

CIVIC CENTER NEXT 100: CIVIC CENTER PARK + BANNOCK STREET CONCEPT DESIGN

Public Workshop #2

What do you imagine for the next 100 years of Civic Center?

Please join us for the second virtual public workshop to share your feedback on concept design options.

Civic Center Next 100 takes the 2005 Civic Center Master Plan and brings it to life for the Denver of today and the generations to come.

Located at the heart of the city and surrounded by many of our key civic and cultural institutions, Civic Center has served as Denver's most significant gathering spot for cultural events, festivals, and First Amendment rallies for over 100 years. It is Denver's first National Historic Landmark and honoring its history is critical as we envision its future.

Improvements to Civic Center will catalyze new activity and animate the heart of Denver. The transformation of four key areas will fulfill past community-driven planning visions and elevate Denver's First National Historic Landmark
