INFORMATION and INSTRUCTIONS:

Denver based for-profit organizations are eligible for Regional tier group memberships at a discounted rate to enhance their current service programs through Denver Parks & Recreation's (DPR) Client Services Discount program. A minimum purchase of five memberships is required. Memberships must be of same type. *For organizations with multiple service locations, only one enrollment form will be accepted.

A DPR membership includes access to drop-in gym, game rooms, indoor pools, weight rooms, as well as drop-in fitness and drop-in aquatics classes at the membership tier chosen. An outdoor pool season pass is also included. **Activities that require a separate registration are available at an additional cost.**

The Organization Representative (owner, Program Director/Manager, or site supervisor) must submit this completed form directly to Recreation Administration for approval and processing and serve as the sole point of contact for enrollment related confirmation and communication.

All group membership requests must be approved by the Deputy Manager of the DPR Recreation Division.

When presenting memberships at recreation centers, additional identification may be required.

Memberships are non-refundable, non-transferrable and cannot be combined with any other discount offer. Prices subject to change.
