

## BUELL THEATER BACKSTAGE RENOVATION

### PROJECT BACKGROUND

This project will renovate at least 18 restrooms, dressing rooms and other backstage areas at the Buell Theatre. Upgrades will address multiple Americans with Disabilities Act (ADA) deficiency findings and bring new life into a space that has remained unchanged since opening in 1991.

### PROJECT INFORMATION

Location: 1350 Curtis St.

District: 9

Neighborhood: Downtown

RISE Denver Funded Amount: \$1.05 million

Designer: Studiotrope

Contractor: TBD

### ECONOMIC BENEFITS

Approximately 16 jobs (created and continued)

\$1 million in wages to workers

\$2.1 million in economic output (sales activity to businesses)

### PROJECT BENEFITS

Increased accessibility and safety

Additional opportunities to attract new patrons
