nearest external portion of the building in which the medical or retail marijuana cultivation facility is proposed to be located.

(3) The provisions of this subsection (b) shall not apply to any application for a new retail marijuana cultivation facility that is proposed at the same location as an existing medical or retail marijuana cultivation facility. However, these proximity restrictions shall apply to any application submitted to change location of a medical or retail marijuana cultivation facility license pursuant to section 6-220 of this Code.
(c) Location restrictions. No medical or retail marijuana cultivation facility license shall be issued at the following locations:

(1) Within any zone district where, at the time of application, plant husbandry is not a permitted primary use under the Denver Zoning Code or Former Chapter 59. This paragraph (1) shall not apply to an application proposing to locate a medical or retail marijuana cultivation facility in a zone district where plant husbandry is not a permitted primary use but is already occurring as a compliant or nonconforming use under the Denver Zoning Code or Former Chapter 59, if and only if the applicant meets the following requirements:

   a. A zoning permit for plant husbandry was applied for upon the same zone lot on or before July 1, 2010;

   b. The applicant can show that an optional premises cultivation license upon the same zone lot was applied for with the state medical marijuana licensing authority on or before August 1, 2010, in accordance with § 12-43.3-103(1)(b), C.R.S; and

   c. The applicant can produce documentary or other empirical evidence to the satisfaction of the director that the cultivation of medical marijuana commenced on the zone lot prior to January 1, 2011.

(2) Within any neighborhood of undue concentration of cultivation facility locations at the time of application. This paragraph (2) shall not apply to any application proposing to locate a new retail marijuana cultivation facility at the same location as a medical or retail marijuana cultivation facility license. However, this location restriction shall apply to any application submitted to change location of a medical or retail marijuana cultivation facility license into a neighborhood of undue concentration of cultivation facility locations pursuant to section 6-221 of this Code.

(3) Within or upon the licensed premises of a medical or retail marijuana cultivation facility license, except as provided in section 6-208(e) of this Code. No more than one (1) medical marijuana cultivation facility license and one (1) retail marijuana cultivation facility license may share the same licensed premises.

Sec. 6-212. - Marijuana products manufacturer licenses.

(a) Licensing requirements. In addition to the provisions applicable to all licenses, all medical and retail marijuana products manufacturer licensees shall comply with all requirements applicable requirements of chapter 23 of this Code, and rules and regulations adopted pursuant thereto.

(b) Location restrictions. No medical or retail marijuana products manufacturer license shall be issued within any zone district where, at the time of application, “food preparation and sales, commercial,” “manufacturing, fabrication and assembly, general,” or “manufacturing, fabrication and assembly, general.”
assembly, heavy” is not permitted by the Denver Zoning Code or Former Chapter 59. Any zone lot where any person qualified as a “locally approved” medical marijuana-infused product manufacturer as of July 1, 2010, in accordance with former subsection 24-411(c) of this Code and the former Colorado Medical Marijuana Code may also qualify for licensing under this section provided such manufacturing is considered a compliant or nonconforming use in that location under the Denver Zoning Code or Former Chapter 59.

Sec. 6-213. - Marijuana testing facility license.

(a) Location restriction. No medical or retail marijuana testing facility license shall be issued within any zone district where, at the time of application, "laboratory, research, development, and technological services" is not permitted by the Denver Zoning Code or Former Chapter 59.

Sec. 6-214. - Marijuana transporter license.

(a) Operational requirements. In addition to the provisions applicable to all licenses, all medical and retail marijuana transporter licensees shall comply with the following provisions:

(1) Medical and retail marijuana transporter licensees shall not possess unsealed packages or containers of cannabis on the licensed premises.

(2) Medical and retail marijuana transporter licensees shall not open sealed packages or containers of cannabis.

(3) Medical and retail marijuana transporter licensees shall not re-package cannabis on the licensed premises.

(4) Medical and retail marijuana transporter licensees shall not sell, cultivate, manufacture, process, test, or consume cannabis upon the licensed premises.

(5) Medical and retail marijuana transporters that do not maintain a licensed premises within the city shall not temporarily store cannabis or otherwise exercise any license privileges for which a licensed premises would be required.

(b) Location restriction. No medical or retail marijuana transporter license that maintains a licensed premises within the city shall be issued to an applicant proposing to locate a licensed premises within any zone district where, at the time of application, “terminal, freight, air courier services” is not permitted by the Denver Zoning Code or Former Chapter 59. The director may issue a medical or retail marijuana transporter license to an applicant that does not maintain a licensed premises within the city for the sole purpose of conducting deliveries of regulated marijuana within the city.

