APPLICANT SIGNATURE (This application is not valid unless signed by applicant.)
With respect to an activity for which a permit is issued, proposed to be held or actually held in a Denver park or park facility, applicant/permittee shall indemnify and defend the City and County of Denver, its appointed and elected officials, employees and agents (the "Indemnitees") against any losses, damages, liabilities, claims, suits, actions, causes of action, costs and expenses that any or all Indemnitees suffer, incur, or sustain or for which any or all Indemnitees may become liable resulting from, arising out of, or relating to any activities conducted under the permit including negligence or intentional misconduct by the applicant/permittee or the applicant/permittee's officers, employees, workers, volunteers, supplier, service providers, contractors, vendors, agents or other persons or entities under the direction or control of the applicant/permittee. I hereby agree and understand that it is my responsibility to oversee all contractors, vendors, or parties affiliated with the activity and to insure compliance with all policies, rules, and regulations, and guidelines of Denver Parks & Recreation and other relevant procedures and laws. Such indemnification shall include any third party losses, damages, liabilities, claims, subrogation claims, suits and actions, causes of action, costs and expenses asserted against the City or its appointed and elected officials, employees, volunteers, and agents and resulting from the negligence or intentional misconduct of the Permittee, Permittee's representatives or agents, or Attendees arising from or associated with the sale, service or consumption of Alcohol Beverages whether authorized or unauthorized under the applicable Permit, or arising from or associated with the sale, service or consumption of marijuana, even though the sale, service or consumption of marijuana is illegal. I have received, read, and understand the Denver Parks & Recreation rules and regulations (please review at www.denvergov.org/permits and www.denvergov.org/parkrules). I understand that certain fees are non-refundable (as stated) and that the permit is non-transferable.

Violations and Enforcement. Any substantive violation of this Policy, the Permit, applicable POFA Standards, or Park Use Rules and Regulations may result in the Permit being suspended or revoked without refund of fees or charges or, in the alternative and at the discretion of DPR, an administrative citation being issued to the Permittee in accordance with the Administrative Citations Rules and Regulations. If a Permittee is issued four (4) administrative citations during the duration of a Permit or Permits held by the Permittee for a POFA, the Permit or Permits held by the Permittee will be revoked for the season.
