The feedback report is formulated by comments from the assessors and provided solely for the use of the Candidate in identifying and evaluating opportunities for personal development. The information will not be considered nor used to formulate a Candidate's official Assessment Center score but instead is solely provided as a learning tool for the Candidate. All oral Assessment Center exercises will be videotaped. For the general administration of the Assessment Center, the assessors will not see the videos. The videos will be made for the Commission's records and allow candidates to review their performance after receiving the feedback report. Delayed individual administration of the Assessment Center, for the accommodation of Military Leave, may involve scoring a Candidate's videotaped exercises by the assessors.