Sec. 6-215. - Marijuana off-premises storage facility permit.

(a) Off-premises storage – authorized. A medical or retail marijuana store, medical or retail
marijuana transporter, medical or retail marijuana cultivation facility, medical or retail marijuana products manufacturer, or medical or retail marijuana testing facility holding a valid Denver license may apply for an off-premises storage permit to store finished goods and inventory belonging to the corresponding licensee, subject to the provisions of this article V and the Colorado Marijuana Code.

(b) **Operational requirements.** In addition to the provisions applicable to all licenses, all medical and retail marijuana off-premises storage facility permittees shall comply with the following provisions:

1. The off-premises storage facility shall constitute an extension of the marijuana business’s licensed premises and shall comply with all state and local laws and regulations applicable to the corresponding license type.

2. Except as provided herein, a medical or retail marijuana off-premises storage facility permittee shall not possess unsealed packages or containers of cannabis on the licensed premises, open sealed packages or containers of cannabis on the licensed premises, or re-package cannabis on the licensed premises. A marijuana store with a valid delivery permit may use its own off-premises storage facility permit to package, label, and fill orders for delivery of regulated marijuana to a patient or customer after the marijuana store receives an order for delivery.

3. A medical or retail marijuana off-premises storage facility permittee shall not sell, cultivate, manufacture, process, test, or consume cannabis upon the licensed premises.

(c) **Limitation on number of permits.** Except for a medical or retail marijuana transporter license issued pursuant to this article V, no more than one off-premises storage facility permit may be issued to each eligible licensee.

(d) **Location restrictions.** No medical or retail marijuana off-premises storage facility permit shall be issued at the following locations:

1. Within any zone district where, at the time of application for the permit, “wholesale trade or storage, general” is not a permitted use under the Denver Zoning Code or Former Chapter 59, if the off-premises storage permit is issued for a medical or retail marijuana store, medical or retail marijuana cultivation facility, medical or retail marijuana products manufacturer, or medical or retail marijuana testing facility.

2. Within any zone district where, at the time of application for the permit, “terminal, freight, air courier services” is not a permitted use under the Denver Zoning Code or Former Chapter 59, if the off-premises storage permit is issued for a medical or retail marijuana transporter.

**Sec. 6-216. - Marijuana research and development license.**

(a) **Licensing requirements.** In addition to the provisions applicable to all licenses, all medical
research and development facility licensees shall comply with the following provisions:

(1) Marijuana research and development licensees that plant, grow, harvest, store, dry, trim, or process regulated marijuana shall ensure that their licensed premises is completely encompassed within the licensed premises of a medical or retail marijuana cultivation facility. Cultivation shall be conducted in accordance with all state and local laws and regulations.

(2) Marijuana research and development licensees that manufacture or process regulated marijuana shall ensure that all manufacturing and processing activities are conducted in compliance with all state and local laws and regulations related to marijuana products manufacturers.

(3) All marijuana research and development licensees shall submit to the department a copy of every research project approved by the state licensing authority.

(4) Marijuana research and development licensees shall not permit the consumption of cannabis upon the licensed premises unless the consumption occurs pursuant to an approved research project and in compliance with state and local laws and regulations.

(5) Marijuana research and development licensees shall not sell or transfer regulated marijuana from the licensed premises unless the sale or transfer is made to another medical marijuana research and development license or the sale or transfer is made pursuant to an approved research project and in compliance with all state and local laws and regulations.

Sec. 6-217. - Reserved.
Sec. 6-218. - Reserved.
Sec. 6-219. - Transfers of ownership.

(a) In general. All medical marijuana or retail marijuana businesses shall be transferable from one (1) person to another upon approval by the director. In addition to the requirements of this section 6-219, transfers of marijuana transporter licenses shall be subject to limitations set by state law. The director shall not accept an application to transfer ownership of a marijuana off-premises storage facility permit or marijuana delivery permit associated with a marijuana business license unless the applicant has applied to transfer ownership of the associated marijuana business license.

