(c) The filing fee for an appeal of a Notice or Order is $25.00. Payments by check must be payable to the Manager of Finance.

(d) Timely filing of the Petition and payment of the filing fee are jurisdictional prerequisites to an appeal.

2.02. Petition for Review.

(a) Content. All petitions, briefs, and other papers must be written or typed, and if any of these papers are illegible, the Manager may refuse to accept the filing. No particular form of Petition is required, provided the information set forth below is included:

(i) Petitioner’s name, mailing address, and telephone number.

(ii) If Petitioner has legal representation, the name, mailing address, and telephone number of that representative.

(iii) The Code provision(s) and, if any, the rule and regulation at issue; the dollar amount in controversy; and the time during which the matter at issue accrued or occurred.

2.04. **Parties; Representation; and Service of Documents.**

(a) **Parties.** The parties to a hearing are the Petitioner (the person or entity, to whom the appealed Notice or Order was issued) and the Department of Environmental Health on behalf of the City ("Department") as the Respondent.

(b) **Representation.** A natural person may represent himself-or herself or be represented by an attorney admitted to practice in any of the United States. If the Petitioner is not a natural person or sole proprietor, it must be represented by an attorney admitted to practice in any of the United States unless the Board allows a shareholder, member, partner, board member, or officer to represent the business entity. In this case, the representative of the business entity must submit a properly executed power of attorney at or before the hearing.

(c) **Service of Documents.** Upon filing any document with the Board, the party filing the document shall provide a copy of all documents filed to the other.

2.05. **Responsibilities of the Board and Hearing Officer.**

(a) **Determination of Each Appeal.** The Board shall conduct a hearing on each accepted Petition, including those submitted for determination based on written argument and written statement of facts.

(b) **Assignment of Hearing Officer.** The Board, at its sole discretion, may delegate the conduct of the hearing or the review of a matter submitted for determination based on written argument and written statement of facts to a Hearing Officer.

(c) **Necessary and Incidental Duties and Functions.** The Board shall perform the duties and functions necessary and incidental to determining the matter, hearing all evidence, examining all documents, ruling on
evidentiary questions, and generally conducting a quasi-judicial proceeding in conformance with the Code, these Rules, and other applicable rules and regulations.

(d) **Subpoenas.** Upon request by any party, any Board member may issue a subpoena. The party requesting the subpoena shall serve it upon the person whose attendance is required and provide notice to all other parties and interested persons in accordance with Rule 45 of the Colorado Rules of Civil Procedure. All costs related to the subpoena, including witness and mileage fees, must be paid by the requesting party in accordance with Rule 45.

(e) **Hearing Date.**

(i) Generally, hearings will be scheduled in the order petitions are filed, but may be scheduled out of order as the hearing clerk finds appropriate. Hearings and cases submitted for consideration based on written argument and written statement of facts may be scheduled at any regularly scheduled Board meeting or at other times as requested by the Chair. If requested, the hearing clerk may grant each party one rescheduling request. At the request of either party, the Board may grant continuances for good cause shown.

(ii) No later than ten (10) days before the hearing, the hearing clerk shall provide written notice of the date, time and place of all hearings to the parties. Written notice must be sent to the Petitioner via first class mail at the address specified in the Petition and to the director of the appropriate department division.

(f) **Ex Parte Communications.** All oral and written communications between any party with any Board member or the Hearing Officer that are not on the record, concern the subject matter of the appeal, and are made without the other party present or copied on written correspondence are prohibited.

2.06. **The Hearing.**

The following rules apply to all hearings on petitions for review of a Notice or Order. The Board, as that term is used in this Rule 7, includes an appointed Hearing Officer.

(a) **Department Response.** The Department may file a response to the Petition and provide other information to the Board that it believes will assist the Board to decide the matter. The response is due within 14 days of the Department’s receipt of the Petition.
(b) Petitioner's Appearance/Failure to Appear. Any Petitioner who fails to appear at a scheduled hearing waives the right to a hearing and adjudication of issues related to the hearing, provided that notice of the hearing was mailed in the time and manner set forth in Rule 4.e.ii. Failure to appear at a hearing that is noticed in accordance with those requirements, may result in dismissal of the Petition and affirmation of the Notice or Order.

