

DENVER
PUBLIC HEALTH &
ENVIRONMENT

love my air

OUR MISSION

Provide Denver's diverse communities with visible, accessible, and actionable air quality information.

What is Love My Air ?

Near real-time hyper-local air quality data, educational programming, air quality outreach and advocacy.

Data Collection

Live Streaming

Gained Knowledge

The program works to improve outdoor air quality by increasing air pollution awareness and expanding air quality monitoring.

**GET EXCITED TO
LOVE MY AIR IN YOUR COMMUNITY!**

Why should I get involved?

Do you know someone with asthma, COPD, or a heart condition? Do you know a child or elderly adult that is sensitive to air pollution?

Exposure to air pollution can cause health impacts for everyone!

Sources of air pollution

Protect your health!

Get access to real time air quality information & alerts.

Learn about Denver's air quality and how to reduce your pollution exposure by checking out our website and app by scanning the QR Code!