(b) Licenses held by social equity applicants - transferable. Prior to July 1, 2027, any license held by social equity applicants shall be transferable either to other social equity applicants or non-social equity applicants so long as fifty-one percent (51%) or more of the license is held by one or more social equity applicants. After July 1, 2027, licenses held by social equity applicants shall be transferable either to other social equity applicants or non-social equity applicants upon approval by the director. The provisions of this subsection (b) are in addition to those in subsection (a).
(c) Application requirements. All applications to transfer ownership of a local medical or retail marijuana business license shall be made in the manner provided by the director. In addition to information required by chapter 32 of this Code, the application shall contain any supplemental materials the director deems necessary to implement or enforce this article V and the Colorado Marijuana Code.

(d) Corresponding state license. The director shall not approve an application to transfer ownership of a local medical or retail license unless the applicant produces written documentation from the state licensing authority approving the same transfer of ownership of the corresponding state license recorded upon the face of the local license.

(e) Common ownership. If one (1) or more licenses share the same licensed premises, an application to transfer ownership of any one of the licenses shall not be approved if the transfer would result in that license no longer having common ownership with the licenses sharing the same licensed premises.

(f) Effect of transfers on proximity and location restrictions. The transfer of ownership of a medical or retail marijuana business license shall not affect any exemption that the licensed premises may enjoy from proximity or location restrictions set forth in this article V.

Sec. 6-220. - Change of location.

(a) In general. A licensee shall not change location of its license without prior approval from the director. In addition to the requirements in this section, a change of location application for a medical or retail marijuana business shall comply with the same requirements for new marijuana business licenses, including by way of example: public hearing requirements, proximity restrictions, and location restrictions.

(b) Application requirements. All applications to change location of a medical or retail marijuana business license shall be made in the manner provided by the director. In addition to information required by chapter 32 of this Code, the application shall contain any supplemental materials the director deems necessary to implement or enforce this article V and the Colorado Marijuana Code.

(c) Corresponding state license. The director shall not approve an application to change the location of a local medical or retail marijuana license unless the applicant produces written documentation from the state licensing authority approving the same change of location of the corresponding state license recorded upon the face of the local license, or a transition permit for the same.

(d) Transition permits. Once a change of location application has been approved by the
director, a licensee may not begin operating at the new location until operations have ceased at the
former location. However, a licensee may temporarily operate at both the new location and former
location if the licensee holds a valid transition permit from the state licensing authority, and in
compliance with all state and local requirements.

(e) Change of location of marijuana stores. An application to change location of a medical or
retail marijuana store license shall not be approved unless:

(1) All other medical or retail marijuana cultivation facility license(s) and medical or
retail marijuana store license(s) at the former location have likewise apply to change to the same
new location; or

(2) All other medical or retail marijuana cultivation facility licenses(s) and medical or
retail marijuana store license(s) at the former location are surrendered.

(f) Change of location of a marijuana cultivation facility. An application to change location of
a medical or retail marijuana cultivation facility license shall not be approved unless:

(1) All other medical or retail marijuana cultivation facility license(s) and medical or
retail marijuana store license(s) at the former location likewise apply to change to the same new
location;

(2) All other medical or retail marijuana cultivation facility license(s) and medical or
retail marijuana store license(s) at the former location are surrendered; or

(3) The application proposes that the medical or retail marijuana cultivation facility
license will change to a location where another medical or retail marijuana cultivation facility is
licensed.

Sec. 6-221. – Modification of premises.

(a) In general. A licensee shall not make any physical change, alteration, or modification of
the licensed premises that materially or substantially alters the licensed premises or the usage of
the licensed premises from the plans originally approved by the department without approval from
the director. Any change or modification to the licensed premises that does not require an
application must be disclosed to the department in a manner provided by the director.

(b) Application requirements. All applications to modify the licensed premises of a retail or
medical marijuana business shall be made in the manner provided by the director. In addition to
information required by chapter 32 of this Code, the application shall contain any supplemental
materials the director deems necessary to implement or enforce this article V and the Colorado
Marijuana Code.

(c) Effect of modifications on proximity and location restrictions. Approved modifications to
the licensed premises of a medical or retail marijuana business license shall not affect any exemption that the licensed premises may enjoy from proximity or location restrictions set forth in this article V. The director shall deny any application in which the modification of a medical or retail marijuana business would decrease the distance between the nearest external portion of the building in which the medical or retail marijuana business is located and a site or area protected by proximity or location restrictions in this article V.

Sec. 6-222. - Term of licenses; renewals.

(a) Term. A local license or permit issued pursuant to this article V shall be valid for a period of one (1) year from the date of issuance.