(c) Prehearing Statement. At the request of any Board member or upon a motion from a party, the Board may require the parties to file a prehearing statement. The purpose of a prehearing statement is to define the issues to be presented; identify the witnesses and exhibits to be presented, the time required for the hearing; and, disclose generally the nature of the testimony to be presented to allow a fair hearing of the issues. The prehearing statement must be filed at least five (5) business days before the hearing date, or as otherwise ordered by the Board. The prehearing statement must present the issues raised by the Petition, agreed and disputed facts, copies of exhibits not included with the Petition, names of witnesses with a brief statement summarizing their testimony, and if either party expects that more than 15 minutes will be needed to present their case, a request for a specific amount of time. Petitioner's exhibits must be numbered and the Department's exhibits must be lettered. If a prehearing statement is required and a party fails to list witnesses or to provide copies of exhibits to the prejudice of the other party or the Board's consideration of the issues, the Board may disallow testimony by unlisted witnesses and may refuse to admit unlisted exhibits into evidence, except for purposes of rebuttal.

(d) Order of proceedings. The order of proceedings will be:

   (i) Docket call by the Board.

   (ii) Administration of Oath.

   (iii) Opening statement by a representative of the Department, unless waived or reserved until the opening of the Department's case.

   (iv) Opening statement by Petitioner, unless waived.

   (v) Presentation of testimony and other evidence by Petitioner, allowing cross-examination by the Department (exhibits shall be lettered for identification).
(vi) Presentation of testimony and other evidence by the Department with cross-examination by Petitioner (exhibits shall be numbered for identification).

(vii) Rebuttal testimony and evidence, if any.

(viii) Sur-rebuttal testimony and evidence, if the Board chooses.

(ix) Argument, if is desired by the Board:

(A) Closing argument by Petitioner summarizing the evidence, legal basis and argument in support of its position. If the Petitioner chooses not to present a closing argument, none shall be allowed by the Department.

(B) Closing argument by the Department summarizing the evidence, legal basis and argument in support of its position.

(x) Instead of or in addition to argument, the Board may request the submission of written briefs.

(e) Testimony under Oath. All oral testimony must be given under oath administered by the Board or the Hearing Officer in substantially the following form: "Do you solemnly swear or affirm that the testimony you are about to give is the truth, the whole truth, and nothing but the truth?" with a required affirmative response.

(f) Rules of Procedure and Rules of Evidence. The hearings shall be conducted generally in accordance with these Rules regardless of whether it conforms to common law or statutory rules of procedure or rules of evidence. The Board may receive and consider evidence not admissible under the Colorado Rules of Evidence if it possesses probative value commonly accepted by reasonable and prudent persons in the conduct of their affairs. The Board may use the experience, technical competence, and specialized knowledge of any of its members in the evaluation of evidence presented.

(g) Burden of Proof.

(i) Notices and Orders of the manager are presumed to be correct. The Notice or Order serves as prima facie evidence of the existence of the violation.

(ii) The Petitioner has the burden of persuasion and must prove by a preponderance of the evidence (presented at the hearing or submitted by written brief and supporting material) that the Notice or
Order is legally contrary to the applicable ordinances, rules and regulations or that the facts presented do not show a violation of the applicable ordinance or rules and regulations.

(iii) For procedural efficiency, the order of proceedings may be altered to require the Department to present its case in support of the Notice or Order first. The burden of persuasion, however, remains with the Petitioner to show the correctness of its position by a preponderance of the evidence.

(h) **Expert Witnesses.** A witness intending to give opinion testimony must first be qualified as an expert.

(i) **Recordings and Transcripts.** All hearings must be recorded or transcribed. A copy of the recording or transcript of a recording will be provided at the expense of the party who requests it.

