

## EXHIBIT B

### FINANCIAL ADMINISTRATION:

#### 1.1 Compensation and Methods of Payment

- 1.1.1 Disbursements shall be processed through the Denver Economic Development Opportunity (DEDO) - Financial Management Unit (FMU) and the City and County of Denver's Department of Finance.
- 1.1.2 The method of payment to the Contractor by DEDO shall be in accordance with established FMU procedures for line-item reimbursements. The Contractor must submit expenses and accruals to DEDO on or before the last day of each month for the previous month's activity. Voucher requests for reimbursement of costs should be submitted on a regular and timely basis in accordance with DEDO policies. Vouchers should be submitted within thirty (30) days of the actual service, expenditure or payment of expense, except for the final voucher for reimbursement.
- 1.1.3 The Contractor shall submit the final voucher for reimbursement no later than **forty-five (45) days after the end of the contract period.**
- 1.1.4 The Contractor shall be reimbursed for services provided under this Agreement according to the approved line-item reimbursement budget attached to and made a part of this Agreement (Exhibit A).

#### 1.2 Vouchering Requirements

- 1.2.1 In order to meet Federal Government requirements for current, auditable books at all times, it is required that all vouchers be submitted monthly to DEDO in order to be paid.
  - a. The first exception will be that expenses cannot be reimbursed until the funds under this contract have been encumbered.
  - b. The second exception will be that costs cannot be reimbursed until they total a minimum of \$35 unless it is a final payment voucher, or the final voucher for the fiscal year (ending December 31).
- 1.2.2 No more than six (6) vouchers may be submitted per contract per month, without prior approval from DEDO.
- 1.2.3 All vouchers for all Agreements must be correctly submitted within forty-five (45) days of the Agreement end date to allow for correct and prompt closeout.
- 1.2.4 City and County of Denver Forms shall be used in back-up documents whenever required in the Voucher Processing Policy.

- 1.2.5 Only allowable costs determined in accordance with 2 CFR Chapter I, Chapter II, Parts 200, 215, 220, 225 and 230, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards” (the “OMB Omni Circular”) applicable to the organization incurring the cost will be reimbursed.
- 1.2.6 The reimbursement request, or draw request, for personnel and non-personnel expenses should be submitted to the City on a monthly basis, no later than the last day of the following month for expenses incurred in the prior month. The request for reimbursement should include:
  - a. Amount of the request in total and by line item;
  - b. Period of services for current reimbursement;
  - c. Budget balance in total and by line item;
  - d. Authorization for reimbursement by the contract signatory (i.e., executive director or assistant director).
- 1.2.7 If another person has been authorized by the Contractor to request reimbursement for services provided by this contract, then the authorization should be forwarded in writing to DEDO prior to the draw request.
- 1.2.8 The standardized DEDO “Expense Certification Form” should be included with each payment request to provide the summary and authorization required for reimbursement.

### **1.3 Payroll**

- 1.3.1 A summary sheet should be included to detail the gross salary of the employee, amount of the salary to be reimbursed, the name of the employee, and the position of the employee. If the employee is reimbursed only partially by this contract, the amount of salary billed under other contracts with the City or other organizations should be shown on the timesheet as described below. Two items are needed for verification of payroll: (1) the amount of time worked by the employee for this pay period; and (2) the amount of salary paid to the employee, including information on payroll deductions.
- 1.3.2 The amount of time worked will be verified with timesheets. The timesheets must include the actual hours worked under the terms of this contract, and the actual amount of time worked under other programs. The total hours worked during the period must reflect all actual hours worked under all programs including leave time. The employee’s name, position, and signature, as well as a signature by an appropriate supervisor, or executive director, must be included on the timesheets. If the timesheet submitted indicates that the employee provided services payable under this contract for a portion of the total time worked, then the amount of reimbursement requested must be calculated and documented in the monthly reimbursement request.

- 1.3.3 A payroll register or payroll ledger from the accounting system will verify the amount of salary. Copies of paychecks are acceptable if they include the gross pay and deductions.

