*As with all design and construction projects, schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.*

**Brief project description**

This is a community-led master planning process for a currently undeveloped 13-acre parcel of land in the Gateway-Green Valley Ranch neighborhood. The project involves community engagement at all phases to ensure community input is shaping the design and programming of the future park. The project will result in a full master plan document and initial concept design for the new neighborhood park at 47th & Walden.

Future Park Site at E 47th Ave & Telluride St