(b) Cease operations—required. Except where the director has received a complete renewal application along with the requisite fees, it shall be unlawful for any person to manufacture, test, receive orders for, sell, distribute, transfer, transport, or otherwise remove cannabis from the licensed premises of a medical or retail marijuana business, or to allow any other person to perform these acts, after the expiration date on the face of any local license issued pursuant to this article V for that location.

(c) Application materials and deadlines. Any renewal of a medical or retail marijuana business license or permit shall be governed by the standards and procedures set forth in chapter 32 of this Code. Applications to renew a medical or retail marijuana business license shall be made in the manner provided by the director. In addition to the information required by chapter 32 of this Code, applications shall contain the following information:

(1) A copy of any notice of violation or disciplinary action taken by the department or the state licensing authority against the license or permit being renewed within the previous licensing year;

(2) A social impact plan containing the information required by the director. The social impact plan submitted at renewal shall also identify outcomes resulting from the social impact plan in place during the previous licensing year using the specific metrics identified in the social impact plan for measuring the success of its programs; and

(3) Any supplemental materials the director deems necessary to implement or enforce this article V and the Colorado Marijuana Code.

(d) Denial of renewal. An application to renew a medical or retail marijuana business license or permit may be denied if there are causes for denial, suspension, revocation, non-renewal or other licensing sanctions as provided in chapter 32 of this Code, this article V, or rules and regulations promulgated thereto.
(e) Renewal hearing. The director may set a hearing on the renewal of a medical or retail marijuana business application in accordance with the requirements of the Colorado Marijuana Code and chapter 32 of this Code if:

(1) There are causes for denial, suspension, revocation, non-renewal or other licensing sanctions as provided in chapter 32 of this Code, this article V, or rules and regulations promulgated thereto;

(2) In the case of a medical or retail marijuana cultivation facility operating in a zone district where plant husbandry is not a permitted primary use but is already occurring as a compliant or nonconforming use under the zoning code pursuant to section 6-211 of this Code, there is evidence to indicate that:

a. The existence of the cultivation facility has frustrated the implementation of the city’s comprehensive plan or any adopted neighborhood plan applicable to the subject property;

b. The existence of the cultivation facility has negatively affected nearby properties or the neighborhood or nearby property values, including by way of example any adverse effects caused by excessive noise, odors, or vehicular traffic;

c. The existence of the cultivation facility has caused crime rates to increase in the surrounding neighborhood; or

d. The applicant or any person from whom the applicant acquired a marijuana business failed to meet one (1) or more of the requirements specified in section 6-211(c)(1), or a renewal hearing may be set pursuant to subsections (1) or (2) of this section.

Sec. 6-223. - Causes for denial.

(a) In addition to the grounds set forth in the Colorado Marijuana Code and chapter 32 of this Code, any application submitted pursuant to this article V shall be denied if:

(1) The issuance of a license or permit to the applicant or licensee would not comply with any applicable state or local law, including but not limited to, the Colorado Marijuana Code, this article V, and any rules and regulations adopted pursuant thereto;

(2) The applicant or licensee fails to prove by a preponderance of the evidence that the reasonable requirements of the neighborhood and the desires of the adult inhabitants therein support the issuance of a medical or retail marijuana store license;

(3) The issuance of a license at the subject location would create a neighborhood of undue concentration;

(4) A second or additional license to the same applicant would have the effect of restraining competition;
Applicant or licensee has previously operated a licensed premises in a manner that adversely affects the public health, welfare, or the safety of the immediate neighborhood in which the business is located;

(6) The applicant or licensee has failed to comply with any terms or conditions that were placed on its license or permit pursuant to an order of the director or state licensing authority;

(7) The applicant or licensee fails to provide a valid lease, rental agreement, or other documented arrangement for possession showing that the applicant or licensee is entitled to possession of the premises identified in the application;

(8) The applicant or licensee fails to complete any required inspections or obtain any necessary permits for the proposed premises;

(9) The applicant or licensee fails to obtain or maintain a corresponding state license or permit that is in full compliance with the Colorado Marijuana Code and any other applicable state law or regulation;

(10) The applicant or licensee has violated or has failed to comply with any applicable regulatory or administrative provisions of state or local laws regulating marijuana, or rules and regulations adopted pursuant thereto; or

(11) The applicant or licensee’s criminal character or criminal record poses a threat to the regulation or control of marijuana, subject to the provisions of section 44-10-307, C.R.S., as amended. In doing so, the director may incorporate any findings as to residency, moral character, and criminal character or history, including marijuana convictions, previously made by the state licensing authority.