#### **1.4 Fringe Benefits**

- 1.4.1 Fringe benefits paid by the employer can be requested by applying the FICA match of 7.65 percent to the gross salary paid under this contract. Fringe benefits may also include medical plans, retirement plans, worker's compensation, and unemployment insurance. Fringe benefits that exceed the FICA match may be documented by 1) a breakdown of how the fringe benefit percentage was determined prior to first draw request; or, 2) by submitting actual invoices for the fringe benefits. If medical insurance premiums are part of the estimates in item #1, one-time documentation of these costs will be required with the breakdown. Payroll taxes may be questioned if they appear to be higher than usual.

#### **1.5 General Reimbursement Requirements**

- 1.5.1 Invoices: All non-personnel expenses need dated and readable invoices. The invoices must be from a vendor separate from the Contractor, and must state what goods or services were provided and the delivery address. Verification that the goods or services were received should also be submitted, this may take the form of a receiving document or packing slips, signed and dated by the individual receiving the good or service. Copies of checks written by the Contractor, or documentation of payment such as an accounts payable ledger which includes the check number shall be submitted to verify that the goods or services are on a reimbursement basis.
- 1.5.2 Mileage: A detailed mileage log with destinations and starting and ending mileage must accompany mileage reimbursement. The total miles reimbursed and per mile rate must be stated. Documentation of mileage reimbursement to the respective employee must be included with the voucher request.
- 1.5.3 Pager/Cell Phone: Written statement from executive director will be required certifying that cell phone is necessary and reasonable to run the program. And, if the monthly usage charge is exceeded in any month, a detailed phone log will be required for the amount of the overage.
- 1.5.4 Administration and Overhead Cost: Other non-personnel line items, such as administration, or overhead need invoices, and an allocation to this program documented in the draw request. An indirect cost rate can be applied if the Contractor has an approved indirect cost allocation plan. The approved indirect cost rate must be submitted to and approved by DEDO.
- 1.5.5 Service Period and Closeout: All reimbursed expenses must be incurred during the time period within the contract. The final payment request must be received

by DEDO within forty-five (45) days after the end of the service period stated in the contract.

## **2.1 Program Income**

- 2.1.1 Program income includes, without limitation, income from fees for services performed, from the use or rental of real or personal property acquired with contract funds, from the sale of commodities or items fabricated under a contract agreement, and from payments of principal and interest on loans made with contract funds.
- 2.1.2 Program income may be deducted from total allowable costs to determine net allowable costs and may be used for current reimbursable costs under the terms of this contract. Program income which was not anticipated at the time of the award may be used to reduce the award contribution rather than to increase the funds committed to the project. ALL PROGRAM INCOME GENERATED DURING ANY GIVEN PERIOD SUBMITTED FOR PAYMENT SHALL BE DOCUMENTED ON THE VOUCHER REQUEST.
- 2.1.3 The Contractor, at the end of the program, may be required to remit to the City all or a part of any program income balances (including investments thereof) held by the Contractor (except AS APPROVED IN WRITING BY DEDO, INCLUDING those needed for immediate cash needs, cash balances of a revolving loan fund, cash balances from a lump sum drawdown, or cash or investments held for section 108 security needs), unless otherwise directed in writing by DEDO.

Accounting records shall provide accurate, separate, and complete disclosure of fund status.
- 3.1.3 Effective internal controls and accountability must be maintained for all contract cash, real and personal property, and other assets. Adequate safeguards must be provided on all property and it must be assured that it is used solely for authorized purposes.

- 3.1.4 Actual expenditures or outlays must be compared with budgeted amounts and financial information must be related to performance or productivity data, including the development of cost information whenever appropriate or specifically required.
- 3.1.5 Applicable OMB Omni Circular cost principles, agency program regulations, and the terms of the agreement will be followed in determining the reasonableness, allowability and allocability of costs.
- 3.1.6 Source documents such as cancelled checks, paid bills, payrolls, time and attendance records, contract documents, etc., shall be provided for all disbursements. The Contractor will maintain auditable records, i.e., records must be current and traceable to the source documentation of transactions.
- 3.1.7 The Contractor shall maintain separate accountability for DEDO funds as referenced in 24 C.F.R. 85.20 and the OMB Omni Circular.
- 3.1.8 The Contractor must properly report to Federal, State, and local taxing authorities for the collection, payment, and depositing of taxes withheld. At a minimum, this includes Federal and State withholding, State Unemployment, Worker's Compensation (staff only), City Occupational Privilege Tax, and FICA.

