

Northeast Transportation Connections

Website: NETransportation.org

Area covered (see [map](#) for full boundary): North and Northeast Denver

Services offered:

- Creating a TDM Plan
- Biennial survey (Tier 2)

West Corridor

Website: WestCorridor.org

Area covered (see [map](#) for full boundary): West Denver

Services offered:

- Creating a TDM Plan
- Annual Reporting
- Biennial survey (Tier 2)
- Resolving failure to achieve SOV reductions

Notes from the TMA: The West Corridor staff have deep experience in community engagement, facilitation and conflict resolution and can help a development applicant build bridges with adjacent property owners, nearby residents and landowners, registered neighborhood organizations and stakeholders from across the city and the region to help the community understand how TDM strategies can alleviate concerns over parking, traffic and more.

Denver South

Website: Denver-South.com

Area covered (see [map](#) for full boundary): Denver Tech Center (DTC) area

Services offered:

- Creating a TDM Plan
- Annual Reporting
- Biennial survey (Tier 2)
- Resolving failure to achieve SOV reductions

Notes from the TMA: Denver South offers services free of charge to organizations within its TMA jurisdiction.
