Bus Rider Expectations

Thank you for riding with us! To keep you safe while on board, we ask that you follow these expectations:

Show respect toward fellow riders, drivers, service provider staff, people’s property, and the bus.

Follow driver instructions related to boarding/exiting the bus, sitting, standing, safety, etc.

Do not smoke, vape, or use any intoxicating substances, such as alcohol, marijuana, etc. while on the bus.

Do not use any hazardous or dangerous items on the bus, such as weapons/items that could be used as weapons, lighters, matches, etc.

Respect the personal space of other riders by avoiding physical or verbal attacks, harassment, threats, use of weapons, or other forms of violent behavior.

Please use caution when boarding and exiting the bus. Watch out for traffic.

If you have an issue with a fellow rider, you may attempt to work through it with them directly. If you are unable to resolve the issue on your own, please alert the driver.

If any of these expectations are not followed, drivers and service provider staff reserve the right to require you to get off the bus.
