REQUEST FOR RELEASE OF FUNDS

On or about 29 December 2025 the Department of Housing Stability (HOST) will submit a request to the US Department of Housing and Urban Development (HUD) for the release of Community Project Funding (CPF) funds under Consolidated Appropriations Act, 2024 (Public Law 118-42) (the FY2024 Act), and the Further Consolidated Appropriations Act, 2024 (Public Law 118-47) (the Further FY2024 Act), as amended, to undertake a project known as Re:Vision Westwood Food Hub for the purpose of the purchase and conversion of a vacant lot, located at 3401 W. Mississippi Avenue & 3400 West Tennessee Avenue in Denver, Colorado, into an urban farm with community education activities which would allow us to quadruple the amount of space we dedicate to urban farming to increase food security and community connectivity in Westwood. The vacant property is approximately one acre in size and located just 1.3 miles from Re:Vision's current main campus at 3800 Morrison Road. Total HUD funding for this project is \$800,000.00 in CPF funds, with a total estimated project cost of \$800,000.00.

FINDING OF NO SIGNIFICANT IMPACT

HOST has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR). Due to staff working remotely, the ERR will be made available to the public for review electronically via email. Please submit your request to Brian Ray James, HOST Environmental Officer, at brian.james@denvergov.org or leave a message at 720-913-1707.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to HOST. All comments received by 26 December 2025 will be considered by HOST prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

ENVIRONMENTAL CERTIFICATION

HOST certifies to HUD that Mayor Mike Johnston in his capacity as Certifying Officer consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows HOST to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of fund and HOST's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of HOST; (b) HOST has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. . Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to Noemi Ghirghi, CPD Region VIII Director, at CPDRROFDEN@hud.gov. Potential objectors should contact CPDRROFDEN@hud.gov to verify the actual last day of the objection period.
