LEGAL MATTERS & CRIMINAL CONVICTIONS

GENERAL CONSIDERATIONS

CONVICTION: See page 5 for the definition of "Conviction." Throughout this booklet the term "Conviction" applies to the following categories of offenses:

1. Any adult criminal offense;
2. Any juvenile offense when the juvenile was charged as an adult;
3. Any juvenile offense adjudicated in a juvenile court when the offense would be classified as a felony or misdemeanor (as applicable) if committed by an adult.

JUVENILE RECORD OR ADULT CRIMINAL RECORD: If you are unsure of the formal legal status of any items in your juvenile record or your adult criminal record, you are urged to obtain a copy of your criminal history. If after reviewing your juvenile or criminal history you still have questions, you should obtain legal advice prior to submitting your application. Civil Service Commission staff cannot provide you with legal advice in these matters.
SEALED OR EXPUNGED RECORDS: Juvenile records and adult criminal records are not automatically “expunged” or “sealed”. To be expunged or sealed, it requires an “order of the court”. If a criminal record or juvenile record has been sealed or has been expunged, by an order of the court, or if a criminal conviction has been pardoned, it may have an effect on how you answer certain questions in the application process.

KEY DEFINITIONS – LEGAL & CRIMINAL RELATED STANDARDS

CONVICTION– ADJUDICATION, definition of:
The result of a criminal trial regarding any federal, state, or local law that ends in entry of a final judgment/sentence, following a verdict of guilty (by the court or jury), or following a plea of guilty or no contest.

"Conviction" shall include an "Adjudication" which is an entry of final judgment/sentence following a determination by a juvenile court that it has been proven beyond a reasonable doubt to the trier of fact that the juvenile has committed an offense that would have been a crime had it been committed by an adult (i.e. commission of a delinquent act), or following an entry of a plea of guilty or no contest to a charge of committing such an offense.

"Conviction" does not include an entry of a final judgment/sentence that has been pardoned, reversed, set aside, or otherwise rendered null and void; or for which the criminal record or the juvenile record thereof has been formally sealed, or has been formally expunged, by order of the court.

"Conviction" does not include a deferred prosecution, deferred judgment, or deferred sentence.

FELONY, definition of:
A criminal offense that is classified as a “felony” under the federal, state or local laws in the jurisdiction where the subject charge was filed; to also include any juvenile offense that would constitute a “felony” criminal offense in that jurisdiction, if committed by an adult. (Example: Criminal record may show “F4”, meaning a “4th Degree Felony”.)

MISDEMEANOR, definition of:
A criminal offense that is classified as a “misdemeanor” under the federal, state or local law in the jurisdiction where the subject charge was filed; to also include any juvenile offense that would constitute a “misdemeanor” criminal offense, if committed by an adult. (Example: Criminal record may show “M1”, meaning a “1st Degree Misdemeanor”.)

GENERAL DISQUALIFIERS – NO LEGAL IMPEDIMENTS

It shall be subject to a 12-month time period for disqualification.

**Exception Regarding Employment In A State Regulated Marijuana Business:** The purchase, possession, growing, manufacture, distribution or sale of Marijuana (or any of its derivatives) as prohibited by Commission Rule and these minimum qualifications will result in a presumptive disqualification. Applicants who test are required to maintain the integrity of the tests and will be required to sign a confidentiality agreement at the time of the written test and at the time of the practical test. Additionally, applicants who are processed will be subject to questions during the polygraph regarding maintenance of the confidentiality agreement.

Written Test: The written test will be administered on date/time and at location indicated in the original job posting. The determination of the minimum passing score on the written test shall be made by the Civil Service Commission after all applicants’ answer sheets have been scored but before any applicant's identity is known by any Commissioner.
**Failing the Written Test:** Applicants who fail the Written Test will be required to wait until the next Mechanic registration period to re-apply, unless otherwise provided by Commission Rule.

**The following steps are required only if applicants pass the Written Test and are selected for additional testing and screening:**

When selecting individuals for additional testing and screening, the Commission will consider an applicant’s Written Test score and the anticipated personnel needs of the Department of Safety.

**PHASE III—COMPLETION OF BACKGROUND HISTORY PACKET**

Commission Review

Applicants selected for further screening/processing are required to complete a background history packet detailing, but not limited to: general personal information, education and training, military service, employment, experience and volunteer history, motor vehicle record, drug use, alcohol use, legal issues, references, and financial information. The information provided must be complete and honest. Omissions or falsification of information may be grounds for disqualification.

