

# Denver Waste No More Implementation Task Force

Meeting 2: April 6, 2023, 2:00-5:00 pm  
<https://cbuilding.zoom.us/j/85147433673>

## Meeting Objectives

- Identify market, infrastructure, and other constraints
- Identify ways the roll-out of the WNM ordinance can/cannot account for/influence those issues, e.g., when compliance/enforcement should begin and phasing-in options
- Establish work groups and their tasks

## AGENDA

2:00 **Welcome + Introductions**

2:20 **Agenda Review + Process Agreements**

2:25 **Recap of March Meeting, Key Topics and Anticipated Workplan**

2:35 **Current Market / Infrastructure Constraints + Relevant Considerations for the WNM Roll-Out**

- Lessons learned from other jurisdictions
- Relevant local market/infrastructure realities
- Other relevant context
- Clarification questions before breaking into small groups

3:10 **Small Groups – Identify Relevant Constraints + Ways Ordinance Roll-Out Can/Should Adjust**

- Identify key constraints and considerations
- Identify high-level options for implementation roll-out

3:55 **Break**

4:00 **Full Group Debrief / Discussion**

- Key constraints and considerations
- Ordinance implementation roll-out options

- Next steps to study/evaluate options

4:30 **Advancing Today's Discussion: Work Groups + Caucus Groups**

- **Work groups** - address questions related to *WNM Ordinance/ Rules & Regs*; bring vetted options for Task Force to consider
- **Caucus groups** - *sector-specific* groups meet with City staff to discuss WNM challenges (and potentially recommendations for *future action* to include in Task Force Report)

4:50 **Next steps + May Task Force meeting**

5:00 **Close**