- 4.1.3 A management letter, if issued, shall be submitted to DEDO along with the reporting package prepared in accordance with the Single Audit Act Amendments and the OMB Omni Circular. If the management letter is not received by the subrecipient at the same time as the Reporting Package, the Management Letter is also due to DEDO within thirty (30) days after receipt of the Management Letter, or nine (9) months after the end of the audit period, whichever is earlier. If the Management Letter has matters related to DEDO

funding, the Contactor shall prepare and submit a Corrective Action Plan to DEDO in accordance with the Single Audit Act Amendments and the OMB Omni Circular, as set forth in 24 C.F.R. Part 45 for each applicable management letter matter.

All audit related material and information, including reports, packages, management letters, correspondence, etc., shall be submitted to **DEDO Financial Management Unit**; [DEDOFMUAcctsPayable@denvergov.org](mailto:DEDOFMUAcctsPayable@denvergov.org)

- 4.1.4 The Contractor will be responsible for all Questioned and Disallowed Costs.
- 4.1.5 The Contractor may be required to engage an audit committee to determine the services to be performed, review the progress of the audit and the final audit findings, and intervene in any disputes between management and the independent auditors. The Contractor shall also institute policy and procedures for its sub recipients that comply with these audit provisions, if applicable.

### **5.1 Budget Modification Requests**

- 5.1.1 Minor modifications to the services provided by the Contractor or changes to each line item budget equal to or less than a ten percent (10%) threshold, which do not increase the total funding to the Contractor, will require only notification to DEDO with the next monthly draw. Minor modifications to the services provided by Contractor, or changes to each line item budget in excess of the ten percent (10%) threshold, which do not increase the total funding to Contractor, may be made only with prior written approval by DEDO. Such budget and service modifications will require submittal by Contractor of written justification and new budget documents. All other contract modifications will require an amendment to this Agreement executed in the same manner as the original Agreement.
- 5.1.2 The Contractor understands that any budget modification requests under this Agreement must be submitted to DEDO prior to the last Quarter of the Contract Period, unless waived in writing by the DEDO Director.

### **6.1 Procurement**

- 6.1.1 The Contractor shall follow the City Procurement Policy to the extent that it requires that at least three (3) documented quotations be secured for all purchases or services (including insurance) supplies, or other property that costs more than five thousand dollars (\$5,000) in the aggregate.
- 6.1.2 The Contractor will maintain records sufficient to detail the significant history of procurement. These records will include, but are not limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

- 6.1.3 If there is a residual inventory of unused supplies exceeding five thousand dollars (\$5,000) in total aggregate upon termination or completion of award, and if the supplies are not needed for any other federally sponsored programs or projects the Contractor will compensate the awarding agency for its share.

## **7.1 Bonding**

- 7.1.1 DEDO may require adequate fidelity bond coverage, in accordance with 24 C.F.R. 84.21, where the subrecipient lacks sufficient coverage to protect the Federal Government's interest.

## **8.1 Records Retention**

- 8.1.1 The Contractor must retain for five (5) years financial records pertaining to the contract award. The retention period for the records of each fund will start on the day the single or last expenditure report for the period, except as otherwise noted, was submitted to the awarding agency.
- 8.1.2 The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access, upon reasonable notice, to any pertinent books, documents, papers, or other records which are pertinent to the contract, in order to make audits, examinations, excerpts, and transcripts.

## **9.1 Contract Close-Out**

- 9.1.1 All Contractors are responsible for completing required DEDO contract close-out forms and submitting these forms to their appropriate DEDO Contract Specialist within sixty (60) days after the Agreement end date, or sooner if required by DEDO in writing.
- 9.1.2 Contract close out forms will be provided to the Contractor by DEDO within thirty (30) days prior to end of contract.
- 9.1.3 DEDO will close out the award when it determines that all applicable administrative actions and all required work of the contract have been completed. If Contractor fails to perform in accordance with this Agreement, DEDO reserves the right to unilaterally close out a contract, "unilaterally close" means that no additional money may be expended against the contract.

## **10.1 Collection of amounts due**

- 10.1.1 Any funds paid to a Contractor in excess of the amount to which the Contractor is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government and the City. If not paid within a reasonable period after demand, DEDO may; 1) Make an administrative offset against other requests for reimbursements, 2) Withhold advance payments otherwise due to the Contractor or, 3) other action permitted by law.