**PHASE IV—WRITTEN SUITABILITY ASSESSMENT**

Commission Review

This phase consists of a battery of non-medical written tests specifically designed to assess behavior and character traits to determine if an individual is suitable for employment as a Police Officer or Firefighter. The written suitability tests are not pass/fail however, a Commission designated psychologist utilizes the assessment as one tool in their review to determine if an applicant is rated as “suitable” or “unsuitable” to continue in the screening process.

**PHASE V—POLYGRAPH**

Commission Review

All applicants take a polygraph examination. The polygraph is used in review of an applicant’s qualifications and suitability.

**Fee Assessed for Not Attending/Late Arrival for Scheduled Polygraph Appointment:** Applicants unable to attend their scheduled appointment are required to cancel their appointment by contacting the polygraph examiner at least 24 hours in advance. Applicants who arrive late to a scheduled appointment will be required to reschedule and pay the administration fee, up to $200.00 assessed by the polygraph examiner.

Applicants who are a “no-call/no-show” for their appointment will be removed from the testing process and disqualified. Furthermore, a “no-call/no-show” applicant will also be prohibited from re-applying until this assessed fee is paid.

**PHASE VI—SUITABILITY ASSESSMENT/INTERVIEW**

Suitable/Unsuitable

Applicants will be interviewed by a licensed psychologist retained by the Commission. The application documents and Background History Form, along with the results of the Written Suitability Assessment, the Polygraph, and the Suitability interview, are all used by the psychologist to assign a rating to each applicant. Applicants must have an acceptable rating to continue in the examination process. The psychologist’s review of the written suitability tests, and his/her interview of the applicant, are both non-medical in nature and are used in an assessment of an applicant’s behavior and character traits to
determine if an individual is at significant risk for employment problems as a Denver Firefighter. The report on any individual deemed “unsuitable” by the psychologist, will be submitted to the Civil Service Commissioners for additional review. Upon the Commissioners’ review of the report, it will be determined whether an applicant moves forward in the process. An applicant who is not moved forward by the Commissioners will be removed from further processing and prohibited from reapplying to either Denver Fire Depart or Denver Police Department for a period of (1) year from date of notification.

**Fee Assessed for Not Attending/Late Arrival for Scheduled Suitability Interview:** Applicants unable to attend their scheduled appointment are required to cancel their appointment by contacting the psychologist at least 24 hours in advance. Applicants who arrive late to a scheduled appointment will be required to reschedule and pay the administration fee, up to $200.00 assessed by the psychologist.

Applicants who are a “no-call/no-show” for their appointment will be removed from the testing process and disqualified. Furthermore, a “no-call/no-show” applicant will also be prohibited from re-applying until this assessed fee is paid.

**PHASE VII — PRELIMINARY FILE REVIEW**

At various times during the examination and screening process an applicant’s file will be reviewed by the Executive Director and/or designated Commission staff to determine qualifications and suitability for hire. An applicant will be subject to immediate disqualification at any time for failure to meet the minimum qualifications and standards established by the Commission. In addition, any falsification, omission of information, or material misrepresentation of fact by an applicant may also be grounds for disqualification. Applicant files may also be reviewed by the Commissioners for suitability. Applicants who fail preliminary review will be removed from further processing and prohibited from reapplying to either Denver Fire Depart or Denver Police Department for a period of (2) year from date of notification.

**PHASE VIII — BACKGROUND INVESTIGATION**

Applicants will be investigated as to character, conduct, driving record, employment, criminal history, and references. The background investigator will also use the results of the polygraph exam and the suitability assessment when conducting the background investigation. The results of the background investigation will be reviewed by the Civil Service Commission and are considered confidential.

**PHASE IX — COMMISSION DELIBERATIVE REVIEW**

The results of the background investigation, polygraph and suitability assessment, along with information contained in the applicant’s file related to qualifications and suitability will be reviewed, by the Board of Civil Service Commissioners. An applicant must meet the minimum standards related to qualification and suitability to the satisfaction of a majority of the Commission, to be approved for placement on the eligible register. Applicants who fail Commissioners’ Deliberative Review will be removed from further processing and prohibited from reapplying to either Denver Fire Depart or Denver Police Department for a period of (2) year from date of notification.

**PHASE X — DEPARTMENT INTERVIEW**
**PHASE XI—PRACTICAL TEST**

**Practical Test:** A practical test will be administered to applicants who receive a passing score on the Written Test and pass all additional Civil Service Commission testing and screening. The practical test will be administered at the Denver Fire Department mechanic shop. Selected applicants will be notified via email date of the specific logistics as well as their specific date and time for the practical test.

