Stout Street Children's Park

Playground Replacement

**Brief project description**

Complete removal and replacement of the existing play equipment and safety surfacing at Stout Street Children’s Park. New equipment includes a climbing tower and play areas for children 2-5 and 5-12. The basketball hoop will remain with additional concrete and seating areas being added. No trees will be removed. Art will be included in the project and DPR will work with a local artist to develop a custom arbor at the park entrance.

**Project Details**