Sec. 6-224. - Unlawful acts.

(a) It shall be unlawful for any person to operate any medical or retail marijuana business in the city without a state and local license or permit authorizing the activity and in compliance with all state and local laws.

(b) It shall be unlawful for any medical or retail marijuana business to violate any provision of this article V, the Colorado Marijuana Code, or any rule or regulation adopted pursuant thereto.

(c) It shall be unlawful for any medical or retail marijuana business to use any advertising material that is misleading, deceptive, or false, or that, as evidenced either by the content of the advertising material or by the medium or the manner in which the advertising is disseminated, is designed to appeal to minors.

(d) Except as otherwise provided in this subsection (d), it shall be unlawful for any person to advertise regulated marijuana anywhere in the city where the advertisement is visible to members...
of the public from any street, sidewalk, park or other public place as defined in 38-175(b)(3),
including advertising utilizing any of the following media: any billboard or other outdoor general
advertising device as defined by the zoning code; any sign mounted on a vehicle, any hand-held or
other portable sign; or any handbill, leaflet or flier distributed in a public place, left upon a motor
vehicle, or posted upon any public or private property. The prohibition set forth in this subsection
(d) shall not apply to:

(1) Any fixed sign located on the same zone lot as a medical or retail marijuana
business which exists solely for the purpose of identifying the location of the business and which
otherwise complies with the Denver Zoning Code and any other applicable city laws and regulations;
or

(2) Any advertisement contained within a newspaper, magazine, or other periodical of
general circulation within the city, including paid advertisements in a newsletter distributed by a
registered neighborhood organization, business improvement district or other similar community or
neighborhood organization;

(3) Advertising which is purely incidental to sponsorship of a charitable event by a
medical or retail marijuana business, such as the name or logo of the marijuana business in event
materials or temporary signs and banners displayed at and during the event; however, in no case
shall this exception apply to a billboard; or

(4) Apparel, consumer goods, or paraphernalia containing a marijuana business’s
name, logo, or distinct design features, but no other advertising of the marijuana business.

(e) Prior to January 1, 2024, it shall be unlawful for any person to deliver regulated marijuana
within the city without first obtaining a medical or retail marijuana transporter license from the
department and a corresponding delivery permit. On and after January 1, 2024, it shall be unlawful
for any person to deliver regulated marijuana within the city without first obtaining a medical or retail
marijuana transporter license from the department and corresponding marijuana delivery permit or
medical or retail marijuana store license from the department and corresponding marijuana delivery
permit.

Sec. 6-225. - Disciplinary actions; sanctions; penalties.

(a) In general. Procedures for investigation of license violations and for suspension,
revocation or other licensing sanctions as a result of any such violation shall be as provided in
chapter 32 of this Code and any rules and regulations promulgated by the director.
(b) **Disciplinary actions.** In addition to the grounds provided in chapter 32 of this Code, a medical or retail marijuana business license may be suspended or revoked for any of the grounds for denial set forth in this article V.

(c) **Civil penalties in lieu of fine.** In lieu of the maximum fine for license violations set forth in section 32-30(c), the director is hereby authorized to impose civil penalties for license violations in the same amount as the Colorado Marijuana Enforcement Division in imposing fines for state license violations under the Colorado Marijuana Code.

(d) **State license.** The director may suspend or revoke any license if the corresponding state license for the subject location is expired, surrendered, suspended, or revoked.

**Sec. 6-226. - Rules and regulations.**

(a) The director may adopt such reasonable rules and regulations as may be necessary for the administration and enforcement of the provisions of this article and any other ordinances or laws relating to and affecting the licensing and operation of medical and retail marijuana businesses.

(b) The board of public health and environment may adopt such reasonable rules and regulations as may be necessary for the protection of public health related to the operation of medical and retail marijuana businesses and cannabis.

(c) The manager of the department of public health and environment of the City and County of Denver may issue orders to any licensee to comply with this article V and the rules and regulations of the board. It shall be unlawful for any person to knowingly fail to comply with an order of the manager.

(d) It shall be unlawful for any person to violate a rule or regulation adopted by the board or the director pursuant to this section.

**Section 3.** Article XII of Chapter 24 shall be repealed. Upon repeal, all medical marijuana business licenses issued pursuant to this article shall be governed by article V of chapter 6 of this Code.