**Ranking/Final Examination Score/Examination List:** Applicants who pass the Written Test and who successfully complete the Practical Test will be ranked based on their sum of the converted written test score and the converted practical test score, plus any Military Veteran Preference Points, as applicable. A total of either five (5) or ten (10) Veteran preference points (no more than a total of ten points) shall be added to the Converted Written Test Score and Converted Practical Test Score of any applicant who qualifies.

**THE ORDER OF TEST PHASES:** The Commission reserves the right to change the order of test phases as required. APPLICANT RESPONSIBILITY FOR ADDITIONAL TEST PHASES

If an applicant anticipates the need to miss any scheduled test or appointment, an alternate schedule must be requested in writing from the Civil Service Commission. All requests will be evaluated on a case-by-case basis. Rescheduling will occur only if an available time slot exists. If no alternate time exists, and the applicant cannot attend the originally scheduled time, the applicant will be disqualified from further testing.

Applicants who fail to show for further phases when notified in writing may be stricken from the examination list and disqualified from further phases. Failure to appear on time for any part of the examination as set forth herein or for any other scheduled appointment may also result in potential disqualification from further testing.

ELIGIBLE REGISTER

An Eligible Register for original appointment shall be established and maintained to accommodate anticipated personnel needs of the Department of Safety. An eligible register shall contain a rank order listing of the names of approved applicants from the corresponding examination list. Applicants who pass all above mentioned Commission test phases may be placed on an eligible register for original appointment for possible certification to the Executive Director of Safety, if their final examination score so warrants.

CERTIFICATION

When a requisition to hire for a Mechanic has been received from the Executive Director of Safety, the Commission shall certify to the Manager of Safety a list of names equal to the number to be appointed plus as many names from the respective Eligible Register in rank order as the Commission deems necessary. From the certification list received, the Executive Director of Safety shall select those applicants, in consideration of an appointment, who are to receive a conditional offer of employment.

FIRE DEPARTMENT PANEL INTERVIEW

Applicants who have been certified for consideration for original appointment as a Mechanic may be subject to an interview by a panel of members from the Denver Fire Department.

CONDITIONAL OFFER OF EMPLOYMENT

The Executive Director of Safety retains the authority to extend a conditional offer of employment or to rescind a conditional offer based on the provisions of the City and County of Denver Charter, the Denver Civil Service Commission Rules, and other relevant legal authority (including the Americans with Disabilities Act).

A conditional offer of employment may be revoked if an applicant is unable to perform the essential functions of the job (with or without reasonable accommodation); poses a direct threat to the health and safety of themselves or others; is unable to comply with the post-conditional offer appointment schedule; or is unable to begin work with the Denver Fire Department when scheduled. The conditional offer may also be revoked should an applicant have his/her name removed from the Eligible Register or be determined that he/she does not meet the qualifications for original appointment.
Applicants receiving a conditional offer of employment from the Executive Director of Safety are subject to the following:

**MEDICAL EVALUATION:** Applicants shall be required to successfully undergo a medical evaluation at the City’s expense. The medical evaluation includes, but is not limited to, a medical examination, a psychological test, a post-job offers questionnaire, a psychological evaluation, and a drug screen. In order to be hired, each applicant must be able to perform the essential functions of the job (with or without reasonable accommodation, as appropriate). Further, the applicant shall not pose a direct threat to the health and safety of themselves or others, as determined by a medical evaluation conducted by the approved medical examiner and psychologist, consistent with the Americans with Disabilities Act. Applicants shall be provided individual consideration in the assessment of any disability-related physical or mental limitations and the ability to provide reasonable accommodation for those limitations.

**DRUG SCREEN:** As part of the drug screen, drug use will be evaluated first against the Minimum Qualifications, and as appropriate on a case-by-case basis and may be grounds for disqualification. If the drug screen (hair follicle analysis) shows the use of a controlled substance, that fact may be cause for disqualification. Where use of a prescription drug is detected, applicants may be required to offer proof that the drug has been prescribed by a physician for the applicant. If the applicant is unable to provide such proof, employment may be denied. Employment may also be denied where future or continued use of a prescribed drug poses a threat to safety or would impair job performance. The question of future or continued use of a prescribed drug shall be referred to the medical examiner for an evaluation and recommendation under the Civil Service rules and other applicable legal authority.

**FINAL JOB OFFER**

Contingent on the number of available positions, final job offers will be made to certified applicants who have successfully completed all conditional offer testing/screening and who are able to perform the essential functions of the job (with or without reasonable accommodation) and who don’t otherwise pose a direct threat to the health and safety of themselves or others.
