**MEMORANDUM**

TO: All Eligible Candidates for the 2026 Fire Engineer Examination  
Denver Fire Department (DFD)

FROM: Gracie Perez  
Executive Director, Denver Civil Service Commission

SUBJECT: Rectification of Premature Closing - Job Posting (Fire Engineer, R0079085)

DATE: March 2, 2026

It has come to our attention that the job posting for Denver Fire Engineer (Requisition # R0079085) closed prematurely on February 27, 2026 at 11:59 PM due to unexpected interpretation of the data-entered closing date in the Applicant Tracking System (Workday). The intended registration closing date, as previously posted, was February 28, 2026.

To ensure we have a robust, competitive, and fair candidate pool, we will rectify this immediately. The posting will be live for one final day, today, March 2, 2026 at 12:00 PM to March 3, 2026 at 12:00 PM.

If you were unable to submit your application, please do so within this timeframe. If you have already applied, no action is needed, and your application is under review.
