*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

Brief project description

The project is a vision, site and space planning effort to analyze the historic Civilian Conservation Corps (CCC) Camp for best use and purpose. The process involves inventory, discovery and stakeholder coordination in efforts to engage input while investigating site opportunities and constraints to generate a preferred vision and concept plan.

Draft site concept

Flagpole circle