**Section 4.** Amend Article 1 of Chapter 32 by adding the language underlined and deleting the language stricken, to read as follows:

**ARTICLE I. – IN GENERAL**

**Sec. 32-2. - Application.**

(a) The application for every license required by and issued under the authority of this chapter shall be made to the director of excise and licenses on forms to be in the manner provided by the director. Applications shall be deemed incomplete and will not be accepted if they do not contain
the information required for the particular license sought, as specified in this Code and any
regulations promulgated thereto, and any other relevant information required by the director, which
shall contain:

(1) The name of the person desiring such license;
(2) The residence of such applicant, or of each of the individual members of such firm,
or of each of the directing officers of such corporation and its principal place of business;
(3) The kind of license desired, stating business, trade or profession to be performed,
practiced or carried on;
(4) The grade of license desired, if such licenses are divided into grades;
(5) The street address, if any, where such business is to be carried on;
(6) The year for which such license is sought; and
(7) Any other relevant information required by the terms of the provisions pertaining
to the particular license sought or any other relevant information required by the director of excise
and licenses.

(b) Application fees for licenses as provided in article II of this chapter shall not be refunded
to the applicant if the issuance of the license is denied, the application is withdrawn, or for any other
reason, after the application is filed and the application fee paid, neither shall application fees be
applied to or deducted from license fees.

(bc) Any application for local licensing submitted pursuant to this chapter 32 shall be
completed within one (1) year of the date the application is filed and the application fee paid. Except
as provided in this subsection (c), applications that remain pending after the expiration of the one-
year time period shall be administratively closed. Pending applications shall be administratively
closed without a hearing one year after the date of application or thirty (30) days after the applicant’s
failure to submit additional documents requested by the director, and the director shall deny the
issuance of a license. Once an application expires, is administratively closed, the applicant must
begin the licensing process anew. At the director's discretion, the director may reopen an application
that has been administratively closed extend the application period or approve the issuance of a
license for applications that remain pending beyond the one-year time period if the applicant can
produce, within thirty (30) days after administrative closure the expiration of the one-year time
period, documentary or other empirical evidence to establish good cause for the failure to complete
the application process.

(c) The director may refund application fees for administratively closed or withdrawn
applications upon a showing of good cause.
(d) For purposes of this section 32-2, the term "good cause" means the failure to complete the application process occurred due to circumstances outside of the applicant's control.

Sec. 32-3. – When to apply; late applications. Reserved.

(a) Any licensee may make application to renew a license for another year and pay the required fee therefor on or before the expiration date of any license issued to the licensee. Unless otherwise provided by law, if application is so made and no action or proceeding is pending against the licensee for revocation of the license, the licensee may continue in business unless or until the application is denied.

(b) All licenses shall expire on the date specified on the license. However, if the original issuance of the license did not require a public hearing, then there shall be a ninety-day grace period within which the license may be renewed; except that cabaret licenses issued pursuant to Chapter 6 of this Code shall have a grace period of the same duration as any grace period for liquor licenses provided for by the Colorado Liquor Code. In the event that a licensee does continue to engage in the business for which the license was issued pursuant to the provisions of the preceding sentence, a penalty of twenty (20) percent of the amount of the license fee shall be imposed and collected if the application for renewal is filed within thirty (30) days after the date upon which the license expires, or a penalty of fifty (50) percent of the amount of the license fee shall be imposed and collected if the application for renewal is filed more than thirty (30) days after the date upon which the license expired. The director of excise and licenses is hereby authorized and empowered to waive or adjust any and all of such penalty and additional fee whenever in the director's judgment the delinquency in the prompt receipt of such application and fee is not the fault of the licensee and to collect or require the payment thereof would be an injustice.

(c) Whenever any person starts or commences to engage in a business, and application for any license which may be required therefor is not made before such starting or commencing, and application for a license is subsequently made, the license fee shall be deemed due from the date the person actually started or commenced such business. In addition to the license fee there shall be imposed and collected a penalty of ten (10) percent and an additional five (5) percent shall be added on the last day of each calendar month subsequent to the day upon which the person started or commenced to engage in the business.

(d) No license shall be issued for any current year until the amount of the original license fee and all accrued penalties have been paid.

(e) Except as expressly provided, nothing in this section contained shall make it lawful for any person to engage in a business for which a license is required without first having obtained such
license.

Sec. 32-10. – Approval by other officials.

