

## **Seneca Holmes**

### **Chief Neighborhood Equity & Stabilization Officer**

Seneca Holmes is the Chief Neighborhood Equity and Stabilization (NEST) Officer. NEST works to promote equitable economic development and opportunity in Denver's fastest growing communities. Seneca has 20 years' experience in economic development, with a focus on implementing innovative policies and initiatives that serve small business and low- and moderate-income communities.

Previously, Seneca has served as the Director of Denver International Airport's small business Commerce Hub, the Denver Office of Economic Development's Neighborhood Director, and Strategic Advisor, and Denver Mayor's Office Assistant to the Mayor, and Economic Development Liaison.
