Message from Chief Thomas

As your Police Chief, I am pleased to provide you with our 2023-2027 strategic plan.

Our commitment to ensuring the safety and well-being of our community remains unwavering, and your participation in this endeavor is crucial.

We are actively working on key components of our strategic plan designed to enhance public safety, community engagement, and the overall quality of life for our residents. Here are some highlights of our efforts:

1. Lowering our response time to calls for service through alternative first responder programs and advanced staffing models.
2. Reorganizing citywide crime prevention and response teams.
3. Collaborate with multi-disciplinary teams to implement evidence-based violence prevention and focused deterrence programs.
4. Executing continuous improvement initiatives based on community feedback surveys.
5. Regular reporting of key metrics and crime data to ensure we are transparent and accountable regarding our performance.

Our strategic plan is a collaborative effort, and your input is invaluable. We encourage you to engage with us, attend community meetings, and share your thoughts, concerns, and ideas. As we move forward, our commitment to serving you with integrity, professionalism, and empathy remains steadfast. We are dedicated to fostering a community where everyone feels safe, supported, and heard. Together, we can shape a safer and more prosperous Denver.

Sincerely,

Ron E. Thomas
Chief of Police
Introduction

The Denver Police 2023 – 2027 Strategic Plan highlights the fundamental goals and objectives that align with the mission and vision of the department. Further, it provides the foundation for organizational and operational decisions. This document provides a detailed overview of each strategic goal, targeted outcomes, and key performance metrics.

As strategic planning is continuously performed within the department, our objectives and activities are regularly reviewed and updated to adapt to internal and external needs.

Reporting our Outcomes

Several key metrics and targeted outcomes are outlined under each strategic goal, all of which fall under general indicators identified as having a high-level impact to the community and the department.

1. Crime rate
2. Community perceptions - feeling safe, trust in police, satisfaction with police
3. Healthy organization
4. Diverse organization

Outcomes will be reported through an annual accountability report made available on the Denver Police Department Performance and Transparency webpage. This report will contain interactive visualizations of measures and outcomes, and will serve as an accountability report to the residents of Denver.
Mission, Vision & Values

Mission

Preventing crime and increasing public trust while honoring the responsibilities granted to us by those we serve, with continued focus on partnerships, learning, and innovation.

Preventing crime directly contributes to the safety and security of individuals and communities. Lower crime rates lead to an improved quality of life for residents, and safer neighborhoods are more attractive places to live and work. When law enforcement agencies are effective at preventing and addressing crime, they build trust among the public.

Objective 1.1 – Implement evidence-based crime reduction strategies in collaboration with community and City partners.
Objective 1.2 – Develop strategies to increase interagency information sharing and multi-disciplinary efforts.
Objective 1.3 – Consistent, authentic engagement with all Denver residents.
Objective 1.4 – Increase transparency through access to data that is clear and understandable to a broad, public audience.

Target Outcomes

1. Reduced gun violence
2. Reduced property crimes
3. Reduced sustained Internal Affairs complaints
4. Increased accessibility and positive community interactions
5. Increased satisfaction with patrol services and interactions
6. Reduced response time to calls for service

Key Performance Measures

1. Violent crime (including gun violence)
2. Property crime (including auto theft)
3. Complaints
4. Use of force numbers
5. Citywide community surveys
6. Patrol response service surveys
7. Response times
8. Access to interpretation services
Strategic Goals

Goal 2: Build Safe and Healthy Communities

Public safety takes everyone – it is not simply a function of policing. We endeavor to work with City and non-profit partners to build capacity, so community members have access to the services they need. The focus is addressing issues related to acute mental health concerns, substance abuse, fear of crime, while equipping all officers with specialized knowledge, de-escalation skills, and working with community partners.

Objective 2.1 – Advance solutions that consider the specific issues in our unique communities.

Objective 2.2 – Develop interagency strategies to address complex issues related to unhoused communities, acute mental health concerns, and substance misuse.

Objective 2.3 – Broaden ability to work with community groups and residents to reduce criminal events that impact community safety and quality of life.

Objective 2.4 – Address crimes that negatively impact our community and overall safety.

Target Outcomes

1. Reduced fear of crime
2. Reduced crime across all Denver neighborhoods
3. Reduced response times to resident calls for service

Key Performance Measures

1. Violent crime
2. Bias-motivated crime
3. Property crime
4. Traffic-related offenses
5. Citywide community surveys
6. Calls for service involving acute mental health concerns, substance misuse, and unhoused communities
Strategic Goals

Goal 3: Focus on Precision Policing

The goal of precision policing is to enhance the effectiveness and efficiency of law enforcement by deploying resources where they are most likely to have the greatest impact in preventing and addressing crimes. Precision policing is designed to make policing more efficient by directing resources where they are needed most. The primary aim is to prevent crimes before they occur or to respond rapidly to emerging crime patterns. By targeting resources to high-risk areas, law enforcement can deter criminal behavior and increase the likelihood of apprehending offenders.

Objective 3.1 – Implement systematic crime prevention strategies in all patrol districts that are evidence-based and rigorously evaluated for effectiveness.
Objective 3.2 – Use community feedback through surveys and meetings to develop micro-policing agendas for each neighborhood, that focus police resources on top community crime concerns.
Objective 3.3 – Develop and evaluate long-term partnerships and policing strategies that target places with a historic concentration of violent crime.

Target Outcomes

1. Consistent, evidence-based violence reduction efforts implemented in each police district

Key Performance Measures

1. Violent crime
2. Property crime
3. Clearance rates (homicide and non-fatal shootings)
4. Gun violence in persistently violent locations
5. Citywide community surveys
Innovative training for police is crucial in ensuring police departments are well-prepared to handle today’s diverse and complex challenges. The objectives below aim to ensure training is adaptive, responsive, evidence-based, and focused on building a positive and respectful relationship between the department and the communities we serve.

Objective 4.1 – Provide training for department personnel that supports growth from the academy through retirement.

Objective 4.2 – Create education and training opportunities that incorporate the well-being of department personnel and their families.

Objective 4.3 – Develop partnerships with external academic practitioners to ensure the department's training is consistently improving.

Objective 4.4 – Operationalize community feedback into training.

Target Outcomes

1. Reduced complaints and discipline cases
2. Increased utilization of educational opportunities
3. Increased perception of police professionalism
4. Equitable training opportunities for all staff

Key Performance Measures

1. Complaints
2. Participation in advanced learning programs
3. Retention and recruitment rates
4. Citywide community surveys
Strategic Goals

Goal 5: Build a More Efficient and Resilient Organization

Building a healthy police department is essential to ensure the well-being of our officers, professional staff, and the communities we serve. A healthy department not only means physical health but also encompasses mental, ethical, and community health.

Objective 5.1 – Create workload-based staffing models that align personnel with department and public safety priorities.
Objective 5.2 – Offer resources for department personnel and their families.
Objective 5.3 – Support innovative approaches to improving work/life balance.

Target Outcomes

1. Reduced sick leave and workers comp claims
2. Reduced complaints and discipline cases
3. Diversity represented at all ranks and classifications throughout the department
4. Increased recruitment and retention
5. Improved morale
6. Zero officer suicides

Key Performance Measures

1. Complaints
2. Utilization of wellness resources
3. Sick leave, injuries, workers comp claims
4. Wellness risk scores
5. Retention and recruitment data
6. Department demographic data
7. Internal satisfaction surveys