(a) In those cases in which the provisions pertaining to any license require approval or inspection by any officer, agency or employee of the city other than the director of excise and licenses, the application for license shall be submitted by the director to the other officer, agency or employee.

(b) Such officer, agency or employee shall forthwith perform such function as may be required by provisions pertaining to any license and return to the director the application with endorsement of approval, or with endorsement of disapproval, in which latter case there shall accompany the disapproval a written explanation of reasons therefor.

Upon receipt of any application, the director may give notice of the application to any other city agency or department. The applicant shall obtain any and all necessary permits, licenses, and other regulatory approvals from the city departments and agencies prior to the issuance, modification, or renewal of the license.

Sec. 32-11. - Issuance or denial.

(a) No license authorized under this Code shall be issued or renewed if unless:

   (1) All conditions imposed upon the applicant as prerequisites to the issuance of the license by the terms of the provisions pertaining to the particular license sought have been met; The issuance of a license to the applicant or licensee would not comply with any applicable state or local law, or any rules and regulations adopted pursuant thereto;

   (2) The applicant or licensee has not paid or is in arrears in any administrative or court fines, assessments, or fees owed the City and County of Denver, including any required application fees, licensing fees, or bond;

   (2) The required license fees have been paid;

   (3) The required bond, if any, has been posted;

   (34) The use to which the proposed licensed premises are proposed to be put shall does not conform to the requirements of the Denver Zoning Code, Former Chapter 59, the Denver Building and Fire Code, the electrical code of the City and County of Denver, the rules and regulations promulgated by the department of public health and environment, or any other state or local law; or pertaining to zoning;

   (5) All other specific requirements of the terms of the provisions relating to the application for the particular license sought have been met;

   (46) The applicant or licensee is not in arrears in any administrative or court fines,
assessments, or fees, owed to the City and County of Denver, and has no outstanding warrants for
his/her arrest in any jurisdiction; and

(57) No The application contains fraudulent, misrepresented, or false statement(s) of
material or relevant fact(s), is contained within the application; and

(8) The application is completed within one (1) year of the date that the application is
filed as provided in subsection 32-2(c).

(b) If it shall come to the attention of the director of excise and licenses that one (1) or more
of the above grounds exists, the application shall be denied. Otherwise the license shall be granted.
In the event that the application is denied, the director shall furnish the applicant a copy of the
order and the reasons supporting the denial upon the written request of the applicant in the event
that the application is denied. Any applicant whose application has been denied without a hearing
shall be entitled to a hearing on his application upon written request to the director, except as
provided in section 32-2. Except as otherwise provided by the specific terms or provisions pertaining
to a license, a written request for a hearing must be submitted within ten (10) days of the mailing
date of the order of denial.

Sec. 32-20. – Renewal.

(a) In the event of application for a renewal of any license the provisions concerning which
require approval or inspection by any such other officer, agency or employee, such license shall be
renewed by the director of excise and licenses in accordance with the provisions pertaining thereto;
provided, however, that such other officer, agency or employee may not later than thirty (30) days
prior to the expiration of the license transmit to the director a statement of disapproval in which case
there shall accompany the statement of disapproval a written explanation of reasons therefor. Any
licensee may make application to renew a license prior to the expiration date of the license upon
payment of a licensing fee no more than ninety (90) days prior to the expiration date of the license.
A licensee whose license has been expired for not more than ninety (90) days may file a late renewal
application upon the payment of twenty (20) percent of the amount of the license fee if the
application for renewal is filed within thirty (30) days after the date upon which the license expires,
or a penalty of fifty (50) percent of the amount of the license fee if the application for renewal is filed
more than thirty (30) days after the date upon which the license expired. The director may waive or
adjust any and all of such penalty and additional fee whenever, in the director's judgment, the
delinquency in the prompt receipt of such application and fee is not the fault of the licensee and to
collect or require the payment thereof would be an injustice.

(b) No application fee shall be required on application for renewal of an existing license. A
license that has been expired for more than 90 days shall not be renewed.

(c) A licensee shall cease operations upon the expiration date of the license. Upon filing a complete application and paying the requisite fee, the licensee may continue operating subject to the provisions of the particular license until final agency action on the renewal. However, the director may require that operations cease if the license is subject to disciplinary action, pending final agency action on the renewal application, or the licensee has not received any required approvals, inspections, or permits from another agency.

(de) The director may, upon his own motion or upon complaint, hold a hearing concerning any application for license renewal.