2.07. **Presentation of Case at Hearing.**

(a) **Time Allowed.** The Petitioner and the Department will each have fifteen minutes to present their respective cases (opening statement, presentation of evidence, rebuttal evidence, and closing statement) to the Board unless one of the parties has requested more time to present its case. Cross-examination time is not included in the fifteen-minute time limit. A request for additional time must be made in the prehearing statement, if one is required. Otherwise, the request must be made in writing at least seven days before the hearing. In determining whether and how much additional time to allow, the Board shall consider the complexity of the case, the needs of due process, and fairness to the Parties. This Rule is intended to afford a full and fair hearing of each Petition in an orderly and expeditious manner that will allow for prompt hearing of Petitions.

(b) **Copies.** Copies made by printers and by duplicating and facsimile machines may be admitted into evidence or substituted in evidence in place of original documents.

(c) **Electronic Documents.** An electronic document, a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature may be admitted into evidence or substituted in evidence in place of original documents.

2.08. **Submission on Written Briefs.**
A Petitioner may choose to submit the case on written briefs, supporting
data, affidavits, or stipulated facts rather than through oral testimony at a
hearing. If the Petitioner chooses to submit a case on written briefs:

(a) He or she must provide written notice of this election to the Manager at
least seven (7) days before the hearing;

(b) The Department is limited to submitting its position in writing.

(c) The Board shall establish a briefing schedule and provide written notice of
it to the parties.

2.09. **Recommended Decision.**

(a) **Timing.** The Hearing Officer shall make a written Recommended Decision,
which must be sent to Petitioner by first class mail, postage prepaid and
provided to the department within 30 days of the date of the hearing.

(b) **Outcome.**

(i) If Petitioner did not carry its burden of persuasion, the Hearing Officer
may: uphold the Notice or Order; uphold, suspend, or reduce the civil
penalty; and require payment of any outstanding assessed civil
penalties and costs by a specified date.

(ii) If Petitioner carried its burden of persuasion, the Hearing Officer may
dismiss the Notice or Order and overturn the assessment of civil
penalties.

(c) **Effect.** Unless a party timely requests the Board to review a Hearing
Officer’s Recommended Decision in accordance with Rule 1.02(a) the
Recommended Decision becomes the Decision of the Board on the date
it is served upon Petitioner by personal service, or if served via U.S. Postal
Service, ten days after it is sent first class mail, postage prepaid.

2.10. **Petition for Board Review of Recommended Decision.**

(a) Any party may file a Petition for Board Review of the Hearing Officer’s
Recommended Decision. The Petition must be filed with the Board within
ten (10) days of mailing of the decision. For the purpose of this filing
requirement, for a Petition sent via first class mail, postage prepaid, or via
overnight delivery service, the date of filing will be the date postmarked or
delivered to the City, respectively.
(b) No particular form of Petition for Board Review of the Hearing Officer’s
Recommended Decision is required, provided that the following
information is set forth in writing:

(ii) A summary of the party’s objections to the Hearing Officer’s findings
of fact, conclusions of law, and Recommended Decision;

(iii) A statement of the relief requested;

(iv) The name, address and telephone number of the party seeking
Board review of the Recommended Decision, and the name,
address and telephone number of that party’s legal representative, if any, authorized to present them in the matter; and,

(v) The signature of the party seeking Board review of the
Recommended Decision or of that party’s legal representative.

(c) The Board is not bound by a Hearing Officer’s Recommended Decision;
the Board’s review of Recommended Decisions, however, is limited to the
administrative record established at the underlying hearing before the
Hearing Officer.

(d) The administrative record includes all filings and documents provided to
the Hearing Officer before and during the hearing. If the matter was
submitted for determination on written briefs, the administrative record
includes the Recommended Decision, filings and documents submitted.
An index of the administrative record shall be provided to the parties at
the time the record is provided to the Board. The administrative record
should be provided to the Board at least seven days before the Board
meeting at which it is scheduled for Board review.

2.11. Final Decision; Compliance.

(a) When the Board issues a decision either after hearing or determining an
appeal in the first instance or after the Board reviews a Recommended
Decision, its decision becomes the Final Decision that is subject to review
under Rule 106(a)(4), C.R.C.P.

