\*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

### Brief project description

A new Natatorium addition is being added to the existing Recreation Center. The outdoor pool and futsal court are being removed to make way for the new building and with a single pool that includes 8 lap lanes, a zero entry recreation side, a lazy river, and a large slide that swirls in and out of the building for a fun ride for most ages.