(gd) In addition to any other grounds specified in this Revised Municipal Code which authorize the director of excise and licenses to fail to renew a license, the director may deny a renewal application if refuse to renew a license for any one (1) or more of the following reasons:

(1) The application or fees for renewal for a license, including any penalty for filing within the grace period established by subsection 32-3(b) of this article, were not received by the director prior to the expiration of any grace period established by subsection 32-3(b) of this article. There are causes for denial as provided in 32-11, or grounds for suspension, revocation or other licensing sanctions as provided in section 32-22, or rules and regulations adopted pursuant thereto.

(2) Any fact or condition exists which, if it had existed or had been known to exist at the time of the application for such license, would have warranted the director in refusing originally to issue such license.

(3) The application fails to comply with any provisions required for the particular license sought as specified in this Code or rules and regulations adopted pursuant thereto.

Sec. 32-22. – Revocation.

(a) In addition to any other penalties prescribed by the Revised Municipal Code, the director may, on his or her own motion or on complaint, and after investigation and a show-cause hearing at which the licensee shall be afforded an opportunity to be heard, suspend, or revoke, fine, fine in lieu of suspension, or place conditions on any license previously issued by him for any violation of any of the following circumstances provisions, requirements, or conditions:

(1) The licensee has failed to pay the annual license fee; or that Any fact or condition exists which would qualify for the denial of the license;

(2) The licensee has made any false statement in the application for a license as to any of the facts required to be stated in such application; or that The licensee has failed either to file the required reports or to furnish such information as may be reasonably required by the director
under the authority vested in the director by the terms of the provisions relating to the specific license:

(3) The licensee has failed either to file the required reports or to furnish such information as may be reasonably required by the director under the authority vested in the director by the terms of the provisions relating to the specific license; or that The licensee, either knowingly or without the exercise of due care to prevent the same, has violated any of the conditions required for the license as specified in this Code or rules and regulations adopted pursuant thereto;

(4) The licensee, either knowingly or without the exercise of due care to prevent the same, has violated any terms of the provisions pertaining to the license or any regulation or order lawfully made under and within the authority of the terms of the provisions relating to the license; or

The licensee has failed to maintain the licensed premises in compliance with the requirements of the Denver Building and Fire Code, the electrical code of the City and County of Denver, the Denver Zoning Code, Former Chapter 59, rules and regulations issued by the department of public health and environment, or any other state or local law; or

(5) Any fact or condition exists which, if it had existed or had been known to exist at the time of the application for such license, would have warranted the director in refusing originally to issue such license; or that

(6) The licensee, or any of the agents, servants, or employees of the licensee, have violated any rule or regulation promulgated by the director under this Code relating to the specific license issued; or that

(7) The licensee has failed to maintain the premises in compliance with the requirements of the Denver Building and Fire Code; the electrical code of the City and County of Denver; the zoning code; or department of public health and environment; or that

(8) The licensee, or any of the agents, servants or employees of the licensee, have violated any ordinance of the city or any state or federal law on the premises or have permitted such a violation on the premises by any other person; provided, however, this paragraph shall not apply to permitted behavior on the premises concerning the possession, consumption, display, or use of cannabis or cannabis accessories as may otherwise be permitted by the Revised Municipal Code or state law.; or that

(b) No suspension under this section shall be for a longer period than six (6) months. Notice of suspension or revocation, as well as any required notice of a show-cause hearing, shall be given by mailing the same in writing to the licensee at the licensee's last address of record with the director.
Sec. 32-23. – Emergency Summary suspension.

If the director of excise and licenses finds that probable cause exists for revocation or suspension of any license for the privilege of conducting a business trade or profession regulated and controlled under the police authority of the city, the director may enter an order for the immediate suspension of such license, pending further investigation, for a period not exceeding fifteen (15) days. This section shall be in addition to the other penalties specified in this chapter and to the other penalties specified in the chapter, article or regulation pertaining to the particular license sought.

Where the department has objective and reasonable grounds to believe and finds, upon a reasonable ascertainment of the underlying facts, that the licensee has been guilty of deliberate and willful violation or that the public health, safety, or welfare imperatively requires emergency action and incorporates the findings in its order, it may summarily suspend the license pending proceedings for suspension or revocation which shall be promptly instituted and determined as provided in section 32-22.

Section 5. Amend Article 2 of Chapter 32 by adding the language underlined and deleting the language stricken, to read as follows:
