

RESTROOM FACILITIES IMPROVEMENTS AND CONSTRUCTION

PROJECT BACKGROUND

Community-sized parks are heavily used by people from all over the City who require a safe, clean and private restroom facility and to ensure and maintain healthy use of parks. This project provides this necessary component through the design and construction of plumbed restroom facilities in Argo Park, Kennedy Soccer Complex, and Huston Lake Park. It also converts restroom facilities in Commons Park and Montbello Central Park to year-round, all-season functionality.
