University Hills Acquisition

E. Iliff Ave and S. Bellaire St.

**Brief project description**

With funding from the 2018 voter approved Parks Legacy Fund, DPR purchased the former Groundcovers Greenhouse site, located in SE Denver, in 2019. The nearly two acre site fulfills the goals of DPR’s Strategic Acquisition Plan to close the 10-minute walk gap and provide equitable access and park space in historically underserved neighborhoods. A Master Planning and Public Outreach process will begin in 2022 that will lead to design and construction of a new neighborhood park in future years.
