*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

Brief project description

This project entails the installation of ADA & sidewalks, playground renovations, shade structure rehabilitation & flatwork, a reconstructed basketball court, new landscape boulders, irrigation improvements, landscape transformation, picnic area improvements, signage, and site furnishings & amenities. These improvements are intended to continue the park's legacy as a thriving community-oriented open space.
