*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

Brief project description

City of Potenza Park, located in the Virginia Village neighborhood off of Cherry Creek Drive, will receive renovations to the playground and the creation of a new picnic shelter. City of Chennai Park, located nearby in the Indian Creek neighborhood off Quebec Street, will also be getting a new picnic shelter. Both projects are funded for design and construction as part of the Elevate Denver Bond program.
