

5280 TRAIL DEVELOPMENT ACOMA STREET SEGMENT

PROJECT BACKGROUND

This project will support the development of a two-block segment of the 5280 Trail on Acoma Street from 10th to 12th avenues. It will connect and provide safe travel between neighborhood destinations and open spaces. This development will also provide a central green space for recreation, relaxation and community events.

PROJECT INFORMATION

Location: Acoma St. from 10th to 12th avenues

District: 10