(b) If a Petition for Board review of a Recommended Decision is not filed
within ten (10) days, the Recommended Decision becomes the Board’s
Final Decision.

(c) All Final Decisions must be complied with. If a Final Decision includes a
conditional waiver of any civil penalty, in whole or in part, and Petitioner
does not fully comply with the conditions, the civil penalty is automatically reinstated in its entirety without further Board action.

PART III. VARIANCE

3.01. Initiating a Variance on Appeal. Subject to Sec. 24-2 of the Code, any person may appeal to the Board for a variance from the terms of any ordinance enforced by the Department, including any rules and regulations adopted pursuant thereto. (C) The variance, if granted, would be in harmony with the spirit and purposes of the ordinance, rule, or regulation being appealed.

(vi) Petitioner’s signature or that of Petitioner’s legal representative.

3.03. Sufficiency.
If a legible Petition is timely filed with the filing fee and substantially
provides the information described in Rule 3.02, the Manager shall accept
the Petition. If the Petition is illegible or does not substantially provide the
information described in Rule 3.02, the Manager may refuse to accept the
filing, but must provide written notice to the Petitioner describing the
deficiency. If the Petition and filing fee were refused, Petitioner may
submit an amended Petition.

3.04. Parties; Representation; and Service of Documents.

(a) The parties to a hearing are the person or entity appealing for a variance,
as the Petitioner, and the Department of Environmental Health on behalf
of City as the Respondent.

(b) A natural person may represent himself-or herself or be represented by an
attorney admitted to practice in any of the United States. If the Petitioner
is not a natural person or a sole proprietor, it must be represented by an
attorney admitted to practice in any of the United States unless the Board
allows a shareholder, member, partner, board member, or officer to
represent the business entity. In this case, the representative of the
business entity must submit a properly executed power of attorney at or
before the hearing.

(c) Upon filing any document with the Board, the party filing the document
shall provide a copy of all documents filed to the other party.

proceeding in conformance with the Code, these Rules, and other
applicable rules and regulations.

(c) Subpoenas. Upon request, any Board member may issue a subpoena. The
party requesting the subpoena shall, serve it upon the person whose
attendance is required and provide notice to all other parties and
interested persons in accordance with Rule 45 of the Colorado Rules of
Civil Procedure. All costs related to the subpoena, including witness and
mileage fees, must be paid by the requesting party in accordance with Rule 45.

(d) Setting and Notice Hearing.

(i) Setting a Hearing. Generally, hearings will be scheduled in the order petitions are filed, but may set out of order as the Board secretary determines is appropriate. Hearings and cases submitted for consideration based on written argument and written statement of facts may be set at any regularly scheduled Board meeting or at other times as requested by the Chair. If requested, the Board secretary may grant each party one rescheduling request. At the request of either party, the Board may grant continuances for good cause shown.

(b) Petitioner's Appearance / Failure to Appear.
(i) A Petitioner seeking a variance opposed by the Department who fails to appear at a scheduled hearing waives the right to a hearing and adjudication of issues related to the hearing, provided that notice of the hearing was mailed in the time and manner set forth in Rule 3.05 (d)(ii) above. Failure to appear at a hearing that is noticed in accordance with those requirements may result in denial of the variance request or dismissal. Petitioner may re-file, and at the Board’s discretion, the fee for the re-filing may be waived, in whole or part.

(ii) If the Department supports the Petition and request for variance, the Petitioner may appear at the hearing before the Board and present evidence and arguments, or may allow the Department to present the matter to the Board. However, the Board is not bound to accept the Department’s recommendation, and the Petitioner’s failure to appear is a final waiver of the right to appear and present evidence and arguments on its own behalf.

(c) Order of Proceedings. The order of proceedings will be:

(i) Docket call by the Board.

(ii) Administration of oath.

(iii) Presentation of testimony and other evidence by Petitioner, allowing cross-examination by the Department (exhibits shall be lettered for identification).
