\*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

### Brief project description

The new recreation center will be located at the corner of Morrison Road and Walsh Place, which is the site of a former carwash. The budget includes land acquisition, design and construction. The city will ask for public input via a community engagement process. The new recreation center may include an indoor gymnasium, fitness areas for weight-lifting and cardio activities, indoor pool, kid-watch, multipurpose rooms, kitchen, locker rooms, and outdoor areas.

Location of the Future Westwood Recreation site
