I am committed to crime prevention through problem-solving and community relationships.

I encourage you to become involved in your community to stay informed about the specific issues and important events, be proactive in crime prevention and play an active role in the decision-making processes affecting your neighborhood.

The Citizen’s Advisory Board (CAB) meeting is one way you can get involved. Not only do you hear about the statistics for the entire district, you also get to ask me your specific questions. It’s a great opportunity to meet your local Denver Police officers while staying informed.

CAB meetings are held the 2nd Wednesday of each month at the District 4 station. If you require an ASL interpreter, please email us at DPDDistrict4@Denvergov.org at least 3 days prior to the meeting.

Be an activist! Be involved!
