Brief project description
The Sand Creek Regional Greenway Trail project will complete a continuous paved trail from Peoria at Martin Luther King Jr. Boulevard to I-70 and Quebec St. The project includes approximately 3.1 miles of new trail for walking, jogging and bicycling along Sand Creek. The project will protect existing waterways and trees while restoring habitat and native vegetation. Parking will be provided to access the trail from Smith Road.

*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.
